Item 3. Source and Amount of Funds or Other Consideration

Pursuant to a Series A Convertible Preferred Stock Purchase Agreement, dated as of December 22, 2005 (the “Series A Purchase Agreement”), by and among the Issuer, the holders of Common Stock identified therein, the Abingworth Funds and the other investors named therein (the “Other Investors” and together with the Abingworth Funds, the “Investors”), the Abingworth Funds acquired, at the closing of the transactions contemplated by the Series A Purchase Agreement, an aggregate of 10,000,000 shares of the Issuer’s Series A Convertible Preferred Stock, par value \$0.001 per share (“Preferred Stock”), for an aggregate purchase price of \$10,000,000 (or \$1.00 per share of Preferred Stock). The Abingworth Funds purchased the Preferred Stock with their investment capital. AML did not directly own any of the shares of Preferred Stock. In connection with the Issuer’s initial public offering completed on May 4, 2012 (the “IPO”), each outstanding share of Preferred Stock, including those held by the Abingworth Funds, automatically converted into 0.25 share of Common Stock, without the payment to the Issuer of any consideration.

In addition, on May 4, 2012, the Abingworth Funds purchased an additional 1,100,000 shares of Common Stock in the IPO at the public offering price of \$5.00 per share. Of the 1,100,000 shares of Common Stock purchased, ABV IV purchased 1,090,650 shares and ABV IV Execs purchased 9,350 shares. The Abingworth Funds purchased these shares of Common Stock with their investment capital. AML does not directly own any of the shares of Common Stock.

#### Item 4. Purpose of Transaction

The Reporting Persons acquired the securities reported herein for investment in the ordinary course of business because of their belief that the Issuer represents an attractive investment based on the Issuer's business prospects and strategy. The Reporting Persons reserve the right to acquire, or cause to be acquired, additional securities of the Issuer, to dispose of, or cause to be disposed, such securities at any time or to formulate other purposes, plans or proposals regarding the Issuer or any of its securities, to the extent deemed advisable in light of general investment and trading policies of the Reporting Persons, market conditions or other factors. Except as set forth herein, the Report Persons do not have any plan or proposal that would relate to, or result in, any of the matters set forth under subsections (a) through (j) of Item 4 of Schedule 13D.

Pursuant to the Series A Purchase Agreement, (i) the Issuer issued and sold to the Abingworth Funds, and the Abingworth Funds purchased from the Issuer, an aggregate of 10,000,000 shares of Preferred Stock, and (ii) the Issuer issued and sold to the Other Investors, and the Other Investors purchased from the Issuer, in a series of two closings, an aggregate of 39,000,000 shares of Preferred Stock (the transactions specified in clauses (i) and (ii) above are referred to herein collectively as the "Private Placement"). In connection with the Issuer's IPO completed on May 4, 2012, each outstanding share of Preferred Stock, including those held by the Abingworth Funds, automatically converted into 0.25 share of Common Stock, without the payment to the Issuer of any consideration, such that, upon completion of the IPO, the 49,000,000 shares of Preferred Stock outstanding were automatically converted into an aggregate of 12,249,998 shares of Common Stock, 2,500,000 of which are held by the Abingworth Funds. These 2,500,000 shares of Common Stock held by the Reporting Persons (the "Unregistered Shares") have not been registered under the Securities Act of 1933, as amended (the "Securities Act") and are not freely tradable unless and until they are sold in an offering that is registered with the Securities and Exchange Commission ("SEC") or that qualifies for an exemption from the SEC's registration requirements. Following the expiration of a 180-day "lock-up" period following the completion of the IPO (such period, as may be extended under certain circumstances, the "Restricted Period"), the Reporting Persons and the Other Investors have demand and piggyback registration rights with respect to the shares of Common Stock that were issued to them (including, in the case of the Reporting Persons, the Unregistered Shares) upon conversion of their Preferred Stock pursuant to an Investor Rights Agreement, dated December 22, 2005 (as amended to date, the "Investor Rights Agreement"). These registration rights are described in greater detail below.

In addition, as noted in Item 3 hereof, on May 4, 2012, the Abingworth Funds purchased an additional 1,100,000 shares of Common Stock in the IPO at the public offering price of \$5.00 per share. These 1,100,000 shares of Common Stock (the "Registered Shares") have been registered under the Securities Act. However, in connection with the IPO, the Abingworth Funds entered into lock-up agreements (collectively, the "Lock-Up Agreements") running in favor of the underwriters of the IPO (the "Underwriters") with regard to future sales of the Registered Shares. Specifically, the Abingworth Funds have agreed, subject to certain exceptions, that, for a period of 180 days from April 30, 2012, the date of the final prospectus relating to the IPO, that they will not, without the prior written consent of the representatives of the Underwriters, dispose of or hedge any shares or any securities convertible into or exchangeable for Common Stock. The Underwriters' representatives, in their sole discretion, together may release any of the securities subject to lock-up agreements at any time. Notwithstanding the foregoing, if (i) during the last 17 days of the 180-day restricted period, the Issuer issues an earnings release or material news or a material event relating

to the Issuer occurs, or (ii) prior to the expiration of the 180-day restricted period, the Issuer announces that it will release earnings results during the 16-day period beginning on the last day of the 180-day restricted period, the restrictions described above will continue to apply until the expiration of the 18-day period beginning on the issuance of the earnings release or the occurrence of the material news or material event. The description of the Lock-Up Agreements is qualified in its entirety by reference to the terms of the Lock-Up Agreements, copies of which have been filed as Exhibits 5 and 6 to this Schedule 13D.

-6-

---

As noted above, the Abingworth Funds and the other parties to the Investor Rights Agreement have rights to register under the Securities Act the shares of Common Stock issued to them upon conversion of their Preferred Stock (“Conversion Shares”). These rights become effective following the expiration of the Restricted Period. First, following the expiration of the Restricted Period, Investors (including the Abingworth Funds) holding at least 35% of the Conversion Shares (or a lesser percentage if the aggregate offering price to the public would exceed \$5,000,000) request a registration, can require the Issuer to register their shares of Common Stock. The Investors also received certain “piggy-back” registration rights covering the Conversion Shares. In the event that the Issuer proposes to register any of its securities under the Securities Act after the expiration of the Restricted Period, either for our its account or for the account of other stockholders, the Investors will be entitled to certain “piggyback” registration rights allowing the Investors to include their Conversion Shares in such registration, subject to certain marketing and other limitations. As a result, whenever the Issuer proposes to file a registration statement under the Securities Act (other than with respect to a registration related to shares issuable under employee benefit plans and in certain other circumstances), the Investors will be entitled to notice of the registration and will have the right, subject to limitations that the underwriters may impose on the number of shares included in such registration, to include the Conversion Shares in the registration. Finally, after the expiration of the Restricted Period, the Investors will be entitled to certain Form S-3 registration rights if the Issuer is eligible to file a registration statement on Form S-3. Holders owning a certain percentage of the Conversion Shares (and certain other identified holders) have the right to demand that the Issuer file a registration statement on Form S-3 so long as the aggregate value of the securities to be sold under the registration statement on Form S-3 is at least \$500,000, subject to exceptions specified in the Investor Rights Agreement. The description of these provisions of the Investor Rights Agreement is qualified in its entirety by reference to the terms of the Investor Rights Agreement, as amended, which has been filed as Exhibits 3 and 4 to this Schedule 13D.

Under the terms of a Stockholders’ Voting Agreement, dated December 22, 2005 (as amended to date, the “Voting Agreement”), by and among the Issuer, the holders of Common Stock identified therein and the Investors identified therein, entered into in connection with the Private Placement, the Abingworth Funds were entitled to elect one member of the Issuer’s board of directors for so long as the Abingworth Funds owned any capital stock of the Issuer. The Abingworth Funds’ designee to the board is Michael F. Bigham. Although the Voting Agreement terminated upon the consummation of the IPO, Mr. Bigham continues to serve as a member of the Issuer’s board of directors. The description of these provisions of the Voting Agreement is qualified in its entirety by reference to the terms of the Voting Agreement, as amended, which has been filed as Exhibits 1 and 2 to this Schedule 13D.

By virtue of the terms of the Investor Rights Agreement, the Reporting Persons and the Other Investors may be deemed to constitute a “group” within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended. The Reporting Persons and the Other Investors are not acting as a “group”, and the Reporting Persons disclaim beneficial ownership of, and any pecuniary interest in, all of the securities of the Issuer beneficially owned by the Other Investors.

The foregoing descriptions of the Purchase Agreement, the Warrants and the Management Rights Agreement do not purport to be complete and are qualified in their entirety by the terms of such document which are incorporated herein by reference in response to this Item 4 and which, (i) in the case of the Purchase Agreement and the Form of Warrant, have been filed as exhibits to the Issuer’s Annual Report on Form 20-F for the fiscal year ended December 31, 2008, filed with the SEC on October 22, 2009 and (ii) in the case of the Management Rights Agreement, has been filed as an exhibit to this Schedule 13D.

(d) Each Abingworth Fund has the right to receive dividends from, or proceeds from the sale of, the shares of Common Stock beneficially owned by it. The limited partners or shareholders of each Abingworth Fund have the right to participate indirectly in the receipt of dividends from, or proceeds from the sale of, the shares of Common Stock beneficially owned by it, in accordance with their respective ownership interests in such Abingworth Fund.

Ladies and Gentlemen:

This letter is being delivered to you in connection with the proposed Underwriting Agreement (the "Underwriting Agreement"), between Supernus Pharmaceuticals, Inc., a Delaware corporation (the "Company"), and each of you as representatives of a group of Underwriters named therein, relating to an underwritten public offering (the "Offering") of Common Stock, \$0.001 par value (the "Common Stock"), of the Company.

In order to induce you and the other Underwriters to enter into the Underwriting Agreement, the undersigned will not, without the prior written consent of Citigroup Global Markets Inc. and Piper Jaffray & Co., on behalf of the several Underwriters, offer, sell, contract to sell, pledge or otherwise dispose of; (or enter into any transaction which is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the undersigned or any affiliate of the undersigned or any person in privity with the undersigned or any affiliate of the undersigned), directly or indirectly, including the filing (or participation in the filing) of a registration statement with the Securities and Exchange Commission in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations of the Securities and Exchange Commission promulgated thereunder with respect to, any shares of capital stock of the Company or any securities convertible into or exercisable or exchangeable for such capital stock, or publicly announce an intention to effect any such transaction, for a period commencing on the date hereof and ending 180 days after the date of the Underwriting Agreement (the "Lock-up Period").

The foregoing sentence shall not apply to: (a) transactions relating to shares of Common Stock or any security convertible into Common Stock acquired in open market transactions after the completion of the Offering, provided that no filing under Section 16(a) of the Exchange Act shall be required or shall be voluntarily made during the Lock-up Period in connection with subsequent sales of Common Stock or any security convertible into Common Stock acquired in such open market transactions; and (b) transfers of shares of Common Stock or any security convertible into Common Stock (i) as a bona fide gift or gifts, or by will or intestate succession upon the death of the undersigned, (ii) to any trust for the direct or indirect benefit of the undersigned or the immediate family of the undersigned, (iii) as a distribution or transfer to: (x) limited partners, members, stockholders or affiliates of the undersigned; or (y) any corporation, partnership, limited liability company or other entity which controls the undersigned or to entities under common control with the undersigned, or (iv) with the prior written consent of Citigroup Global Markets Inc. and Piper Jaffray & Co., as representatives of the several Underwriters; provided that that in the case of any transfer under each of clauses (b) (i), (ii) and (iii) it shall be a condition to such transfer that (A) each transferee shall sign and deliver a lock up letter substantially in the form of this Lock-up Agreement; (B) any such transfer shall not involve a disposition for value; and (C) no filing under Section 16(a) of the Exchange Act shall be required or shall be voluntarily made during the Lock-up Period. For purposes of this Lock-up Agreement, “immediate family” shall mean any relationship by blood, marriage or adoption, not more remote than first cousin. If the undersigned is an officer or director of the Company, the undersigned further agrees that the foregoing provisions shall be equally applicable to any Company-directed shares of Common Stock the undersigned may purchase in the Offering.

Notwithstanding anything herein to the contrary, nothing herein shall prevent the undersigned from establishing a written plan meeting the requirements of Rule 10b5-1 (a “10b5-1 Plan”) under the Exchange Act, relating to the sale of securities of the Company, provided that (x) the securities subject to such plan may not be sold until after the expiration of the Lock-up Period and (y) that the establishment of such 10b5-1 Plan will not result in any public filing or other public announcement of such 10b5-1 Plan by the undersigned or the Company during the Lock-up Period.

If the undersigned is an officer or director of the Company, (i) Citigroup Global Markets Inc. and Piper Jaffray & Co., as representatives of the several Underwriters, agree that, at least three business days before the effective date of any release or waiver of the foregoing restrictions in connection with a transfer of shares of Common Stock by the undersigned, they will notify the Company of the impending release or waiver, and (ii) the Company will agree in the Underwriting Agreement to announce the impending release or waiver by press release through a major news service at least two business days before the effective date of the release or waiver. Any release or waiver granted by Citigroup Global Markets Inc. and Piper Jaffray & Co., as representatives of the several Underwriters, hereunder to any such officer or director shall only be effective two business days after the publication date of such press release. The provisions of this paragraph will not apply if (a) the release or waiver is effected solely to permit a transfer not for consideration and (b) the transferee has agreed in writing to be bound by the same terms described in this letter to the extent and for the duration that such terms remain in effect at the time of the transfer.

If (i) the Company issues an earnings release or material news or a material event relating to the Company occurs, during the last 17 days of the Lock-up Period, or (ii) prior to the expiration of the Lock-up Period, the Company announces that it will release earnings results during the 16-day period beginning on the last day of the Lock-up Period, the restrictions imposed by this agreement shall continue to apply until the expiration of the 18-day period beginning on the issuance of the earnings release or the occurrence of the material news or material event, unless Citigroup Global Markets Inc. and Piper Jaffray & Co. waive, in writing, such extension. The undersigned hereby acknowledges that the Company has agreed in the Underwriting Agreement to provide written notice of any event that would result in an extension of the Lock-up Period and agrees that any such notice properly delivered will be deemed to have been given to, and received by, the undersigned. The undersigned also agrees and consents to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of the undersigned's shares of Common Stock except in compliance with the foregoing restrictions.

With respect to the Offering, the undersigned hereby waives any and all notice requirements and other rights with respect to the registration of any securities pursuant to any agreement, instrument, understanding or otherwise, including any registration rights agreement or similar agreement, to which the undersigned is a party or under which the undersigned is entitled to any right or benefit. In addition, the undersigned agrees that it will not, without the prior written consent of Citigroup Global Markets Inc. and Piper Jaffray & Co. as representatives of the several Underwriters, make any demand for, or exercise any right with respect to, the registration of any shares of the Common Stock or any securities convertible into or exchangeable or exercisable for shares of the Common Stock during the Lock-up Period. The undersigned hereby agrees that, to the extent that the terms of this Lock-up Agreement conflict with or are in any way inconsistent with any registration rights agreement to which the undersigned and the Company may be a party, this Lock-up Agreement supersedes such registration rights agreement.

This Lock-up Agreement shall automatically terminate and be of no further effect upon the earliest to occur, if any, of: (i) either (A) Citigroup Global Markets Inc. and Piper Jaffray & Co. as representatives of the several Underwriters or (B) the Company advising the other party in writing, prior to execution of the Underwriting Agreement, that it has determined not to proceed with the Offering, and (ii) the termination of the Underwriting Agreement prior to the Closing Date (as defined in the Underwriting Agreement) in accordance with the terms thereof.
