Annual Meeting of Shareholders

PROXY STATEMENT

Information Concerning Solicitation

This Proxy Statement is furnished to the holders of common stock, par value \$.01 (the "Common Stock"), of Bluegreen Corporation (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held at Boca Raton Marriott, 5150 Town Center Circle, Boca Raton, Florida, on Thursday, August 2, 2001, at 10:00 a.m., local time, and at any adjournment or postponement thereof. If the enclosed proxy is signed and returned and is not revoked, it will be voted at the Annual Meeting in accordance with the instructions of the shareholder(s) who execute it. If no instructions are given, the proxy will be voted FOR the election of the nominees for Director and FOR the other proposal set forth in the Notice of Annual Meeting described herein. The proxy of any shareholder may be revoked by such shareholder in writing addressed to Patrick E. Rondeau, the Clerk of the Company, at the above address or in person at any time before it is voted. Submission of a later dated proxy will revoke an earlier dated proxy.

All costs of solicitation will be borne by the Company. The solicitation is

Edgar Filing: BLUEGREEN CORP - Form DEF 14A

to be principally conducted by mail and may be supplemented by telephone and personal contacts by Directors, executive officers and regular employees of the Company, without additional remuneration. Arrangements will be made with brokerage houses, banks and custodians, nominees and other fiduciaries to forward solicitation materials to the beneficial owners of shares held of record. The Company will reimburse such persons for their reasonable out-of-pocket expenses incurred in connection with the distribution of proxy materials.

It is anticipated that this Proxy Statement and the enclosed proxy, together with the Company's annual report to shareholders, will first be mailed to shareholders on or about July 6, 2001.

Outstanding Voting Securities

The Board of Directors has fixed the close of business on July 2, 2001 (the "Record Date") as the date for determining the shareholders entitled to receive notice of, and to vote at, the Annual Meeting. The number of shares of Common Stock outstanding and entitled to vote on that date was 24,190,136, with each share being entitled to one vote. A majority of the issued and outstanding shares as of the Record Date will constitute a quorum for the transaction of business at the Annual Meeting.

The affirmative vote of the holders of a plurality of the votes cast at the Annual Meeting is required for the election of Directors. Approval of other matters that are before the meeting will require the affirmative vote of holders of a majority of the Common Stock present or represented at the Annual Meeting.

Each holder of record of the Common Stock on the Record Date is entitled to cast one vote per share in person or by proxy at the Annual Meeting. Shares as to which a nominee (such as a broker holding shares in street name

1

for a beneficial owner) has no voting authority in respect of matters before the Annual Meeting will be deemed represented for quorum purposes but will not be deemed to be voting on such matters and, therefore, will not be counted as negative votes as to such matters. Votes will be tabulated by the Company's transfer agent subject to the supervision of persons designated by the Board of Directors as inspectors.

Shareholder Proposals for Next Annual Meeting

Proposals of shareholders of the Company intended to be presented at the 2002 Annual Meeting of Shareholders must be received by the Company not later than March 8, 2002, to be included in the Company's proxy materials relating to the 2002 Annual Meeting and on or before May 22, 2002 for matters to be considered timely such that, pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Company may not exercise its discretionary authority to vote on such matters at that meeting. Any such proposals should be sent to the Company at its principal office addressed to Patrick E. Rondeau, Clerk of the Company. Other requirements for inclusion are set forth under Rule 14a-8 under the Exchange Act.

Proposal 1 - Election of Nominees for Director

There are currently nine members of the Board of Directors. The By-Laws of the Company provide that the Directors are classified, with respect to the time for which they hold office, into three classes, as nearly as equal in number as possible, with terms expiring at the 2001, 2002 and 2003 annual meetings of the

Edgar Filing: BLUEGREEN CORP - Form DEF 14A

shareholders and until their successors are duly elected. At each annual meeting, the successors to the class of Directors whose term expires at that meeting shall be elected to hold office for a term continuing until the annual meeting held in the third year following the year of their elections. The Board has fixed the number of Directors for the ensuing year at nine and has nominated George F. Donovan, Michael J. Franco and Bradford T. Whitmore for election to the class, the term of which expires at the annual meeting in 2004.

The Securities Purchase Agreement dated as of August 14, 1998 (as more fully described below under "Certain Relationships and Other Transactions") between the Company and certain real estate funds affiliated with Morgan Stanley Dean Witter and Co., Inc. (the "Funds") requires that, as long as the Funds or their Permitted Transferees (as defined in the Purchase Agreement) own at least 70% of the aggregate number of shares of Common Stock issued to the Funds (or their Permitted Transferees) under the Purchase Agreement (the "Required Interest"), the Funds will have the right to designate two directors on the management slate of nominees to the Company's Board of Directors (the "Funds' Designees"). If the Funds (and their Permitted Transferees) own less than the Required Interest but own, in the aggregate, at least 50% of the aggregate number shares of Common Stock issued to the Funds (or their Permitted Transferees) under the Purchase Agreement (the "Minimum Interest"), the Funds will have the right to designate one director on the management slate of nominees to the Company's Board of Directors. The Funds' Designees have the right to serve on any standing committee of the Board to the extent their participation on such committee would not exceed their proportionate representation of the full Board. Michael J. Franco, whose term expires at the 2001 Annual Meeting and Joseph M. Zuber, whose term expires at the 2002 Annual Meeting, currently serve on the Board of Directors as the Funds' Designees under the Purchase Agreement. In addition, the Board of Directors has unanimously appointed John P. Buza to the Board of Directors for a term that expires at the 2003 Annual Meeting. Mr. Buza is a Vice President and Senior Asset Manager for the Morgan Stanley Real Estate Funds.

The Funds have agreed to vote, and to cause any Permitted Transferees to vote, all of their shares of Common Stock for the election of the management slate of nominees (other than the Funds' Designees) to the Company's Board of Directors for so long as the Funds (and their Permitted Transferees) own, in the aggregate, at least the Minimum Interest and the Funds' Designees are serving on the Company's Board of Directors. Accordingly, the Funds will vote in favor of the elections of Messrs. Donovan and Whitmore at the Annual Meeting.

2

Unless contrary instructions are received, the enclosed proxy will be voted for the election of the three nominees listed herein. Messrs. Donovan, Franco and Whitmore are currently serving as Directors of the Company, respectively. The shareholders elected Messrs. Donovan and Whitmore at the 1998 Annual Meeting. Messrs. Donovan, Franco and Whitmore have consented to serve, if elected, for the term described herein. Although the Board of Directors does not contemplate that any of the nominees will be unavailable for election, in the event that vacancies occur unexpectedly, the enclosed proxy, unless authority has been withheld as to such nominee, will be voted for such substituted nominees, if any, as may be designated by the Board. If elected, the nominees listed below will serve until the 2004 Annual Meeting (or special meeting in lieu thereof) and until their successors are duly elected and qualified.

The principal occupations and business experience of the nominees for Director and each Director whose term will continue following the meeting for the preceding five years along with any directorships of other publicly-owned or

Edgar Filing: BLUEGREEN CORP - Form DEF 14A

registered investment companies are as follows:

The charges in the Information, which include a charge of vehicular homicide, relate to an April 1991 traffic accident in which a passenger was killed. Following review of the circumstances surrounding this accident and the charges, the Board determined that the pendency of this proceeding likely will not adversely affect Mr. Rutherford's ability to perform his duties as a Director of the Company.

Board of Directors and its Committees

The Board of Directors of the Company held six meetings during the fiscal year ended April 1, 2001. Each Director attended at least 75% of the meetings of the Board of Directors and meetings of the Committees of the Board on which he served.

Directors of the Company who are employees of the Company do not receive fees or retainers for serving as Directors. For fiscal 2001, each non-employee Director, other than the three Directors currently employed by

5

Morgan Stanley, received an annual retainer of \$17,500 (paid in monthly increments of \$1,458.33 for each month that the non-employee served as a Director), an \$800 fee for each Board meeting attended and reimbursement of reasonable out-of-pocket travel expenses to attend Board of Director meetings. In addition, all of the Company's non-employee Directors are entitled to receive a stock option covering 15,000 shares of Common Stock under the Company's 1998 Non-Employee Directors Stock Option Plan on the first trading day after each annual meeting of the Company's shareholders or any special meeting held in lieu thereof. The exercise price is equal to the closing market price of the Company's Common Stock on the New York Stock Exchange on the date of grant. These options vest over a three-year period.

Audit Committee

The Audit Committee consists of Messrs. Foote (Chairman), Laguardia and Rutherford. The Board of Directors has determined that Mr. Foote is independent to the Company despite the legal services provided to the Company from time to time by the law firm to which Mr. Foote is a partner. The Audit Committee is governed by a written charter approved by the Board of Directors. A copy of this charter is included in Appendix A.

Report of the Audit Committee

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States. In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board and considered the compatibility of nonaudit services with the auditors' independence.

Edgar Filing: BLUEGREEN CORP - Form DEF 14A

The Committee discussed with the Company's independent auditors the scope and plans for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting. The Committee met three times during fiscal year 2001.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended April 1, 2001 for filing with the Securities and Exchange Commission. The Committee and the Board have also recommended, subject to shareholder approval, the selection of the Company's independent auditors.

Nominating Committee

The Nominating Committee, which met twice during fiscal 2001, consists of Messrs. Rutherford (Chairman), Donovan and Zuber. The Nominating Committee is responsible for the selection of potential candidates for membership on the Board of Directors and the periodic review of compensation of Directors. The Nominating Committee will consider nominees recommended by shareholders. Recommendations should be submitted in writing to: Nominating Committee, Bluegreen Corporation, 4960 Conference Way North, Suite 100, Boca Raton, Florida 33431.

Strategic Planning Committee

The Strategic Planning Committee, which met twice during fiscal 2001, consists of Messrs. Whitmore (Chairman), Donovan, Kelleher and Zuber. The Strategic Planning Committee is responsible for developing and investigating strategic alternatives for the Company's growth and profitability.

Compensation Committee

During fiscal 2001, Messrs. Kelleher (Chairman), Franco and Whitmore served as members of the Compensation Committee of the Board of Directors. The Compensation Committee met twice during fiscal 2001. The Committee: (a) monitors compensation arrangements for management employees for consistency with corporate objectives and shareholders' interests, (b) approves incentive distributions and grants of stock options to officers, employees and independent contractors of the Company and its subsidiaries and (c) advises management on matters pertaining to management development and corporate organizational planning.

Compensation Committee Interlocks and Insider Participation

Mr. Whitmore is a general partner of Grace Brothers, Ltd., an investment partnership and broker-dealer. In September, 1997, the Company borrowed \$5,000,000 from Grace Brothers, Ltd. pursuant to a Note Purchase Agreement,

Edgar Filing: BLUEGREEN CORP - Form DEF 14A

which amount was used to fund a portion of the purchase price in connection with the Company's acquisition of Resort Development International Group, Inc. and Resort Title Agency, Inc. (collectively, "RDI"). Pursuant to the Note Agreement, the Company executed convertible notes payable to Grace Brothers, Ltd. in the aggregate principal amount of \$5,000,000 (the "Convertible Notes"). The Convertible Notes have a maturity date of September 11, 2002, and the outstanding balances of the Convertible Notes are convertible into the Company's Common Stock. The Convertible Notes bear interest at 8% per annum. The Convertible Notes are subordinated to the Company's 10 1/2% Senior Secured notes due 2008 (the "Senior Notes") in the aggregate principal amount of \$110 million, to the same extent the Company's Debentures are subordinated to the Senior Notes; the Convertible Notes are not contractually subordinated to any other indebtedness of the Company. See "Certain Relationships and Other Transactions".

Mr. Franco is a Vice President of and Director of U.S. Acquisitions for the Morgan Stanley Real Estate Funds, which beneficially own 24.3% of the Company's Common Stock as of May 1, 2001.

Compensation Committee Report on Executive Compensation

General

The Compensation Committee of the Board of Directors is composed of non-employee Directors of the Company and, as indicated above, the Compensation Committee's duties include reviewing and making recommendations to the Board generally with respect to the compensation of the Company's executive officers. The Board of Directors reviews these recommendations and approves all executive compensation action.

7

Compensation Principles

The Company's executive compensation program is designed to align compensation with the Company's business strategy, values and management initiatives. The program:

- o Integrates compensation programs with the Company's annual and long-term strategic planning and measurement processes.
- o Reinforces strategic performance objectives through the use of incentive compensation programs.
- o Rewards executives for long-term strategic management and the enhancement of shareholder value by delivering appropriate ownership interest in the Company.
- o Seeks to attract and retain quality talent, which is critical to both the short-term and long-term success of the Company.

In March 1998, the Company entered into employment agreements with each of its senior executive officers except for David D. Philp, who entered into an employment agreement with the Company when he was employed on August 30, 1999 and Mark T. Ryall, who does not have an employment agreement with the Company. See "Employment Agreements" below for further details.

The three components of the Company's current compensation program for executive officers are: (i) base compensation, (ii) annual bonus plan and (iii) incentive stock options.

Edgar Filing: BLUEGREEN CORP - Form DEF 14A

Base Compensation

The Compensation Committee has evaluated and determined appropriate ranges of pay for all categories of management to facilitate a Company-wide systematic salary structure with appropriate internal alignment. In determining appropriate pay ranges, the Committee annually examines market compensation levels for executives who are currently employed in similar positions in public companies with comparable revenues, net income and market capitalization. This market information is used as a frame of reference for annual salary adjustments and starting salaries. The Compensation Committee determined to grant base salary increases ranging from 20.0% to 42.9% for the executive officers named in the "Summary Compensation Table" during fiscal 2001. This decision reflects the Committee's consideration of the Company's performance during fiscal 2001 as well as the Committee's assessment that the executive officers' base salaries after the current year increases, if applicable, were comparable to companies involved in similar operations and of similar size.

Annual Bonus Plan

The objectives of the annual bonus plan are to motivate and reward the accomplishment of corporate annual objectives, reinforce strong performance with differentiation in individual awards based on contributions to business results and to provide a fully competitive compensation package with the objective of attracting, rewarding and retaining individuals of the highest quality. As a pay-for-performance plan, year-end cash bonus awards are paid upon the achievement of performance goals established for the fiscal year. Participants are measured on two performance components: (1) corporate financial performance (specific measurements are defined each year and threshold, target and maximum performance levels are established to reflect the Company's objectives) and/or (2) key individual performance which contributes to critical results for the management position. A weighting is established for each component taking into account the relative importance of each based on each executive officer's position. Appropriate performance objectives are established by the Compensation Committee for each fiscal year in support of the Company's strategic plan.

Incentive Stock Options

Stock options align the interests of employees and shareholders by providing value to the employee when the stock price increases. All options are granted at an exercise price of at least 100% of the fair market value of the Common Stock on the date of grant except incentive options issued to employees who own more than 10% of the

8

Company's Common Stock, in which case the option price may not be less than 110% of the market value of the Common Stock on the date of grant. Incentive stock options were granted to Mark T. Ryall upon his employment with the Company during fiscal 2001. See "Option Grants in Last Fiscal Year".

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), limits an employer's income tax deduction for compensation paid to certain key executives of a public company to \$1,000,000 per executive per year. The Company has no executives whose salaries currently approach this level and, accordingly, has not addressed what approach it will take with respect to section 162(m), except to the extent the 1995 Stock Incentive Plan contains standard limits and provisions on awards which are extended to enable such awards to be exempt from the section 162(m) deduction limits.

Edgar Filing: BLUEGREEN CORP - Form DEF 14A

Compensation of Chief Executive Officer

During fiscal 2001, the base salary of George F. Donovan, President and Chief Executive Officer, was \$450,000, reflecting a 20.0% increase from fiscal 2000. As detailed below in the "Summary Compensation Table", Mr. Donovan was awarded no annual bonus or stock options during fiscal 2001. Additionally, the Company purchased term life insurance for Mr. Donovan's benefit, at a premium cost during fiscal 2001 of \$56,808. This compares to the award of an annual bonus of \$100,000 and no stock options for fiscal 2000. The decrease in Mr. Donovan's annual bonus was due to certain pre-determined strategic goals and financial performance objectives not being achieved during fiscal 2001. The Committee concluded that Mr. Donovan's total fiscal 2001 compensation was competitive and aligned in the mid-range of total compensation for other chief executives of publicly-held companies in similar businesses and of similar size. Furthermore, the Committee believes that total fiscal 2001 compensation reflects its confidence in Mr. Donovan's ability to lead the Company to execute the Company's strategic plans, including the continued development and expansion of the Resorts Division. The Committee's knowledge of Mr. Donovan's successful background, including his prior service as the chief executive officer of another publicly-held real estate company, together with its observations of Mr. Donovan's performance during his tenure with the Company, served equally to assure the Committee of his ability to lead the Company as its chief executive.

assumption that the Company's Common Stock will appreciate in value from the date of grant to the end of the option term at rates (compounded annually) of 5% and 10%, respectively, and therefore are not intended to forecast possible future appreciation, if any, in the price of the Company's Common Stock.

Fiscal Year End Option Values

The following table sets forth information regarding the number and unrealized value of unexercised options, adjusted to give effect to any Common Stock dividends, and held by each of the Named Executive Officers as of April 1, 2001. Unrealized values are computed by multiplying the number of shares by the amount by which the closing market price of the Company's Common Stock on the New York Stock Exchange as of March 30, 2001, exceeds the exercise price. None of the Named Executive Officers exercised stock options during fiscal 2001.

Employment Agreements

In March 1998, the Company entered into employment agreements with each of George F. Donovan, John F. Chiste, Daniel C. Koscher and Patrick E. Rondeau. In August 1999, the Company entered into an employment agreement with David D. Philp. Each employment agreement was for an initial three year period (six years in the case of Mr. Donovan) (subject to automatic one-year extensions unless terminated by either the employee or the Company with 90 days notice) and provides that the employee will receive a base salary (as of April 2, 2001, \$450,000 for Mr. Donovan; \$275,000 for Mr. Koscher; \$255,000 for Mr. Chiste; \$225,000 for Mr. Rondeau and \$175,000 for Mr. Philp) and certain other benefits and will be eligible to receive a cash bonus as determined by the Board of

Edgar Filing: BLUEGREEN CORP - Form DEF 14A

Directors. Mr. Philp is guaranteed an annual bonus of at least \$125,000 during the term of his employment agreement. Under the employment agreements, if the Company terminates any employee without cause, the Company will pay the employee his base salary (and in the case of Mr. Philp a minimum bonus of \$125,000) for the 12 months (24 months in the case of Mr. Donovan) following such termination (which, in the case of all of the Named Executive Officers except Mr. Philp, shall be reduced by the amount of any compensation the employee receives from subsequent employment during such period). A termination of the employee without cause shall be deemed to occur upon, among other things, a significant decrease of the employee's position, duties or responsibilities, the failure by the Company to obtain the assumption of the employment agreement by any successor to the Company's business, or the sale of all or substantially all of the business or assets of the Company or the Company's liquidation. Upon any termination by the Company for cause (as defined in the employment agreements) or by the employee, the employee shall be entitled only to amounts then due to him. In the event the employee is disabled, the employee's employment shall be terminated and the employee shall be entitled to receive his base salary for 12 months (24 months in the case of Mr. Donovan) following such termination. Pursuant to his employment agreement, each employee agreed, for 12 months (24 months in the case of Mr. Donovan and 6 months in the case of Mr. Philp) following his termination, not to compete with the Company, disclose confidential information about the Company, or solicit the Company's current or former employees. In

11

addition, Mr. Donovan's employment agreement provides that \$130,000 of indebtedness owing by Mr. Donovan to the Company will be forgiven on a pro rata basis (20% per year) over the five year period commencing on April 1, 1998.

Performance Graph

The following graph assumes an investment of \$100 on April 1, 1996, and thereafter compares the yearly percentage change in cumulative total return to shareholders of the Company with an industry peer group (consisting of Avatar Holdings, Fairfield Communities, ILX Resorts, Sunterra Corporation, and Silverleaf Resorts) and a broad market index (the S&P 500). The graph shows performance on a total return (dividend reinvestment) basis. The graph lines connect fiscal year-end dates and do not reflect fluctuations between those dates.

Certain Relationships and Other Transactions

In connection with George F. Donovan's appointment as the Company's Chief Executive Officer and his relocation, on November 15, 1993, the Board of Directors authorized a \$130,000 loan which accrued interest at the prime lending rate through June 1, 1996. The loan has been interest-free from June 2, 1996 to date. As indicated above, Mr. Donovan's March 1998 employment agreement provides that the \$130,000 loan will be forgiven on a pro rata basis (20% per year) over a five-year period commencing April 1, 1998. In addition, during fiscal 2000, the Company advanced an \$180,000 home equity loan to Mr. Donovan, which bears interest at the prime lending rate (which was 8.0% per annum at April 1, 2001). The outstanding balance on this loan as of April 1, 2001, was approximately \$108,000, and the loan is due in three annual installments, including accrued interest, commencing on April 30, 2002.

12

On September 11, 1997, the Company borrowed \$5,000,000 from Grace Brothers, Ltd., an entity with a 13.3% beneficial ownership interest in the Company as of May 1, 2001 and an affiliate of Bradford T. Whitmore, a Director of the Company, and issued the Convertible Notes. The proceeds from the issuance were used to fund a portion of the purchase price of RDI. The Convertible Notes are convertible into shares of the Company's Common Stock at a conversion price of \$3.92 per share, subject to adjustment in certain circumstances. In March 1998, the holders of the Convertible Notes agreed to subordinate such notes to the Company's obligations under the Senior Notes.

Any existing loans to the Company's officers and employees other than in the ordinary course of business have been approved, and any such future loans will be approved, by a majority of disinterested, non-management Directors. It is also the Company's policy that any transaction with an employee, officer, Director or principal shareholder, or affiliate of any of them, involving in excess of \$10,000 (other than in the ordinary course of the Company's business) shall be approved by a majority vote of disinterested Directors, and any such transaction will be on terms no less favorable to the Company than those which could reasonably be obtained from an independent third party.

On August 14, 1998, the Company entered into a Securities Purchase Agreement (the "Purchase Agreement") by and among the Company, Morgan Stanley Real Estate Investors III, L.P., Morgan Stanley Real Estate Fund III, L.P., MSP Real Estate Fund, L.P., and MSREF III Special Fund, L.P. (collectively, the "Funds"), pursuant to which the Funds purchased an aggregate of 5,882,353 shares of the Company's Common Stock for \$50 million during fiscal 1999 and 2000.

See "Proposal 1 - Election of Nominees for Director" for discussion of the Funds' right to designate up to two Directors (depending on the number of shares of Common Stock held by the Funds) on the management slate of nominees to the

Edgar Filing: BLUEGREEN CORP - Form DEF 14A

Company's Board of Directors or certain other matters relating to the Board of Directors.

For so long as the Funds own at least the Required Interest, certain material actions by the Company or its subsidiaries, including: the consolidation or merger of the Company; the sale of substantially all the assets of the Company; the sale of assets of the Company (or certain Company subsidiaries) or the purchase of the business, assets or securities of another person where the aggregate consideration exceeds \$50 million; the issuance of certain securities of the Company senior or, in certain circumstances, on par with the Common Stock; the issuance of stock of the Company's subsidiaries (other than pursuant to certain employee option plans); the occurrence of indebtedness having a material effect on the total market capitalization ratio of the Company; the declaration or payment of dividends (other than stock dividends) on the Common Stock; any amendment to the charter or bylaws of the Company that would conflict with the Purchase Agreement; entry into a material line of business materially different from the timeshare/residential land business and the entry into transactions with certain affiliates (other than Company subsidiaries) will require the affirmative vote of one of the Funds' Designees or if the Funds do not have a representative on the Board of Directors as a result of the failure of the Company to nominate the Funds' Designees or failure of the shareholders of the Company to elect the Funds' Designees, then such action shall require the approval of the Funds and Permitted Transferees holding a majority of the shares on Common Stock issued pursuant to the Purchase Agreement. Moreover, for so long as the Funds own at least the Required Interest, Morgan Stanley Dean Witter & Co. or an affiliate thereof shall have the exclusive right to act as advisor or underwriter to the Company in connection with certain material transactions for which the Company elects to use the services of an investment or financial advisor.

Each of the Funds (and their Permitted Transferees) have the right to purchase their proportionate share of any issuance (subject to certain exceptions) by the Company for cash of (i) any of its capital stock, (ii) any rights, options or warrants to purchase any such capital stock or any securities that are or may become convertible or exercisable into Common Stock and (iii) any securities that are or may become convertible or exercisable into Common Stock.

13

Pursuant to the Voting and Cooperation Agreement (the "Voting Agreement"), dated as of August 14, 1998, among the Funds and certain directors, officers and certain related parties of the Company in their capacities as shareholders of the Company (collectively, the "Stockholders"), each Stockholder agreed (i) to vote or cause to be voted all shares of Common Stock which such Stockholder has the power to vote or in respect of which such Stockholder has the power to direct the vote in favor of the Funds' Designees, (ii) not to take any direct or indirect action to remove either of the Funds' Designees from the Company's Board of Directors without cause and (iii) to vote all of the shares of Common Stock which such Stockholder has the power to vote or in respect of which such Stockholder has the power to direct the vote in a manner such that the Company's Restated Articles of Organization and Amended and Restated Bylaws do not, at any time, conflict with the provisions of the Voting Agreement or the Purchase Agreement.

The shares of Common Stock issued to the Funds under the Purchase Agreement have not been registered under the Securities Act of 1933 and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. Pursuant to the Registration Rights Agreement, dated

Edgar Filing: BLUEGREEN CORP - Form DEF 14A

as of August 14, 1998, among the Funds and the Company, after a specified period or upon certain other events, the Company is required to effect a shelf registration of shares of Common Stock held by the Funds, any of their Permitted Transferees and certain of their assignees (collectively the "Registration Persons"). In addition, subject to certain conditions and limitations, the Registration Persons have the right (i) to require the Company to register shares of Common Stock held by such Registration Persons and (ii) when the Company proposes to register Common Stock, to include shares of Common Stock held by such Registration Persons in such registration of Common Stock. Each of the agreements and instruments described above has been previously filed by the Company with the Securities and Exchange Commission and is qualified in its entirety by reference thereto.

Proposal 2 - Ratification of the Appointment of Ernst & Young LLP as Independent Auditors of the Company

The Board of Directors has appointed the firm of Ernst & Young LLP ("E&Y") as auditors for fiscal 2002, subject to final approval by the Audit Committee of the scope of, and E&Y's fees for, performing the audit for such fiscal year. E&Y and its predecessor, Arthur Young & Co., have served as the Company's auditors since 1984. The Company has been informed that E&Y has no direct or indirect financial interest in the Company and has no other connection with the Company other than as independent auditors. Fees for last fiscal year were: annual audit - \$268,586; audit related services - \$22,915 and all other fees - \$54,840.

Representatives of E&Y are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

In the event that ratification of the appointment of E&Y as the auditors for the Company is not obtained at the upcoming Annual Meeting of Stockholders, the Board of Directors will reconsider its selection.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE RATIFICATION OF THE SELECTION OF AUDITORS AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's officers and directors and persons who own more than ten percent of its Common Stock to file reports with the Securities and Exchange Commission disclosing their ownership of stock in the Company and changes in such ownership. Copies of such reports are also required to be furnished to the Company. Based solely on a review of the copies of such reports received by it, the Company believes that, during fiscal 2001, all such filing requirements were complied with, except for a report on Form 4 filed late by each of Messrs. Franco and Zuber.

Other Matters

As of the date of this Proxy Statement, the Board of Directors knows of no business to come before the meeting except as set forth above. If any other matters should properly come before the meeting, it is expected that the

enclosed proxy will be voted on such matters in accordance with the best judgment of the proxies. Discretionary authority with respect to any such matters is conferred by the proxy.

APPENDIX A

BLUEGREEN CORPORATION AUDIT COMMITTEE CHARTER

I. COMMITTEE ROLE

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing: the major financial reports and other financial information provided by the Corporation to any governmental body or the public; the Corporation's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Corporation's auditing, accounting and financial reporting processes generally. Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Corporation's policies, procedures and practices at all levels. The Audit Committee's primary duties and responsibilities are to:

Serve as an independent and objective party to monitor, review and assess the Corporation's financial reporting process, internal control system and business risk management process.

Review and appraise the audit efforts of the Corporation's independent accountants and internal auditing department.

Provide an open avenue of communication among the independent accountants, financial and senior management, the internal auditing department, and the Board of Directors.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section IV of this Charter.

II. COMMITTEE MEMBERSHIP AND COMPOSITION

The Audit Committee shall be comprised of at least three and no more than six directors as determined by the Board, each of whom shall be independent board members, and free from any relationship to the Corporation that, in the opinion of the Board, may interfere with the exercise of his or her independent judgment from management and the Corporation.

Each member of the Audit Committee shall be financially literate (as such qualification interpreted by the Board of Directors in its business judgment), or must become financially literate within a reasonable time after his or her

Edgar Filing: BLUEGREEN CORP - Form DEF 14A

appointment to the Audit Committee. At least one member of the Audit Committee (preferably the Chair) must have accounting or related financial management expertise, as the Board of Directors interprets such qualification in its business judgment. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Corporation or an outside consultant. Notwithstanding anything in this Charter to the contrary, it is the intent of the Corporation and its Board of Directors that the composition of the Audit Committee shall be in accordance with the applicable rules of the New York Stock Exchange (including without limitation any "grandfather" provisions) and composition of the Audit Committee in accordance with such rules shall be also deemed in compliance with this Charter.

The members of the Committee shall be elected by the Board at the annual organizational meeting of the Board and shall serve until the next annual meeting or until their successors shall be duly elected and qualified. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

The Audit Committee shall have access to its own counsel and other advisors at the Committee's sole discretion.

16

III. MEETINGS

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. As part of its job to learn of relevant current and prospective business issues and to foster open communication, the Committee should meet at least annually (and throughout the year as appropriate) with management, the director of the internal auditing department and the independent accountants in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee or at least its Chair should meet with the independent accountants and management quarterly to review the Corporation's financial statements consistent with Section IV below. The Audit Committee, with management, shall develop and participate in a process for review of important financial and operating topics that present potential significant risk to the Corporation.

Committee meeting agendas shall be the responsibility of the committee Chair, with input from committee members. It is expected that the Chair would also ask for management and key committee advisors, and perhaps others, to participate in this process where appropriate.

The Committee shall communicate committee expectations and the nature, timing, and extent of committee information needs to management, internal audit, and external parties, including external auditors. Wherever possible, written materials shall be received from management, auditors, and others at least one week in advance of meeting dates.

The Committee, through the Committee Chair, shall report periodically, as deemed necessary, but at least semi-annually, to the full Board.

The Committee shall review, discuss, and assess its own performance as well as the Committee role and responsibilities, seeking input from senior management, the full Board, and others. Changes in role and/or responsibilities, if any, shall be recommended to the full Board for approval.

IV. RESPONSIBILITIES AND DUTIES

Edgar Filing: BLUEGREEN CORP - Form DEF 14A

To fulfill its responsibilities and duties the Audit Committee shall:

Documents/Reports Review

Review with financial management and the independent accountants each quarterly report on Form 10-Q prior to its filing or prior to the release of earnings. The Chair of the Committee may represent the entire Committee for purposes of this review.

With input from management and other key committee advisors, develop an annual plan responsive to the responsibilities and duties detailed in this Charter. The annual plan shall be reviewed and approved by the full Board.

Independent Accountants

Recommend to the Board of Directors the selection of the independent accountants, considering independence and effectiveness and approve the fees and other compensation to be paid to the independent accountants.

17

The Audit Committee shall be responsible for ensuring that the outside auditor submits on a periodic basis to the Audit Committee a formal written statement delineating all relationships between the auditor and the Corporation. The Audit Committee is responsible for actively engaging in a dialogue with the outside auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the outside auditor and for recommending that the Board of Directors take appropriate action in response to the outside auditors' report to satisfy itself of the outside auditors' independence.

The outside auditor for the Corporation shall be ultimately accountable to the Board of Directors and the Audit Committee. The Audit Committee and the Board of Directors shall have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the outside auditor (or to nominate the outside auditor to be proposed for shareholders approval in any proxy statement).

Periodically consult with the independent accountants out of the presence of management about internal controls and the fullness and accuracy of the organization's financial statements.

Financial Reporting Processes

In consultation with the independent accountants and the internal auditors, review the integrity of the organization's financial reporting processes, both internal and external.

Edgar Filing: BLUEGREEN CORP - Form DEF 14A

appropriateness of the Corporation's accounting principles as applied in its financial reporting.

Consider and approve, if appropriate, major changes to the Corporation's auditing and accounting principles and practices as suggested by the independent accountants, management, or the internal auditing department.

Following completion of the annual audit, review separately with each of management, the independent accountants and the internal auditing department any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work or access to required information.

Review any significant disagreement among management and the independent accountants or the internal auditing department in connection with the preparation of the financial statements.

Review with the independent accountants, the internal auditing department and management the extent to which changes or improvements in financial or accounting practices, as approved by the Audit Committee, have been implemented. (This review should be conducted at an appropriate time subsequent to implementation of changes or improvements, as decided by the Committee.)

Ethical and Legal Compliance

Establish, review and update periodically a Code of Ethical Conduct and ensure that management has established a system to enforce this Code.

Review management's monitoring of the Corporation's compliance with the organization's Ethical Code, and ensure that management has an appropriate review system in place to ensure that Corporation's financial statements, reports and other financial information disseminated to governmental organizations, and the public satisfy legal requirements.

Review activities, organizational structure, and qualifications of the internal audit department.

18

Review, with the organization's counsel, any legal matter that could have a significant impact on the organization's financial statements.

Review and assess any SEC inquiries and the results of any examinations by regulatory authorities in terms of important findings, recommendations and management's response.

Perform any other activities consistent with this Charter, the Corporation's Articles of Organization and By-laws, and governing law, as the Committee or the Board of Directors deems necessary or appropriate.

Approval and Amendments

Edgar Filing: BLUEGREEN CORP - Form DEF 14A
