COMMON STOCK PURCHASE AGREEMENT

This COMMON STOCK PURCHASE AGREEMENT (this "Agreement") is dated May 23, 2017 ("Agreement Date") by and between Piton Capital Partners LLC (the "Purchaser") and Brian Tepfer (the "Seller").

RECITALS

- A. The Seller is the owner of not less than 679,419 shares of the common stock, par value \$0.0001 per share (the "Shares" or "Purchased Shares"), of uSell.com, Inc., a Delaware corporation (the "Company"); and
- B. The Purchaser wishes to purchase, and the Seller wishes to sell, the Purchased Shares on the terms and conditions set forth in this Agreement.

Now, therefore, in consideration of the mutual covenants and agreements hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **Purchase and Sale.** The Seller hereby agrees to sell, transfer, assign, grant and convey the Purchased Shares to the Purchaser free and clear of all Encumbrances (as defined in Section 2(d)), and the Purchaser hereby agrees to purchase and acquire the Purchased Shares, for consideration of One Dollar (\$1.00) per Purchased Share or an aggregate of \$679,419.00 (the "Purchase Price"). The Purchase Price shall be paid by the Purchaser wiring such amount, in immediately available funds, to an account with Chadbourne & Parke LLP (the "Escrow Agent") as escrow agent for the parties in accordance with the instructions in Annex I hereto (the "Escrow Account") within five (5) Business Days after Purchaser's and Seller's exchange of signed counterpart signature pages to this Agreement (the "Execution Date"). Thereafter, upon Escrow Agent's receipt of a certificate representing the Purchased Shares (the "Certificate"), Escrow Agent shall transfer the Purchase Price to an account designated by Seller in accordance with the instructions in Annex I hereto (the "Seller's Account") and shall deliver the Certificate to Purchaser. The Certificate shall be duly endorsed in blank or accompanied by stock powers or other instruments of transfer duly executed in blank, with all required stock transfer tax stamps affixed thereto. The term "Business Day" shall mean a day (excluding Saturdays, Sundays and public holidays) on which banks are open for all forms of normal commercial business in New York City. For purposes of this Agreement, a party's timely delivery of any payment or document to Escrow Agent shall constitute timely delivery of such payment or document by that party. The parties acknowledge and agree that the Purchased Shares are not "Option Shares" (as defined in that certain Common Stock Purchase and Option Agreement dated December 20, 2016 between Purchaser and Seller (as may be amended from time to time, the "Common Stock Purchase and Option Agreement")), and the Purchaser's purchase of the Purchase Shares under this Agreement does not reduce or otherwise impact the Option (as defined in the Common Stock Purchase and Option Agreement).
-

2. Representations and Warranties of the Seller. In order to induce the Purchaser to purchase the Purchased Shares, Seller represents and warrants that as of the Agreement Date:

a. Seller has full power and capacity to execute and deliver this Agreement and to perform its obligations under this Agreement.

Seller's execution, delivery, and performance of this Agreement has not resulted and will not result in a conflict, breach or violation of any provision of (i) any statute, law, writ, order, rule or regulation of any governmental authority applicable to Seller; (ii) any judgment, injunction, decree or determination applicable to Seller; or (iii) any contract, indenture, mortgage, loan agreement, note, lease or other agreement, document or instrument to which Seller may be a party, by which Seller may be bound or to which any of the assets of Seller is subject.

(i) This Agreement (A) has been duly and validly executed and delivered by Seller and (B) is the legal, valid and binding obligation of Seller, enforceable against Seller in accordance with its terms, except that such enforceability against Seller may be limited by bankruptcy, insolvency, or other similar laws of general applicability affecting the enforcement of creditors' rights generally and by the court's discretion in relation to equitable remedies; and (ii) no notice to, registration with, consent or approval of or any other action by any relevant governmental authority or other person is, will be, or was required for Seller to execute, deliver, and perform its obligations under this Agreement, assuming that the representations and warranties of Purchaser are true and correct.

Seller is the sole legal and beneficial owner of and has good title to the Purchased Shares, free and clear of any charge, claim, hypothecation, community property interest, pledge, condition, equitable interest, lien (statutory or other), option, security interest, security arrangement, mortgage, easement, encroachment, right of first refusal, or restriction of any kind, including any restriction on use, voting, transfer, receipt of income or exercise of any other attribute of ownership or other adverse claim against title of any kind ("Encumbrance"). The Purchased Shares are not subject to any prior sale, transfer, assignment or participation by Seller or any agreement by Seller to assign, convey, transfer or participate, in whole or in part.

No proceedings are pending against Seller or to Seller's knowledge, threatened against Seller before any relevant governmental authority that, in the aggregate, will materially and adversely affect (i) the Purchased Shares or (ii) any action taken or to be taken by Seller under this Agreement.

Seller has not engaged in any acts or conduct or made any omissions that will result in Purchaser receiving proportionately less in payments or distributions under, or less favorable treatment for, the Purchased Shares than is received by other holders holding Shares of the same tranche, class or type as the Purchased Shares.

g. No broker, finder or other entity acting under Seller's authority is entitled to any broker's commission or other fee in connection with the transactions contemplated by this Agreement for which Purchaser could be responsible.

h. Seller acknowledges that the consideration given for the purchase by the Purchaser of the Purchased Shares may differ both in kind and in amount from any payments or distributions which the Purchaser may ultimately receive with respect to the Purchased Shares, and the Seller shall not have any recourse to the Purchaser for any deficiency.

i. Seller (i) is a sophisticated seller with respect to the sale of the Purchased Shares, (ii) has adequate information concerning the business and financial condition of the Company to make an informed decision regarding the sale of the Purchased Shares and (iii) has independently and without reliance upon Purchaser, and based on such information as Seller has deemed appropriate, made its own analysis and decision to enter into this Agreement. Seller acknowledges that Purchaser has not given Seller any investment advice, credit information, or opinion on whether the sale of the Purchased Shares is prudent.

j. Seller acknowledges that (i) Purchaser currently may have, and later may come into possession of, information with respect to the Shares, the Company or any of its affiliates that is not known to Seller and that may be material to a decision to sell the Purchased Shares ("Seller Excluded Information"), (ii) Seller has determined to sell the Shares notwithstanding its lack of knowledge of the Seller Excluded Information and (iii) Purchaser shall have no liability to Seller, and Seller waives and releases any claims that it might have against Purchaser whether under applicable securities laws or otherwise, with respect to the nondisclosure of the Seller Excluded Information in connection with the transactions contemplated by this Agreement; provided, however, that the Seller Excluded Information shall not and does not affect the truth or accuracy of Purchaser representations or warranties in this Agreement.

k. The Purchased Shares have not been registered under the Securities Act of 1933, as amended (the "Act"), are "restricted securities" as defined in Rule 144 under the Act, and may not be offered, sold or otherwise transferred in the absence of an effective registration statement with respect to the Purchased Shares or an exemption from the registration requirements under the Act. Seller has not made any offers to sell, or solicitations of any offers to buy, all or any portion of the Purchased Shares in violation of any applicable securities laws.

l. Seller is not a party to, or bound by, any document or agreement that could adversely affect the Purchased Shares or Purchaser rights and remedies under this Agreement.

m. Seller has not and, to the best of Seller's knowledge, no one acting on its behalf has, taken any action, other than in connection with the transactions contemplated by this Agreement, which could subject the sale of the Purchased Shares to Section 5 of the Act.

n. Seller is fully aware that, with regard to the sale of the Purchased Shares, the Purchaser is relying upon the truth and accuracy of these representations and warranties. No representation or warranty by Seller in this Agreement and no statement contained in this Agreement or any certificate or other document furnished or to be furnished to Purchaser pursuant to this Agreement contains any untrue statement of a material fact, or omits to state a material fact necessary to make the statements contained therein, in light of the circumstances in which they are made, not misleading.

o. The Purchased Shares transferred to Purchaser hereunder are being delivered pursuant to an exemption from the registration requirements under the Act in reliance upon the representations and warranties of Purchaser.

p. Seller is not a "foreign person" as that term is used in Treasury Regulations Section 1.1445-2. The Company is not, nor has it been, a United States real property holding corporation (as defined in Section 897(c)(2) of the Internal Revenue Code of 1986, as amended (the "Code")) during the applicable period specified in Section 897(c)(1)(a) of the Code.

q. To Seller's knowledge, there has been no event, occurrence or development that has had, or could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect with respect to the Company since the date of the Company's last public filing pursuant to the Act or the Securities Exchange Act of 1934, as the case may be, and the applicable rules and regulations promulgated thereunder. "Material Adverse Effect" means any event, occurrence, fact, condition or change that is, or could reasonably be expected to become, individually or in the aggregate, materially adverse to (i) the business, results of operations, condition (financial or otherwise) or assets of the Company, or (ii) the ability of Seller to consummate the transactions contemplated hereby on a timely basis.

3. Purchaser Representations and Warranties. Purchaser makes the following representations and warranties to the Seller in connection with its purchase of the Purchased Shares as of the Agreement Date:

a. The Purchaser has all necessary corporate or other power and authority to enter into this Agreement and to purchase the Purchased Shares;

b. The Purchaser is a sophisticated institutional investor that is an "accredited investor" within the meaning of Rule 501 under the Act and has knowledge and experience in financial and business matters and is capable of evaluating the merits and risks of its investment in the Purchased Shares and is able to bear the economic risk of such investment.

c. The Purchaser is acquiring the Purchased Shares and for its own account, and not with a view to, or for sale in connection with any, distribution thereof.

d. The Purchased Shares were not offered or sold to Purchaser by any form of general solicitation or general advertising.

e. Purchaser acknowledges that the Purchased Shares and purchased pursuant to this Agreement will be "restricted securities" as defined in Rule 144 under the Act and may not be offered, sold or otherwise transferred by Purchaser in the absence of an effective registration statement with respect to the Purchased Shares or an exemption from the registration requirements under the Act.

f. Purchaser acknowledges that the certificate(s) representing the Purchased Shares will contain a standard securities law restrictive legend.

#### 4. Seller Covenants.

a. Seller agrees to take all actions as may be required, including delivery of opinions of counsel, to effect the transfer of the Purchased Shares purchased by Purchaser and to register Purchaser as the record owner of such Purchased Shares and on the stock transfer records of the Company.

b. From time to time, at the request of Purchaser and without further consideration, Seller shall execute and deliver to Purchaser such other documents, and take such other action, as Purchaser may reasonably request in order to consummate or evidence more effectively the transactions contemplated hereby and to vest in Purchaser good, valid, and marketable title to the Shares.

c. On demand of Purchaser and prior to closing the purchase of the Purchased Shares, Seller agrees to deliver to Purchaser a certificate pursuant to Treasury Regulations Section 1.1445-2(b) that Seller is not a foreign person within the meaning of Section 1445 of the Code.

d. All transfer, documentary, sales, use, stamp, registration, value added and other such taxes, expenses, costs and fees (including any penalties and interest) incurred in connection with this Agreement (including any real property transfer tax and any other similar tax) shall be borne and paid by Seller when due. Seller shall, at its own expense, timely file or submit any tax return or other document with respect to such taxes, expenses, costs or fees (and Purchaser shall cooperate with respect thereto as necessary).

#### 5. Indemnification.

a. Seller agrees to indemnify and hold the Purchaser harmless against and in respect of any and all damages, losses, liabilities, obligations, costs and expenses (including reasonable attorney's fees) (collectively "Damages") that the Purchaser may suffer or incur as a result of a breach of any of the representations, warranties or agreements by the Seller set forth herein.

- b. Purchaser agrees to indemnify and hold the Seller harmless against and in respect of any and all Damages that the Seller may suffer or incur as a result of a breach of any of the representations, warranties or agreements by the Purchaser set forth herein.

- c. All indemnification payments made under this Agreement shall be treated by the parties as an adjustment to the Purchase Price for tax purposes, unless otherwise required by law.

6. Miscellaneous.

- a. Expenses. Each party shall bear the costs and expenses (including, without limitation, attorney's fees) incurred by such party in connection with the transactions contemplated by this Agreement.

- b. Notices. The Purchased Shares are not subject to any prior sale, transfer, assignment or participation by Seller or any agreement by Seller to assign, convey, transfer or participate, in whole or in part.

No proceedings are pending against Seller or to Seller's knowledge, threatened against Seller before any relevant governmental authority that, in the aggregate, will materially and adversely affect (i) the Purchased Shares or (ii) any action taken or to be taken by Seller under this Agreement.

g. No broker, finder or other entity acting under Seller's authority is entitled to any broker's commission or other fee in connection with the transactions contemplated by this Agreement for which Purchaser could be responsible.

h. Seller acknowledges that the consideration given for the purchase by the Purchaser of the Purchased Shares may differ both in kind and in amount from any payments or distributions which the Purchaser may ultimately receive with respect to the Purchased Shares, and the Seller shall not have any recourse to the Purchaser for any deficiency.

i. Seller (i) is a sophisticated seller with respect to the sale of the Purchased Shares, (ii) has adequate information concerning the business and financial condition of the Company to make an informed decision regarding the sale of the Purchased Shares and (iii) has independently and without reliance upon Purchaser, and based on such information as Seller has deemed appropriate, made its own analysis and decision to enter into this Agreement. Seller acknowledges that Purchaser has not given Seller any investment advice, credit information, or opinion on whether the sale of the Purchased Shares is prudent.

j. Seller acknowledges that (i) Purchaser currently may have, and later may come into possession of, information with respect to the Shares, the Company or any of its affiliates that is not known to Seller and that may be material to a decision to sell the Purchased Shares ("Seller Excluded Information"), (ii) Seller has determined to sell the Shares notwithstanding its lack of knowledge of the Seller Excluded Information and (iii) Purchaser shall have no liability to Seller, and Seller waives and releases any claims that it might have against Purchaser whether under applicable securities laws or otherwise, with respect to the nondisclosure of the Seller Excluded Information in connection with the transactions contemplated by this Agreement; provided, however, that the Seller Excluded Information shall not and does not affect the truth or accuracy of Purchaser representations or warranties in this Agreement.

No representation or warranty by Seller in this Agreement and no statement contained in this Agreement or any certificate or other document furnished or to be furnished to Purchaser pursuant to this Agreement contains any untrue statement of a material fact, or omits to state a material fact necessary to make the statements contained therein, in light of the circumstances in which they are made, not misleading.

The Purchased Shares transferred to Purchaser hereunder are being delivered pursuant to an exemption from the registration requirements under the Act in reliance upon the representations and warranties of Purchaser.
