PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies, by and on behalf of the Board of Directors of SL Industries, Inc. (the "Company"), to be voted at the 2001 Annual Meeting of Shareholders on January 22, 2002, at 9:00 a.m., and at any adjournment or postponement thereof (the "Annual Meeting"). The Annual Meeting has been called to consider and vote upon the election of eight Directors, the ratification of the appointment of Arthur Andersen LLP as the Company's auditors through the fiscal year 2002, and such other business as may properly come before the meeting. This Proxy Statement and the enclosed form of proxy are first being mailed to shareholders on or about December 17, 2001.

The Board of Directors is soliciting votes FOR the Company's slate of nominees for election to the Board of Directors. A WHITE proxy card is enclosed for your use. THE BOARD OF DIRECTORS URGES YOU TO COMPLETE, SIGN, DATE AND RETURN THE WHITE PROXY CARD IN THE ACCOMPANYING ENVELOPE, which is postage-paid if mailed in the United States.

The RORID Committee has recently filed definitive proxy materials with the Securities and Exchange Commission stating that it intends to nominate a slate of five individuals for election to the Company's Board of Directors in opposition to the Company's nominees for the Board of Directors. Your Board of Directors believes that the election of the five nominees of the RORID Committee would be seriously detrimental to SL Industries.

ACCORDINGLY, THE BOARD URGES YOU NOT TO SIGN ANY PROXY CARD THAT MAY BE SENT TO YOU BY THE RORID COMMITTEE. IF YOU HAVE ALREADY DONE SO, YOU MAY REVOKE YOUR PREVIOUSLY SIGNED PROXY BY DELIVERING WRITTEN NOTICE OF REVOCATION OR A LATER DATED PROXY CARD IN THE ENCLOSED ENVELOPE.

IF YOUR SHARES ARE HELD IN THE NAME OF A BANK, BROKER, OR OTHER NOMINEE, ONLY YOUR BANK OR BROKER OR OTHER NOMINEE CAN VOTE YOUR SHARES AND ONLY UPON YOUR SPECIFIC INSTRUCTIONS. PLEASE CONTACT THE PERSON RESPONSIBLE FOR YOUR ACCOUNT AND INSTRUCT HIM OR HER TO VOTE THE WHITE PROXY CARD AS SOON AS POSSIBLE.

VOTING BY SHAREHOLDERS

Only holders of record of the Company's Common Stock, par value \$.20 per share (the "Common Stock"), at the close of business on December 5, 2001, are entitled to receive notice of and to vote at the Annual Meeting.

Shares cannot be voted at the Annual Meeting unless the owner thereof is present in person or represented by proxy. When a proxy in the accompanying form is returned, properly dated and executed, the shares represented thereby will be voted at the Annual Meeting and, if a shareholder specifies a choice with respect to any matter to be acted upon, such shares will be voted in accordance with the specifications so made. A proxy may be revoked at any time prior to being voted by filing a written notice of revocation with the Secretary of the Company, by submitting a proxy bearing a later date, or by voting the shares subject to the proxy by written ballot at the meeting.

On the record date, December 5, 2001, there were 5,710,963 shares of Common Stock of the Company outstanding. All outstanding shares are of one class. Shareholders have the right to cast one vote for each share held on the record date as to each matter presented at the meeting.

All shares represented by each properly executed unrevoked proxy received

Edgar Filing: SL INDUSTRIES INC - Form DEFR14A

prior to the Annual Meeting will be voted in accordance with the instructions specified therein, or in the absence of appropriate instructions, for the election of all of the nominees for director listed in Proposal 1 and for Proposal 2.

Presence of a Quorum. Under the By-Laws of the Company, the presence of a quorum is required for each matter to be acted upon at the Annual Meeting. We believe that, because the date, time and place of the meeting were agreed to by the Company and Steel Partners II, L.P. (a member of the RORID Committee's soliciting group) and approved by an order of the Superior Court of New Jersey, the shareholders present in person or represented by proxy at the Annual Meeting shall constitute a quorum for all matters to come before the meeting.

Broker Non-votes. If your shares are held by a broker, the broker will ask you how you want your shares to be voted. If you give the broker instructions, your shares must be voted as you direct. If you do not give instructions, one of two things can happen, depending on the type of proposal. For some proposals, such as election of directors and ratification of auditors, the broker may vote your shares at its discretion, although brokers do not have discretion to vote your shares if there is a contest concerning the proposal. But for other proposals, including shareholder proposals, the broker may not vote your shares at all. When that happens, it is called a "broker non-vote."

Election of Directors. Directors shall be elected by a plurality of the votes cast. The eight nominees for director receiving the most votes will be elected. Abstentions and broker non-votes will result in nominees receiving fewer votes but will not count as either votes "for" or "against" a nominee.

Ratification of Appointment of Auditors. To be approved, the proposal to ratify the appointment of Arthur Andersen LLP to serve as the Company's independent auditors for the fiscal year 2002 must receive a majority of votes cast at the Annual Meeting. Abstentions and broker non-votes will not be counted either "for" or "against" the proposal.

The cost of soliciting proxies will be borne by the Company. In addition to solicitations by mail, a number of directors, officers and other employees of the Company and of its subsidiaries may (without additional compensation) solicit proxies in person or by telephone, telegraph, telex, facsimile, e-mail and postings on the Company's Web site. The Company has also retained MacKenzie Partners, Inc., for a fee not-to-exceed \$75,000, and reimbursement of out-of-pocket expenses, to aid in the solicitation of proxies. MacKenzie Partners, Inc. will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. MacKenzie Partners, Inc. will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. The Company has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares they hold of record. The Company will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that MacKenzie Partners, Inc. will employ approximately 30 persons to solicit the Company's stockholders for the Annual Meeting.

The entire expense of soliciting proxies is being borne by the Company. The Company currently estimates that the total amount which it will spend in connection with this solicitation of proxies to be approximately \$250,000. The Company also estimates that, through the date hereof, its total expenditures to date in connection with this proxy solicitation are approximately \$45,000.

YOUR VOTE AT THIS YEAR'S ANNUAL MEETING IS ESPECIALLY IMPORTANT.

Edgar Filing: SL INDUSTRIES INC - Form DEFR14A

WHETHER OR NOT YOU EXPECT TO ATTEND THE MEETING, PLEASE BE SURE THAT THE ENCLOSED WHITE PROXY CARD IS PROPERLY COMPLETED, DATED, SIGNED AND RETURNED WITHOUT DELAY IN THE ENCLOSED ENVELOPE, WHICH REQUIRES NO POSTAGE IF MAILED IN THE UNITED STATES.

YOUR BOARD OF DIRECTORS ALSO URGES YOU NOT TO SIGN ANY PROXY CARD THAT MAY BE SENT TO YOU BY THE RORID COMMITTEE. EVEN IF YOU HAVE PREVIOUSLY SIGNED A PROXY CARD SENT TO YOU BY THE RORID COMMITTEE, YOU CAN REVOKE THAT EARLIER PROXY BY SIGNING, DATING AND MAILING THE ENCLOSED WHITE PROXY CARD IN THE ENVELOPE PROVIDED.

2

The Board of Directors does not know of any business to properly come before the Annual Meeting, other than that set forth in the Notice of 2001 Annual Meeting of Shareholders. Should any matters properly come before the Annual Meeting, notice of which was not received by the Company a reasonable time before this Proxy Statement is mailed, for which specific authority has not been solicited from the shareholders, then, to the extent permissible by law, the persons voting the proxies will use their discretionary authority to vote thereon in accordance with their best judgment.

THE BOARD OF DIRECTORS

BOARD OF DIRECTORS' MEETINGS AND COMMITTEES

The Board of Directors held six meetings during the fiscal year 2000. Each member of the Board of Directors attended at least 75% of the total number of meetings of the Board and of all Committees in which he or she was a member. The Board of Directors has established standing Audit, Compensation, Executive, Finance and Nominating committees. Each committee is composed solely of non-employee members of the Board of Directors, except the Executive Committee, of which Owen Farren, the Company's Chairman, President and Chief Executive Officer, is a member.

The Audit Committee, which presently consists of Robert J. Sanator, J. Edward Odegaard and Charles T. Hopkins, each of whom meets the criteria for "independence" under New York Stock Exchange Rule 303.01, held seven meetings during fiscal year 2000. The committee operates under a written charter adopted by the Board of Directors, attached as Appendix A, and selects, subject to approval of the Board of Directors, a firm of independent certified public accountants to audit the books and accounts of the Company and its subsidiaries for the fiscal year for which they are appointed. In addition, the committee reviews and approves the scope and cost of all services (including nonaudit services) provided by the firm selected to conduct the audit. The committee also monitors the effectiveness of the audit effort and the Company's financial reporting, and reviews the Company's financial and operating controls.

The information contained in this proxy statement with respect to the Audit Committee charter and the independence of the members of the Audit Committee shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended (the "Securities Act"), or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent that the Company specifically incorporates it by reference in such filing.

The Compensation Committee, which presently consists of J. Dwane Baumgardner, Richard E. Caruso and Walter I. Rickard, held four meetings during fiscal year 2000. The committee recommends the compensation to be paid to executive officers. The committee also recommends the stock options to be granted to key employees under the Company's 1991 Long Term Incentive Plan (see

The Executive Committee, which presently consists of J. Dwane Baumgardner, Owen Farren, Walter I. Rickard and Robert J. Sanator, did not meet during fiscal year 2000. The committee has and may exercise all the authority of the Board of Directors, except that the committee cannot make, alter or repeal any By-Law of the Company, elect or appoint any director or remove any officer or director, submit to shareholders any action that requires shareholder approval, or amend or repeal any resolution previously adopted by the Board of Directors, which by its terms is amendable or repealable only by the Board of Directors.

The Finance Committee, which presently consists of J. Edward Odegaard, Judith A. Maynes and Charles T. Hopkins, held one meeting during fiscal year 2000. The committee reviews the Company's financing alternatives, investing activities, and analyses and makes recommendations with respect to the Company's capital structure.

The Nominating Committee, which presently consists of Richard E. Caruso, Walter I. Rickard and Judith A. Maynes, held three meetings during fiscal year 2000. COMPENSATION OF DIRECTORS

Outside (i.e., non-employee) directors receive the following fees:

- \$4,375 quarterly retainer fee;
- \$1,000 for each Board of Directors meeting attended; and
- \$750 for each committee meeting attended.

Mr. Farren does not receive a quarterly retainer fee or a fee for attending meetings of the Board of Directors and the Executive Committee.

In fiscal year 1993, the Board of Directors adopted a Non-Employee Director Non-Qualified Stock Option Plan (the "Directors' Plan"), which was approved by the shareholders at the Company's 1993 Annual Meeting. Under the Directors' Plan, non-employee Directors have the right annually to elect to receive non-qualified stock options in lieu of all or a stated percentage of retainer and/or regular quarterly Board meeting attendance fees payable for the upcoming fiscal year. The number of shares covered by such options is determined at the time such fees would otherwise be payable based upon the fair market value of the Company's Common Stock at such times, except, with respect to an election to defer all such fees, such determination shall be based upon 133% of fair market value at such times. Elections are irrevocable.

Under the Directors' Plan, Messrs. Baumgardner and Caruso and George R. Hornig (who served as a director until February 2001), elected for fiscal year

Edgar Filing: SL INDUSTRIES INC - Form DEFR14A

2000 to receive non-qualified stock options in lieu of all such fees. In accordance with such elections, they received options to acquire 6,284 shares, 5,992 shares and 5,408 shares, respectively, during fiscal year 2000.

If the participant dies after becoming eligible for retirement benefits and before the guaranteed retirement benefits have been paid, the unpaid balance of the benefits guaranteed will continue to be paid by the Company to the designated beneficiary.

SEVERANCE AGREEMENTS WITH EXECUTIVE OFFICERS

In March 2001, the Company reported that it had completed its previously announced evaluation of strategic alternatives and had determined to explore a sale of the Company, with the assistance of Credit Suisse First Boston, in order to maximize value for shareholders. In order to preserve the value of the Company during the sale process, the Board of Directors determined that it was in the best interest of the Company to take actions to retain its senior management and key employees during the sale process.

As a result, in May 2001, the Company entered into Change-in-Control Agreements (the "Agreements") with Owen Farren, David R. Nuzzo and Jacob Cherian, respectively, under which the Company would provide certain payments and benefits if the executive officer terminates his employment, or is terminated by the Company, within one year following a change-in-control of the Company. A change-in-control would occur if, for example, a person becomes the beneficial owner of 30 percent or more of the voting power of the Company's outstanding stock or if, under certain circumstances, the present members of the Company's Board of Directors shall no longer constitute a majority of the Board. There are additional events or circumstances which could result in the occurrence of a change-in-control.

The Agreements provide that the executive officer shall receive two times (2.99 times in the case of Mr. Farren) the average of his combined annual salary and cash bonus paid for each of the three full calendar years ending prior to the change-in-control. The executive officer shall also receive medical and other insurance for 24 months (36 months in the case of Mr. Farren) after becoming entitled to receive a change-in-control payment. Each executive officer agrees to remain employed with the Company for certain periods subsequent to a change-in-control upon written request of the Company on or before the date of the change-in-control, and agrees not to compete with the Company for a period of one year after his termination date.

Under certain circumstances, if Messrs. Farren and Nuzzo do not receive the payments contemplated by the Agreements, they will become entitled to receive benefits according to their respective Severance Pay Agreements, as described below.

In 1991, the Company entered into a Severance Pay Agreement with Mr. Farren, providing for payment equal to his annual base salary or \$135,000, whichever is greater, and to continue for a limited time certain fringe benefits in the event of involuntary termination of his employment, or voluntary termination for "good reason." Good reason is defined to include (i) a demotion in position, authority or similar action which would substantially alter the officer's standing in the Company, (ii) a reduction in salary or failure to increase compensation commensurate with other executive officers, (iii) a relocation of the officer's place of employment, (iv) a change of control of the Company, (v) incurring any serious illness or disability, or (vi) any other circumstance as determined by the Board of Directors in good faith.

Edgar Filing: SL INDUSTRIES INC - Form DEFR14A

In 1997, the Company entered into a Severance Pay Agreement with Mr. Nuzzo providing for payment of his annual base salary for a period not greater than 24 months, or until he secures new employment, whichever comes first, but, in any event, not less than 12 months in the event of termination of his employment within six months of a change-in-control of the Company.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal year 2000, the Compensation Committee members were J. Dwane Baumgardner (Chairman), Richard E. Caruso and Walter I. Rickard, all of whom are non-employee directors of the Company.

The information set forth in the following Report of the Compensation Committee of the Board of Directors, the Report of the Audit Committee of the Board of Directors and the Performance Graph shall not be deemed incorporated by reference into any existing or future filings under the Securities Act or the Exchange Act, which incorporate by reference this Proxy Statement, except to the extent that the Company specifically incorporates such information by reference.

11

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is responsible for the establishment of the level and manner of compensation of the Company's executive officers (including its Named Executive Officers). In addition, the Compensation Committee seeks to ensure that sound compensation policies and practices exist and are being followed. During fiscal year 2000, the members of the Compensation Committee were J. Dwane Baumgardner (Chairman), Richard E. Caruso and Walter I. Rickard, all of whom were (and are) non-employee directors of the Company.

The following describes the Compensation Committee's compensation policies applicable to its executive officers (including its Named Executive Officers), including the relationship of corporate performance to executive compensation, with respect to compensation reported for the last fiscal year.

The Compensation Committee believes that executive compensation should be linked to value delivered to shareholders. The Company's compensation programs have been designed to provide a correlation between the financial success of the executive and the shareholders. Both long and short-term incentives are intended to align the interests of executives and shareholders and to reward the executive for building value within the Company.

The functions of the Compensation Committee are to oversee general compensation policies for the Company's employees, to review and approve compensation packages annually for the Company's executive officers and subsidiary presidents, to approve cash incentive programs for all subsidiaries, and to grant stock options to officers of the Company and other key employees as appropriate. The Company seeks to provide executive compensation that will support the achievement of the Company's financial goals, while attracting and retaining talented executives and rewarding superior performance. In performing this function, the Compensation Committee reviews executive compensation surveys, the compensation levels of executive officers of companies in competing businesses and in the Company's geographic markets, and recommendations by Mr. Owen Farren, the Company's President and Chief Executive Officer. The Compensation Committee may also from time to time consult with independent compensation consultants and others.

Edgar Filing: SL INDUSTRIES INC - Form DEFR14A

The Committee's current philosophy is to balance short-term performance of executives with achievement of long-range strategic goals resulting in continuously improving shareholder value, and to engender and preserve a sense of fairness and equity among employees, shareholders, and customers. In keeping with that philosophy, it has set the following objectives: (1) to link a significant portion of annual compensation directly to operating performance; (2) to promote achievement of the Company's long-term strategic goals and objectives; (3) to align the interest of Company executives with long-term shareholder interest; (4) to align the interest of Company employees with long-term shareholder interest; and (5) to attract, retain, and motivate executives critical to the Company's long-term success.

The Company's executive compensation program consists of base salary, annual cash bonus incentive, and stock options. (Along with all other employees, executives also participate in one of the Company's defined contribution pension plans.) Salary levels of executive officers are reviewed annually by the Compensation Committee. In order to align the interests of executive officers with long-term shareholder interest, bonus payments are awarded only if Company performance targets are met. If the Company performance targets are met, bonus payments are based on the achievement of such targets and the achievement of individual performance goals, including certain non-financial performance measurements such as improvements in productivity, improvement of product quality, development and introduction of new products, and relationships with customers. Bonus amounts are calculated after fiscal year-end financial results become available to the Compensation Committee and are determined in accordance with guidelines established by the Compensation Committee. Compensation in any particular case will vary on the basis of the Company's annual and long-term performance as well as individual performance.

No specific weight or relative importance was assigned to the various non-quantitative factors and compensation information which the Compensation Committee considered. Accordingly, the Company's

12

compensation policies and practices may be deemed informal and subjective, although they were based on both the financial and non-financial factors and detailed considerations described above.

The Compensation Committee believes stock options and stock ownership contribute to the aligning of the executive's interests with those of the shareholders. The Company's 1991 Long Term Incentive Plan encourages stock ownership by authorizing the grant of stock options to officers and key employees of the Company. From time to time, the Compensation Committee provides long term incentive compensation in the form of stock options where appropriate as compensation for its executive officers. In determining whether individual stock option grants will be made, the Compensation Committee evaluates each participant's job responsibilities and performance during the last completed fiscal year, as well as the perceived potential that the individual has in contributing to the success of the Company.

The salary for the Company's chief executive officer, Owen Farren, for fiscal year 2000 was established by the Compensation Committee based, in large part, on the performance of the Company during fiscal year 1999. Based on the above considerations, effective January 1, 2000, the Compensation Committee increased Mr. Farren's annual base salary by approximately 6%, from \$252,231 to \$270,000. The increase was reviewed and ratified by the Board of Directors.

Because the Company did not meet its performance targets during fiscal year 2000, the Company did not pay cash bonuses or grant stock options to its

Edgar Filing: SL INDUSTRIES INC - Form DEFR14A

executive officers for fiscal year 2000 (other than the grant of stock options to an executive officer in connection with the commencement of his employment).

Sincerely yours,

Compensation Committee:

J. Dwane Baumgardner, Chairman
Richard E. Caruso
Walter I. Rickard
