PROPOSAL NO. 1: ELECTION OF DIRECTORS

Directors are elected each year to hold office until the next Annual Meeting and until their successors are duly elected and qualified. The current Board of Directors consists of ten members. Unless contrary instructions are received, the enclosed proxy will be voted in favor of electing the nominees listed below. Each nominee has consented to be a candidate and to serve if elected. While the Board of Directors has no reason to believe any nominee will be unable to accept nomination or election as a director, if such an event should occur, the proxies will be voted with discretionary authority for a substitute or substitutes, as shall be designated by the current Board of Directors.

COMMITTEES OF THE BOARD. The Company currently has a Executive Compensation and Corporate Governance Committee (the "CGC Committee") and an Audit Committee.

The CGC Committee consists of Messrs. Bottorff, Gee, Wilds and Wire (Chairman). The CGC Committee reviews and recommends changes in the Company's corporate governance policies and practices, provides advice and assistance regarding corporate compliance matters, reviews the compensation policies of the Company and compensation programs in which officers may participate, develops general criteria concerning the qualifications and selection of Board members and officers, and recommends candidates for such positions to the Board of Directors. The CGC Committee will consider persons recommended by shareholders as potential nominees for directors if the names of such persons are submitted in writing to the chairman of the CGC Committee or the Secretary of the Company (as required by the bylaws). A full statement of qualifications and an indication of the person's willingness to serve must accompany the recommendations. The CGC Committee also administers the Company's stock option plans, excluding the 1993 Outside Directors' Plan and the 1995 Outside Directors' Stock Option Plan, which are administered by a Director Compensation Committee made up of the Company's Chief Executive Officer, President and Vice President/Chief Administrative Officer. At least once a year, the CGC Committee specifically reviews the standards of performance of the Chief Executive Officer for compensation purposes. (See "Report of the Executive

6

Compensation and Corporate Governance Committee of the Board of Directors on Executive Compensation.") The CGC Committee met four times during 2000.

The Audit Committee is composed of Messrs. Clayton, Dickson and Holland (Chairman), and Ms. Bowles and Ms. Knuckles. The Board of Directors has adopted and approved a formal written charter for the Audit Committee (which is attached to this proxy statement as Appendix "A"). The functions of the Audit Committee include providing advice and assistance regarding accounting, auditing, and financial reporting practices of the Company. Annually, the Audit Committee recommends to the Board of Directors a firm of independent certified public accountants to serve as auditors. The Audit Committee reviews with the auditors the scope and results of their annual audit, fees in connection with their audit and non-audit services, and the independence of the Company's auditors. (See "Report of the Audit Committee"). The Audit Committee met four times during 2000.

The Board of Directors has taken action such that, following the conclusion

Edgar Filing: DOLLAR GENERAL CORP - Form DEF 14A

of the Annual Meeting, a new Compensation Committee will be established and the name of the existing Corporate Governance and Compensation Committee will be changed to the "Nominating and Corporate Governance Committee." The new Compensation Committee will be responsible for reviewing and monitoring the Company's compensation and human resources policies, programs and plans. The Nominating and Corporate Governance Committee will be responsible solely for corporate governance and related matters (including recommending to the full Board officer and director candidates). The Board of Directors has not yet determined which directors will be appointed to these two committees.

During 2000, the Board of Directors held five meetings. All directors attended more than 75% of the aggregate number of meetings of the Board and committees on which they serve.

COMPENSATION OF DIRECTORS. Directors receive a \$5,000 quarterly retainer plus \$1,250 for attending each regular meeting of the Board of Directors or any committee thereof. Committee chairpersons receive an additional \$250 for each committee meeting attended. Compensation for telephonic meetings is one-half the above rates. Directors who are officers of the Company do not receive any separate compensation for attending Board or committee meetings. In addition, the directors who are not employees of the Company are entitled to receive nonqualified options for the purchase of Common Stock pursuant to the Company's 1998 Stock Incentive Plan.

DEFERRED COMPENSATION PLAN FOR NON-EMPLOYEE DIRECTORS. A non-employee director may defer all or a part of any fees normally paid by the Company to the director pursuant to a voluntary nonqualified compensation deferral plan. The compensation eligible for deferral includes the annual retainer, meeting and other fees, as well as any per diem compensation for special assignments, earned by a director for his or her service to the Board or one of its committees. The compensation deferred is credited to a liability account, which is then invested at the option of the director, in either an account which mirrors the performance of a fund selected by the CGC Committee, or in a phantom stock account which mirrors the performance of the Common Stock. In accordance with a director's election made at the time of the deferral, the deferred compensation will be paid in a lump sum or in annual installments, or a combination of both upon a director's resignation or termination from the Board. All deferred compensation will be immediately due and payable upon a "change in control" (as defined in the deferred compensation plan) of the Company.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION. During 2000, the CGC Committee was comprised of Messrs. Bottorff, Gee, Wilds and Wire. None of these persons has at any time been an officer or employee of the Company or any subsidiary of the Company during 2000. No executive officer of the Company served as a member of a compensation committee or as a director of any entity of which any of the Company's directors served as an executive officer.

7

VOTE REQUIRED

The affirmative vote of a plurality of the votes cast by the shareholders entitled to vote at the meeting is required for the election of directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR"
EACH OF THE NOMINEES LISTED ABOVE.

PROPOSAL NO. 2: SHAREHOLDER PROPOSAL REGARDING

EQUAL EMPLOYMENT OPPORTUNITY INFORMATION

A shareholder, Calvert Asset Management Company, Inc., has notified the Company of its intention to propose the following resolution at the Annual Meeting. Proxy regulations require the Company to present the proposed resolution and supporting statement. Following the shareholder's proposed resolution and supporting statement is the response of the Company's Board of Directors. The shareholder recommends you vote for this proposal; however, the Company's Board of Directors unanimously recommends you vote AGAINST this proposal. The text of the proposed resolution from Calvert Asset Management Company, Inc., is as follows:

"Equal employment is a key issue for shareholders. The bipartisan Glass Ceiling Commission Study released in 1995 states that a positive diversity record also has a positive impact on the bottom line. This study is important for shareholders because it explains that many corporations in the United States select for advancement from less than 50% of the total talent available in our workforce.

1. Women and minorities comprise 57 percent of the work force, yet represent only 3 percent of executive management positions.
2. Women who were awarded more than half of all MBA degrees represent less than 5 percent of senior-level management positions.

These statistics show the limits placed on selecting the most talented people for top management positions. Neglecting the importance of diversity impacts the bottom line because of the real costs of discrimination cases, the potential loss of government contracts and the financial ramifications of a damaged corporate image:

1. In 1996, Texaco settled the largest racial discrimination lawsuit in U. S. history, costing a reported \$170 million to the company and stockholders. Texaco's public image was tarnished and the company faced a consumer boycott.
2. In 1996, the Wall Street Journal reported that Shoney's earnings for fiscal year 1992 posted a loss of \$16.6 million as a result of settling a racial discrimination suit for \$134.5 million.
3. In 1997, Denny's reported it was still trying to win back its minority customers, lost after a 1992 discrimination complaint.

8

4. In 1998, Smith Barney agreed to spend \$15 million on diversity programs to settle a case brought by plaintiffs charging sexual harassment.

More than 150 major employers publicly report their work force diversity to their shareholders. Examples include Disney/ABC, USAir, Intel, Monsanto, and

Edgar Filing: DOLLAR GENERAL CORP - Form DEF 14A

Texaco. These companies and many others regularly provide reports describing diversity progress and challenges. Often companies will also include this information in their annual reports.

RESOLVED: The shareholders request that our company prepare, at reasonable cost, a report to shareholders, which may omit confidential information to be made available to shareholders four months from the date of the annual meeting, which includes:

1. The consolidated EEO-1 report in standard federal government categories according to gender and race in each of the nine major EEOC-defined categories for the previous three years;
2. A description of any policies and programs oriented specifically toward increasing the number of managers who are qualified females and/or ethnic minorities;
3. A description of the company's efforts to increase its business with female and minority suppliers and service-providers;
4. A general description of how the company publicizes its diversity policies and programs to employees, merchandise suppliers and service providers.

BOARD OF DIRECTORS' RESPONSE:

THE BOARD HAS CONSIDERED THIS PROPOSAL AND RECOMMENDS THAT SHAREHOLDERS VOTE "AGAINST" IT FOR THE FOLLOWING REASONS:

The Company believes in the dignity of work and the dignity of every person. The Company firmly supports diversity in the workplace as evidenced by its policies and programs. For example, the Company focuses its recruiting and retention efforts on all people without regard to race, gender or other such characteristics. The Company's representation of women and minorities on the Board of Directors and at senior management levels reflects this policy.

The Company has already considered the principles set forth by the Glass Ceiling Commission, and the standing committees of the Board of Directors review various Company policies and programs that support workplace diversity. The Board of Directors also considers workforce issues relating to the effective recruitment of, and opportunities for, women and minorities.

In policy statements distributed to all employees, the Company makes clear that all employees have the right to work in an environment free from all forms of discrimination and conduct which can be considered harassing, coercive or disruptive. The Company values and respects the rights of each employee and will not tolerate discrimination or harassment based on race, color, religion, sex, national origin, age, disability, citizenship status or any other characteristic protected by law.

In addition to publishing the Company's "zero tolerance" anti-discrimination and harassment policy and distributing it to employees regularly, the Company regularly publishes notices to employees of the Company's mechanisms for reporting any form of discrimination or harassment, which includes a toll-free hotline linked directly to corporate headquarters.

Edgar Filing: DOLLAR GENERAL CORP - Form DEF 14A

Since the Company's commitment to equal opportunity employment is part of its ordinary business operations, the time and expense involved in the process of gathering data and producing reports as requested by the proponents would do nothing to further the Company's equal employment efforts, and therefore would not be a prudent use of the Company's resources.

VOTE REQUIRED

To approve the shareholder proposal above, the votes cast for the shareholder proposal must exceed the votes cast against it.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE
"AGAINST" THIS PROPOSAL.

PROPOSAL NO. 3: RATIFICATION OF THE APPOINTMENT
OF INDEPENDENT PUBLIC ACCOUNTANTS

The accounting firm of Ernst & Young LLP ("Ernst & Young") has been selected as the independent public accountants for the Company for the fiscal year ending February 1, 2002. Although the selection of accountants does not require ratification, the Board of Directors has directed that the appointment of Ernst & Young be submitted to the shareholders for ratification due to the significance of their appointment by the Company. If the shareholders do not ratify the appointment of Ernst & Young, the Board of Directors will reconsider the appointment of independent accountants. A representative of Ernst & Young will be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

VOTE REQUIRED

The affirmative vote of a plurality of the votes cast by the shareholders entitled to vote at the meeting is required for the ratification of the appointment of independent accountants.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

10

EMPLOYEE RETIREMENT PLAN

The Dollar General Corporation 401(k) Savings and Retirement Plan (the "401(k) Plan") became effective on January 1, 1998. Balances in two earlier plans were transferred into the 401(k) Plan.

The Company makes a discretionary annual contribution, which has generally been equal to 2% of each eligible employee's compensation. Seventy-five percent of this contribution will be made in cash, while the remaining twenty-five percent will be contributed in the Company's Common Stock. Eligible employees are not required to make any additional contributions in order to receive this contribution from the Company. However, participants may elect to contribute between 1% and 15% of their annual salary, up to a maximum annual contribution of \$10,500. The Company will match fifty percent of employee contributions, up to 6% of annual salary.

The 401(k) Plan covers substantially all employees, including the Named Executive Officers, subject to certain eligibility requirements. The 401(k) Plan is subject to the Employee Retirement and Income Security Act ("ERISA").

A participant's right to claim a distribution of his or her account balance is dependent on ERISA guidelines, Internal Revenue Service regulations and the vesting schedule below:

- (1) Market value of underlying securities at exercise, minus the exercise price.

Employee Contributions	Immediately Vested	
Dollar General Discretionary Contribution (2%)	Immediately Vested	
Employer Matching Contribution	At the end of the 1st - 3rd Years	0% Vest
	At the end of the 4th Year	40% Vest
	At the end of the 5th Year	100% Vest

OTHER EXECUTIVE BENEFITS

Pursuant to the CDP, participants make annual elections to defer up to 100% of base pay, reduced by any deferrals to the qualified plan, and up to 100% of bonus. All participants are 100% vested for all compensation deferrals. Pursuant to the SERP, the Company makes an annual contribution to all participants who are actively employed on December 31. The contribution percentage is based on age plus service where:

Age plus Service	Percent of Base plus Bonus	
-----	-----	-----
	Non-Officer	Officers
