Item 1.01 Entry into a Material Definitive Agreement.

On May 8, 2015, we entered into a Royalty Stream and Milestone Payments Purchase Agreement with Selexis SA, a privately held life sciences company headquartered in Switzerland, to acquire a portfolio of possible future royalty and milestone payment rights based on over 15 Selexis commercial license agreement programs with various pharmaceutical-company counterparties. In return, we paid Selexis \$4.0 million in cash. The more than 15 programs that are the subject of this transaction are based on Selexis' technology platform for cell line development and scale-up to manufacturing of therapeutic proteins and relate to pre-commercialized drugs that are currently being developed, and which should require no funding or technological support from Ligand.

Item 2.02 Results of Operations and Financial Condition.
