To the Shareholders of
Ohio Valley Banc Corp.

Notice is hereby given that the Annual Meeting of Shareholders (the "Annual Meeting") of Ohio Valley Banc Corp. (the "Company") will be held at the Morris and Dorothy Haskins Ariel Theatre, 426 Second Avenue, Gallipolis, Ohio, on Wednesday, the 13th day of April, 2005, at 5:00 p.m., Eastern Daylight Savings Time, for the following purposes:

You are cordially invited to attend the Annual Meeting. The vote of each shareholder is important, whatever the number of common shares held. Whether or not you plan to attend the Annual Meeting, please sign, date and return the enclosed proxy promptly in the enclosed postage-paid, return-addressed envelope. Should you attend the Annual Meeting, you may revoke your proxy and vote in person if you are a registered shareholder. Attendance at the Annual Meeting will not, in and of itself, constitute revocation of your proxy.

BY ORDER OF THE BOARD OF DIRECTORS

Jeffrey E. Smith
President and Chief Executive Officer

OHIO VALLEY BANC CORP.
P.O. Box 240
Gallipolis, Ohio 45631

March 23, 2005

PROXY STATEMENT

This proxy statement and the accompanying proxy are first being mailed on or about March 23, 2005 to shareholders of Ohio Valley Banc Corp. (the "Company") regarding the Annual Meeting of Shareholders to be held at the Morris and Dorothy Haskins Ariel Theatre, 426 Second Avenue, Gallipolis, Ohio, on Wednesday, April 13, 2005, at 5:00 p.m., Eastern Daylight Savings Time (the "Annual Meeting").

A proxy for use at the Annual Meeting accompanies this proxy statement and is solicited by the Board of Directors of the Company. You may ensure your representation by completing, signing, dating and promptly returning the enclosed proxy in the envelope provided. Without affecting any vote previously taken, you may revoke your proxy at any time before it is voted at the Annual Meeting (1) by giving written notice of revocation to the Secretary of the Company, at the address of the Company set forth on the cover page of this proxy statement; (2) by executing a later-dated proxy which is received by the Company

Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

prior to the Annual Meeting; or (3) if you are the registered owner of your common shares, by attending the Annual Meeting and giving notice of revocation in person. Attendance at the Annual Meeting will not, in and of itself, constitute revocation of a proxy.

If you hold your common shares in "street name" with a broker, financial institution or other holder of record, you may be eligible to appoint your proxy electronically via the Internet or telephonically and you may incur costs associated with the electronic access. If you hold your common shares in street name, you should review the information provided to you by the holder of record. This information will describe the procedures to be followed in instructing the holder of record how to vote the street name common shares and how to revoke previously given instructions.

Only shareholders of record at the close of business on March 16, 2005, are entitled to receive notice of and to vote at the Annual Meeting and any adjournment. As of February 28, 2005, 3,430,859 common shares were outstanding and entitled to vote at the Annual Meeting. Each common share entitles the holder thereof to one vote on each matter submitted to the shareholders at the Annual Meeting. A quorum for the Annual Meeting is a majority of the outstanding common shares.

The Company will bear the costs of preparing, printing and mailing this proxy statement, the accompanying proxy and any other related materials, as well as all other costs incurred in connection with the solicitation of proxies on behalf of the Company's Board of Directors other than the Internet access and telephone usage charges a shareholder may incur if a proxy is appointed electronically through a holder of record. Proxies will be solicited by mail and may be further solicited, for no additional compensation, by officers, directors or employees of the Company and its subsidiaries by further mailing, telephone, facsimile or personal contact. The Company will also pay the standard charges and expenses of brokers, voting trustees, financial institutions and other custodians, nominees and fiduciaries, who are record holders of common shares not beneficially owned by them, for forwarding materials to the beneficial owners of common shares entitled to vote at the Annual Meeting.

If you are a participant in the Ohio Valley Banc Corp. Employee Stock Ownership Plan (the "ESOP") and common shares have been allocated to your account in the ESOP, you will be entitled to instruct the trustee of the ESOP how to vote those common shares and you will receive your voting instructions separately. If no instructions are given by you to the trustee of the ESOP, the trustee will vote the common shares allocated to your ESOP account in its sole discretion.

The inspectors of election appointed for the Annual Meeting will tabulate the results of shareholder voting. Common shares represented by properly executed proxies returned to the Company prior to the Annual Meeting will be counted toward the establishment of a quorum for the Annual Meeting even though they are marked "ABSTAIN," "AGAINST," "WITHHOLD AUTHORITY TO VOTE FOR ALL NOMINEES," "VOTE FOR ALL EXCEPT" or not at all. Brokers who hold common shares in street name may, under the applicable rules of the exchange and other self-regulatory organizations of which the brokers are members, sign and submit proxies for such common shares and may vote such common shares on routine matters such as the election of Directors. However, brokers who hold common shares in street name may not vote such common shares on non-routine matters, including proposals to approve equity-based compensation plans, without specific instructions from the customer who owns the common shares. Proxies that are signed and submitted by brokers that have not been voted on certain matters as described in the previous sentence are referred to as broker non-votes. Broker non-votes count toward the establishment of a quorum for the Annual Meeting.

Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The Company's Directors and executive officers as well as any persons holding more than 10% of the Company's outstanding common shares are required to report their initial ownership of common shares and any subsequent changes in their ownership to the SEC. Specific due dates have been established by the SEC for such filings, and the Company is required to disclose in this proxy statement any failure to file by those dates. Based on its review of (1) Section 16(a) reports filed on behalf of these individuals for their transactions during the Company's 2004 fiscal year and (2) documentation received from one or more of these individuals that no annual Form 5 reports were required to be filed by them for the Company's 2004 fiscal year, the Company believes that all SEC filing requirements were met, except that Robert H. Eastman, a Director of the Company, did not timely file a Form 4 reporting the acquisition of 2,000 of the Company's common shares in July 2004.

PROXY ITEM 1: ELECTION OF DIRECTORS

The Company's Board of Directors consists of nine members - three in the class whose terms expire at the Annual Meeting, three in the class whose terms expire in 2006 and three in the class whose terms expire in 2007. Harold A. Howe was elected as a Director of the Company effective January 18, 2005 to fill the vacancy created by the retirement of James L. Dailey on the same date. Mr. Howe was recommended to the Nominating and Corporate Governance Committee by Jeffrey E. Smith, President and Chief Executive Officer.

The Board of Directors has reviewed, considered and discussed each Director's relationships, both direct and indirect, with the Company and its subsidiaries and the compensation and other payments each Director has both, directly or indirectly, received from or made to the Company and its subsidiaries in order to determine whether such Director qualifies as

Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

independent under Rule 4200(a)(15) of the Marketplace Rules of the Nasdaq Stock Market ("Nasdaq"), and has determined that the Board has at least a majority of independent Directors. The Board of Directors has determined that each of the following Directors has no financial or personal ties, either directly or indirectly, with the Company or its subsidiaries (other than compensation as a Director of the Company and its subsidiaries, banking relationships in the ordinary course of business with Ohio Valley Bank (the "Bank") and ownership of common shares of the Company as described in this proxy statement) and thus qualifies as an independent Director under Nasdaq Marketplace Rule 4200(a)(15): Anna P. Barnitz, W. Lowell Call, Steven B. Chapman, Robert H. Eastman, Lannes C. Williamson and Thomas E. Wiseman.

The Board of Directors proposes that each of the three nominees identified below be re-elected for a new three-year term. Each nominee was recommended to the Board of Directors by the Nominating and Corporate Governance Committee. Each person elected as a Director at the Annual Meeting will hold office for a term of three years and until his successor is duly elected and qualified or until his earlier resignation, removal from office or death. The three nominees for election as Directors receiving the greatest number of votes will be elected. Common shares represented by properly executed and returned proxies will be voted FOR the election of the Board of Directors' nominees unless authority to vote for one or more nominees is withheld. Common shares as to which the authority to vote is withheld will be counted for quorum purposes, but will not be counted toward the election of Directors or toward the election of the individual nominees specified on the proxy.

5

The following table gives certain information, as of February 28, 2005, concerning each nominee for election as a Director of the Company. Unless otherwise indicated, each individual has had the same principal occupation for more than five years.

NOMINEES FOR ELECTION FOR TERMS EXPIRING IN 2008

Name	Age	Position(s) Held with the Company and Its Subsidiaries and Principal Occupation(s)	Director of the Bank Since	Director of the Company Since

Brent A. Saunders	47	Attorney at Law, Halliday, Sheets & Saunders (Partner)	2001	2003

The Board of Directors recommends that shareholders vote FOR the election of the above nominees.

While it is contemplated that all nominees will stand for election, if one or more nominees at the time of the Annual Meeting should be unavailable or unable to serve as a candidate for election as a Director, the individuals

Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

designated as proxy holders reserve full discretion to vote the common shares represented by the proxies they hold for the election of the remaining nominees and for the election of any substitute nominee or nominees designated by the Board of Directors. The Board of Directors knows of no reason why any of the nominees named above will be unavailable or unable to serve if elected to the Board.

6

The following table gives certain information concerning the current Directors who will continue to serve after the Annual Meeting. Unless otherwise indicated, each individual has had the same principal occupation for more than five years.

Meetings of and Communications with the Board of Directors

The Board of Directors held a total of twelve (12) meetings during the 2004 fiscal year. Each incumbent Director attended 75% or more of the aggregate of the total number of meetings held by the Board of Directors and the total number

Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

of meetings held by all committees of the Board of Directors on which the Director served, in each case during the Director's period of service in the 2004 fiscal year. In accordance with applicable Nasdaq Marketplace Rules, the independent directors meet in executive session as appropriate matters for their consideration arise.

The Company encourages all incumbent Directors and Director nominees to attend each annual meeting of shareholders. All of the incumbent Directors and Director nominees attended the Company's last annual meeting of shareholders held on April 14, 2004.

The Company has an informal process by which shareholders may communicate directly with Directors. Any communication to the Board may be mailed to Thomas E. Wiseman, Lead Director, in care of Investor Relations at the Company's headquarters, P.O. Box 240, Gallipolis, Ohio 45631. The mailing envelope should contain a clear notation indicating that the enclosed letter is a "Shareholder-Board Communication" or "Shareholder-Director Communication." There is no screening process, and all shareholder communications that are received for the Board's attention will be forwarded to all Directors. The Board may consider the development of more specific communication procedures in the future, including procedures whereby shareholders may communicate directly with specific Directors.

Committees of the Board

The Board of Directors has four standing committees: the Audit Committee, the Compensation and Management Succession Committee, the Executive Committee and the Nominating and Corporate Governance Committee.

Audit Committee

The Audit Committee is comprised of Anna P. Barnitz, W. Lowell Call, Steven B. Chapman (Chairman) and Lannes C. Williamson. The Board of Directors has determined that each member of the Audit Committee qualifies as independent under Nasdaq Marketplace Rules 4200(a)(15) and 4350(d)(2) as well as under Rule 10A-3 promulgated under the Exchange Act.

The Board of Directors believes that each member of the Audit Committee has substantial financial experience and is highly qualified to discharge such member's duties. Additionally, the Board of Directors has determined that Steven B. Chapman qualifies as an "audit committee financial expert" for purposes of Item 401(h) of SEC Regulation S-K based on his training and experience as a Certified Public Accountant. The Board of Directors has determined that Mr. Chapman is capable of (i) understanding accounting principles generally accepted in the United States ("US GAAP") and financial statements, (ii) assessing the general application of US GAAP in connection with the accounting for estimates, accruals and reserves, (iii) analyzing and evaluating the Company's consolidated financial statements, (iv) understanding internal control over financial reporting, and (v) understanding audit committee functions.

8

The Audit Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors, which is attached to this proxy statement as Appendix A. A current copy of the charter of the Audit Committee is also posted on the "Investor Relations" page of the Company's website at www.ovbc.com under "Charters." At least annually, the Audit Committee reviews and reassesses the adequacy of its charter and recommends changes to the full Board as necessary. The Audit Committee is responsible for:

Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

- o appointing, compensating and overseeing the independent registered public accounting firm employed by the Company for the purpose of preparing or issuing an audit report or performing related work; and
- o establishing procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters.

In addition, the Audit Committee reviews and pre-approves all audit and permitted non-audit services provided by the Company's independent registered public accounting firm and ensures that the registered public accounting firm is not engaged to perform the specific non-audit services prohibited by law, rule or regulation. The Audit Committee will also carry out such other responsibilities as may be delegated to the Audit Committee by the full Board. The Audit Committee held thirteen meetings during the 2004 fiscal year.

Compensation and Management Succession Committee

The Compensation and Management Succession Committee is comprised of W. Lowell Call, Robert H. Eastman and Thomas E. Wiseman (Chairman). The Board of Directors has determined that each member of the Compensation and Management Succession Committee qualifies as independent under Nasdaq Marketplace Rule 4200(a)(15). In addition, the Board of Directors has determined that each member of the Compensation and Management Succession Committee qualifies as an "outside director" for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended, and as a "non-employee director" for purposes of Rule 16b-3 under the Exchange Act.

The Compensation and Management Succession Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors. A current copy of the charter of the Compensation and Management Succession Committee is posted on the "Investor Relations" page of the Company's website at www.ovbc.com under "Charters." The Compensation and Management Succession Committee periodically reviews and reassesses the adequacy of its charter and recommends changes to the full Board as necessary.

The purpose of the Compensation and Management Succession Committee is to discharge the responsibilities of the Board of Directors relating to compensation of the Company's Directors and executive officers and to prepare an annual report on executive compensation for inclusion in the proxy statement for the Company's annual meeting of shareholders. The Compensation and Management

Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

Succession Committee will also carry out such other responsibilities as may be delegated to it by the full Board.

The Compensation and Management Succession Committee is responsible for reviewing and approving goals and objectives relevant to the compensation of the Company's executive officers (including the Chief Executive Officer), evaluating such executive officers' performance in light of those goals and objectives and determining compensation based on that evaluation. The Compensation and Management Succession Committee is also responsible for reviewing the Company's incentive compensation programs and retirement plans, and recommending changes to such programs and plans to the Board of Directors as necessary. The Compensation and Management Succession Committee also reviews any severance or other termination arrangements to be entered into with the Company's executive officers. The Compensation and Management Succession Committee held seven meetings during the 2004 fiscal year.

Executive Committee

The Executive Committee is comprised of Steven B. Chapman, James L. Dailey (member until January 18, 2005), Robert H. Eastman, Harold A. Howe (member since January 18, 2005), Brent A. Saunders, Jeffrey E. Smith (Chairman) and Thomas E. Wiseman. The Executive Committee is authorized to act in the intervals between meetings of the Directors on matters delegated by the full Board. There were five meetings of the Executive Committee during the 2004 fiscal year.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of Steven B. Chapman, Robert H. Eastman (Chairman) and Thomas E. Wiseman. The Board of Directors has determined that each member of the Nominating and Corporate Governance Committee qualifies as independent under Nasdaq Marketplace Rule 4200(a)(15). The purposes of the Nominating and Corporate Governance Committee are to:

- o identify qualified candidates for election, nomination or appointment to the Board and recommend to the full Board a slate of Director nominees for each annual meeting of the shareholders of the Company;
- o make recommendations to the full Board regarding the Directors who shall serve on committees of the Board; and
- o undertake such other responsibilities as may be referred to the Nominating and Corporate Governance Committee by the full Board.

The Nominating and Corporate Governance Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors. A current copy of the charter of the Nominating and Corporate Governance Committee is posted on the "Investor Relations" page of the Company's website at www.ovbc.com under "Charters." The Nominating and Corporate Governance Committee periodically reviews and reassesses the adequacy of its charter and recommends changes to the full Board as necessary. The Nominating and Corporate Governance Committee held five meetings during the 2004 fiscal year.

10

Nominating Procedures

As described above, the Company has a standing Nominating and Corporate Governance Committee that has the responsibility to identify and recommend individuals qualified to become Directors. The Nominating and Corporate

Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

Governance Committee recommended the nominees for election as Directors at the Annual Meeting. When considering potential candidates for the Board, the Nominating and Corporate Governance Committee strives to assure that the composition of the Board, as well as its practices and operation, contributes to value creation and to the effective representation of the Company's shareholders. The Nominating and Corporate Governance Committee may consider those factors it deems appropriate in evaluating Director candidates including experience, reputation and geographic location. Depending upon the current needs of the Board, certain factors may be weighed more or less heavily by the Nominating and Corporate Governance Committee. From time to time, the Nominating and Corporate Governance Committee may deem it prudent to recruit individuals with education and expertise in a specific discipline, such as accounting, finance or law.

In considering candidates for the Board, the Nominating and Corporate Governance Committee evaluates the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met by a Nominating and Corporate Governance Committee-recommended nominee. However, the Nominating and Corporate Governance Committee does believe that all members of the Board should have the highest character and integrity; a reputation for working constructively with others; sufficient time to devote to Board matters; and no conflict of interest that would interfere with performance as a Director. Additionally, the Company is a highly-regulated institution and all Director candidates are subject to the requirements of applicable federal and state banking laws and regulations.

The Nominating and Corporate Governance Committee considers candidates for the Board from any reasonable source, including recommendations from shareholders and existing Directors. The Nominating and Corporate Governance Committee does not evaluate candidates differently based on who has made the recommendation. The Nominating and Corporate Governance Committee has the authority to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. No such consultants or search firms have been used to date and, accordingly, no fees have been paid to consultants or search firms.

Shareholders may recommend Director candidates for consideration by the Nominating and Corporate Governance Committee by writing to Robert H. Eastman, the Chairman of the Nominating and Corporate Governance Committee, at the Company's executive offices, P.O. Box 240, Gallipolis, Ohio 45631. The recommendation should give the candidate's name, age, business address, residence address, principal occupation or employment and number of common shares beneficially owned. The recommendation should also describe the qualifications, attributes, skills or other qualities of the recommended Director candidate. A written statement from the candidate consenting to be named as a Director candidate and, if nominated and elected, to serve as a Director should accompany any such recommendation.

11

Shareholders who wish to nominate an individual for election as a Director at an annual meeting of the shareholders of the Company must comply with the Company's Code of Regulations regarding shareholder nominations. Shareholder nominations must be made in writing and delivered or mailed to Robert H. Eastman, the Chairman of the Nominating and Corporate Governance Committee, at the Company's executive offices, P.O. Box 240, Gallipolis, Ohio 45631, not less than 14 days nor more than 50 days prior to any meeting of shareholders called for the election of Directors. However, if less than 21 days' notice of the meeting is given to the shareholders, the nomination must be mailed or delivered to the Chairman of the Nominating and Corporate Governance Committee not later than the close of business on the seventh day following the day on which the notice of the meeting was mailed to the shareholders. Each nomination must

contain the following information to the extent known by the nominating shareholder: (a) the name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the total number of common shares of the Company that will be voted for each proposed nominee; (d) the name and residence address of the nominating shareholder; (e) the number of common shares of the Company beneficially owned by the nominating shareholder; and (f) any other information required to be disclosed with respect to a nominee for election as a Director under the proxy rules promulgated under the Exchange Act. Nominations not made in accordance with the Company's Code of Regulations will not be considered.

Report of the Compensation and Management Succession Committee of the Board of Directors on Executive Compensation

Philosophy. The compensation philosophy of the Company and the Bank is that compensation of its executive officers and others should be directly linked to corporate operating performance. To achieve this correlation, executive compensation is heavily weighted toward bonuses paid on the basis of corporate operating performance in both the short run and the long run. In years when the Company has performed well, its officers have received greater compensation and in less profitable years, the officers' pay has been negatively impacted to a substantial degree. The cash compensation program for executive officers consists of two elements: a base salary component and a bonus component.

14

Decision-Making Process. The executive officers of the Company receive no compensation from the Company. Instead, they are paid by the Bank for services rendered in their capacity as executive officers of the Bank.

In 1993, the Company adopted a comprehensive wage and salary administration plan for the Company and the Bank to be used for all employees, including executive officers. That plan consists of a number of components: a job grading process for all jobs in the Company; a performance appraisal process; and a total compensation benchmarking process to determine compensation market ranges for all job grades. The components of this plan also apply to both executive officers and non-executive officers. In 2001, a compensation market range was developed by Crowe, Chizek and Company LLC ("Crowe Chizek") for all jobs of the Company including that of Jeffrey E. Smith. These ranges are reviewed annually using the Crowe Chizek Bank Compensation Survey Data.

Base Salary. The objectives of the base salary component of the cash compensation plan is to maintain a consistently applied and comprehensively administered system which evaluates and compensates both executive and non-executive officers. This system seeks to recognize and reward individual performance. In addition, the system periodically benchmarks jobs in the banking and financial services industry to insure the Company's officers are compensated competitively by job grade and pay range as compared to other financial services companies similar in size to the Company. The Compensation and Management Succession Committee evaluated the ability of Mr. Smith and the other executive officers to achieve or exceed the expected requirements of their jobs based on the following 10 specific criteria (the "Evaluation Criteria"): 1) job knowledge-information, 2) priority setting, 3) delegation of duties, 4) decisiveness, 5) creativity, 6) written & oral communication, 7) initiative & adaptability, 8) teamwork & open-mindedness, 9) work efficiency & follow-through, and 10) goal setting. The evaluation conducted by the Compensation and Management Succession Committee assessed the executive officers' performance in each of the 10 criteria on a range from 1, the lowest, to 5, the highest, in increments of .25. These performance ratings and position in the marketplace range generated a base salary for fiscal 2004 of \$130,892, \$69,279, \$67,790, \$68,468 and \$56,649 for Messrs. Smith, Mahan, Miller, Ms. Hart and Mrs. Bostic, respectively.

Bonuses. The objectives of the bonus component of the Company's cash compensation program are to: (i) motivate executive officers and other employees and reward such persons for the accomplishment of both short-term and long-term objectives of the Company and the Bank, (ii) reinforce a strong performance orientation with differentiation and variability in individual awards based on contribution to both annual and long-range business results and (iii) provide a fully competitive compensation package which will attract, reward, and retain

individuals of the highest quality.

The aggregate bonus paid annually to officers, both executive and non-executive, has two elements: a component based on progress toward long range business objectives (the "Long Range Bonus") and a component based on annual results (the "Annual Results Bonus"). The objective of these two components is to provide an appropriate balance in emphasis between long term performance and short term results. The aggregate amount of the Long Range Bonus available for award to all officers (both executive and non-executive) of the Bank is determined annually by the Board upon the recommendation of the Compensation and

15

Management Succession Committee. The portion of the aggregate Long Range Bonus paid to each officer, including President Smith, is a function of the individual officer's job performance using the Evaluation Criteria referenced above as applied to a pre-determined bonus grid. Each officer is evaluated by his or her immediate supervisor, except for the executive officers of the Company who are evaluated by the Compensation and Management Succession Committee. The Long Range Bonus paid for fiscal 2004 performance was \$71,553, \$51,554, \$46,266, \$46,266 and \$44,937 for Messrs. Smith, Mahan, Miller, Ms. Hart and Mrs. Bostic, respectively.

The aggregate amount of and the specific goals for the Annual Results Bonus are approved annually by the Board upon the recommendation of the Compensation and Management Succession Committee. The specific goals established for the Annual Results Bonus can consist of one or more specific targets such as: efficiency ratio, return on assets, return on equity, earnings growth, and asset quality. The specific goals targeted for fiscal 2004 were: earnings growth, return on assets, return on equity, and asset quality. The Compensation and Management Succession Committee met with Mr. Smith and the other executive officers four (4) times during 2004 to review their individual performance as well as the progress toward the accomplishment of these goals. The evaluation by the Compensation and Management Succession Committee generated an Annual Results Bonus in respect of fiscal 2004 performance of \$12,000, \$2,000, \$2,000, \$2,000 and \$1,750 for Messrs. Smith, Mahan, Miller, Ms. Hart and Mrs. Bostic, respectively.

Profit Sharing Retirement Plan. The Company sponsors a qualified Profit Sharing Retirement Plan for all of its employees, including executive officers. Each employee who is at least 21 years of age, has completed 1,000 hours and one year of service to the Company and its subsidiaries, and is employed on the last day of the plan year is qualified to participate in the Profit Sharing Retirement Plan. In December 2004, the Board of Directors voted to contribute \$163,632 to the Profit Sharing Retirement Plan. Each participant received a pro rata share of this contribution as well as a pro rata share of reallocated forfeitures (such pro rata share, in each case, based upon such participant's eligible compensation). The executive officers' share of the 2004 contribution and reallocated forfeitures is reported in the Summary Compensation Table on page 13.

401(k) Retirement Plan. The Company sponsors a qualified 401(k) Plan under the Profit Sharing Retirement Plan. Participant qualifications are identical to those of the Profit Sharing Retirement Plan. In cases where participants made deferrals to the 401(k) plan, the Company contributed 25% of the first 4% of the deferral amount, not to exceed 1% of plan compensation. The executive officers' share of the 2004 contribution and reallocated forfeitures is reported in the Summary Compensation Table on page 13.

ESOP. The Company sponsors the ESOP for all of its employees, including executive officers. Participant qualifications are identical to those of the

Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

Profit Sharing Retirement Plan. In December 2004, the Board of Directors voted to contribute \$327,265 to the ESOP. Each participant's share of contributions and reallocated forfeitures is also identical to those of the Profit Sharing Retirement Plan. The executive officers' share of the 2004 contributions and reallocated forfeitures is reported in the Summary Compensation Table on page 13.

Executive Deferred Compensation Plan. The Company maintains a non-qualified executive deferred compensation plan for all of the Company's executive officers. Participants in the executive deferred compensation plan are subject to the same terms and conditions as participants of the Director deferred compensation plan, as detailed in "Compensation of Directors" on page 17. The cost of providing benefits to the participants of the deferred compensation plan will be offset by the earnings on the life insurance contracts.

16

Supplemental Executive Retirement Plan. The Company maintains a non-qualified supplemental retirement plan (the "SERP") for certain of its executive officers. Participation in the SERP is at the discretion of the Board and is designed to supplement the retirement benefits of such participants. Currently, James L. Dailey and Jeffrey E. Smith participate in the SERP. Under the SERP, life insurance contracts were purchased by the Company in December 1996, based upon a formula determined by the Board of Directors for each participant. The Company is the owner of the contracts. Generally the target benefit is equal to 70% of a participant's final year's annual compensation at age 65:

- o less the participant's projected benefit under the Company's qualified retirement plans and
- o less the participant's projected Social Security benefit.

In the event of a participant's death while actively employed by the Company, the participant's designated beneficiary will be entitled to the payment of such benefits. The cost of providing the benefits will be offset by the earnings and death benefits of the life insurance contracts.

The decision-making process and compensation philosophy of the Company and the Bank were considered by the Compensation and Management Succession Committee when determining 2004 compensation for Jeffrey E. Smith, President and Chief Executive Officer, of the Company and the Bank. The Compensation and Management Succession Committee believes that the compensation earned by Mr. Smith in 2004 was fair and reasonable when compared with executive compensation levels in the banking industry as reported in the marketplace range developed. Mr. Smith's compensation ranked in the middle one-third of the total compensation marketplace range for his grade.

Compensation of Directors

All of the Directors of the Company also serve as Directors of the Bank. Members of the Board of Directors of the Company receive compensation for their services rendered as Directors of the Bank, not the Company. In 2004, each Director who was not an employee of the Company or any of its subsidiaries received \$550 per month for his or her service as a member of the Board of Directors of the Bank. Directors who were employees of a subsidiary of the

Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

Company received \$350 per month in 2004 for their services. In addition, each Director of the Bank received a retainer of \$15,350 in 2004. The retainer was pro-rated for time served for new Directors of the Bank.

Each non-employee Director who was a member of the Executive Committee of the Bank received fees of \$40,695 in 2004. This figure was pro-rated for time served for new members. Executive Committee members who are employees of the Bank receive no compensation for serving on the Executive Committee. The Executive Committee of the Bank met fifty-one (51) times in 2004.

17

The Company maintains a life insurance policy for all Directors with a death benefit of two times annual Director fees reduced by 35% at age 65 and 50% at age 70. The life insurance policies terminate upon retirement.

In December 1996, life insurance contracts were purchased by the Company for all Directors and certain officers. The Company is the owner of the contracts. The purpose of these contracts was to replace a current group life insurance program for executive officers, implement a deferred compensation plan for Directors and executive officers, implement a Director retirement plan, and implement a supplemental retirement plan for certain officers. Participants in the deferred compensation plan, upon reaching age 70, are eligible to receive a distribution of their contributions, plus accrued interest earned at a permissible rate on reinvestment of the contributions. If a participant dies before reaching age 70 and the participant qualifies, the distribution will be made to the participant's designated beneficiary in an amount equal to what the participant would have accumulated if the participant had reached age 70 and had continued to make contributions to the plan. The cost of providing the benefits to the participants will be offset by the earnings on the life insurance contracts. Participants in the Director retirement plan, upon reaching age 70, are eligible to receive 50% of the three (3) prior years' average total Directors' compensation. The benefit is payable for 120 months for Directors with 10 years of service or less. The benefit is payable for 240 months for Directors with more than 10 years of service. If a Director dies during active service, payment will be made to the Director's designated beneficiary in an amount equal to what the Director would have received had the Director reached age 70, except the benefit term will be reduced to 60 months. If the Director dies during the payment of benefits, payment will be made to the Director's designated beneficiary for the lesser of the remaining term or 60 additional months. The cost of providing the benefits to the Directors will be offset by the earnings on the life insurance contracts.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company, through the Bank, has had and expects to have in the future banking transactions in the ordinary course of the Bank's business with some of the Directors, officers and principal shareholders of the Company and entities with which they are associated. All loans and commitments to loan included in such transactions were made on substantially the same terms, including interest rates and collateral on loans and repayment terms, as those prevailing at the time for comparable transactions with other persons and, in the opinion of the management of the Company, each such loan and commitment to loan did not involve more than a normal risk of uncollectibility or present other unfavorable features. All of such loans comply with Regulation O of the federal banking regulations. The aggregate amount of loans to officers and Directors of the Company, entities in which such officers and Directors have an interest, and affiliates and other associates of officers and Directors was \$8,461,733 at December 31, 2004. As of the date hereof, all of such loans were performing loans.

As part of its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited consolidated financial statements of the Company for the year ended December 31, 2004, including a discussion of the quality, and not just the acceptability, of the accounting principles applied, the reasonableness of significant judgments and the clarity of disclosures in the audited financial statements. The Audit Committee discussed with Crowe Chizek any relationships or services that might affect that firm's objectivity and satisfied itself as to Crowe Chizek's independence.

19

The Audit Committee has reviewed and discussed with management and Crowe Chizek the audited consolidated financial statements, and management's report on the establishment and maintenance of, and assessments of the effectiveness of, the Company's internal control over financial reporting. Based on the reviews and discussions outlined above, the Audit Committee recommended to the Board of Directors that the audited financial statements and management's report on the establishment and maintenance of, and assessment of the effectiveness of, the Company's internal control over financial reporting, be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004.

Pre-Approval of Services Performed by Independent Registered Public Accounting Firm

Under applicable SEC rules, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent registered public accounting firm in order to assure that they do not impair that firm's independence from the Company. The SEC's rules specify the types of non-audit services that an independent registered public accounting firm may not provide to its audit client and establish the Audit Committee's responsibility for administration of the engagement of the independent registered public accounting firm. Accordingly, the Audit Committee has adopted, and the Board of Directors has ratified, an Audit and Non-Audit Services Pre-Approval Policy (the "Pre-Approval Policy"), which sets forth the procedures and the conditions pursuant to which services proposed to be performed by the Company's independent registered public accounting firm may be pre-approved.

The purpose of the Pre-Approval Policy is to set forth the procedures by which the Audit Committee intends to fulfill its responsibilities. It does not delegate the Audit Committee's responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Consistent with the SEC's rules, the Pre-Approval Policy provides two different approaches to pre-approving services. Proposed services may either be pre-approved without consideration of specific case-by-case services by the Audit Committee ("general pre-approval") or require the specific pre-approval of

Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

the Audit Committee ("specific pre-approval"). The combination of these two approaches in the Pre-Approval Policy results in an effective and efficient procedure to pre-approve services performed by the independent registered public accounting firm. As set forth in the Pre-Approval Policy, unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by the independent registered public accounting firm. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval by the Audit Committee.

20

The Audit Committee may delegate either type of pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

Appendices to the Pre-Approval Policy describe the services that have the general pre-approval of the Audit Committee. The term of any general pre-approval is 12 months from the date of pre-approval, unless the Audit Committee considers a different period and states otherwise. The Audit Committee will annually review and pre-approve the services that may be provided by the independent registered public accounting firm without obtaining specific pre-approval from the Audit Committee. The Audit Committee will add or subtract to the list of general pre-approved services from time to time, based on subsequent determinations.

All requests or applications for services to be provided by the independent registered public accounting firm that do not require specific approval by the Audit Committee will be submitted to the Company's internal auditor and must include a detailed description of the services to be rendered. The internal auditor will determine whether such services are included within the list of services that have received the general pre-approval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the independent registered public accounting firm.

Requests or applications to provide services that require specific approval by the Audit Committee will be submitted to the Audit Committee by both the independent registered public accounting firm and the internal auditor, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.

The Audit Committee has designated the internal auditor to monitor the performance of all services provided by the independent registered public accounting firm and to determine whether such services are in compliance with the Pre-Approval Policy. The internal auditor will report to the Audit Committee on a periodic basis on the results of this monitoring. Both the internal auditor and management will immediately report to the chairman of the Audit Committee any breach of the Pre-Approval Policy that comes to the attention of the internal auditor or any member of management.

Services Rendered by Independent Registered Public Accounting Firm

In April 2004, the Audit Committee appointed the accounting firm of Crowe Chizek to serve as independent registered public accounting firm of the Company for the 2004 fiscal year. Fees billed for services rendered by Crowe Chizek for each of the 2004 and 2003 fiscal years were:
