Item 8.01 Other Events

Subject to court approval, the consolidated securities class action litigation that was filed in September 2004 against Interpool, Inc. (the Company) and certain other defendants has been settled. The Company has received a letter dated December 8, 2005 from the Director of the Appellate Mediation Program for the United States Court of Appeals for the Third Circuit, confirming the settlement terms to which all parties have agreed, which are: (1) a cash payment on behalf of defendants in the total amount of \$1,000,000, inclusive of all of the fees and expenses of plaintiffs counsel, and (2) the dismissal of all claims against the Company and the other defendants on a class-wide basis. The entire \$1,000,000 payment will be funded by the Company s insurance carrier. The agreed settlement terms will be embodied in a formal settlement agreement that will be submitted to the United States District Court for the District of New Jersey, and will be subject to approval by the District Court.

As previously disclosed, the District Court had dismissed the plaintiffs claims against the Company and the other defendants during August 2005, but the plaintiffs have appealed such dismissal. The settlement, upon approval, will render the appellate process unnecessary, eliminating the legal expenses, risks and uncertainties inherent in any ongoing litigation.
