Item 2.02. Results of Operation and Financial Condition

On November 19, 2009, Foot Locker, Inc. (the "Company") issued a press release announcing its operating results for the third quarter of 2009. The press release includes a non-GAAP financial measure of third quarter and year-to-date net income before an impairment charge, which the Company believes provides a useful measure to investors because it allows for a more direct comparison of the Company's performance for the third quarter and year-to-date 2009 to the Company's performance in the prior-year periods. The non-GAAP financial measure is provided in addition to, and not as an alternative for, the Company's reported results prepared in accordance with GAAP. A reconciliation schedule to GAAP is provided in the release.

A copy of the press release is furnished as Exhibit 99.1, which, in its entirety, is incorporated herein by reference.
