Companhia Brasileira de Distribuicao (CBD)
Announces September 2002 Net Sales

Sao Paulo, Brazil, October 15, 2002 - Companhia Brasileira de Distribuicao (NYSE
CBD; BOVESPA PCAR4) today announced preliminary, non-audited September 2002
sales figures. The information is presented based on consolidated figures and in
Reais, in accordance with Corporate Law.

In September 2002, gross sales of Companhia Brasileira de Distribuicao totaled
R\$ 890.3 million, a 21.8% growth compared to the same month in 2001. Total net

sales in the period totaled R\$ 758.0 million, representing a 22.6% growth compared to September 2001. It is important to highlight the fact that this positive performance was achieved even though stores that have a significant participation in CBD's sales, including 3 hypermarkets, remained closed for remodelings during the month.

In the third quarter of 2002, our gross sales totaled R\$ 2,724.4 million, a 25.1% growth, while our net sales increased by 25.3%, totaling R\$ 2,308.7 million. In the nine months of 2002, CBD already accumulates gross sales of R\$ 7,750.0 million and net sales of R\$ 6,565.9 million, with growth rates of 14.3% and 14.6%, respectively, compared to the same period in 2001. If we consider the sales registered by the Se and Comprebem chains since the beginning of the year, the growth rates would be 21.9% for gross sales and 22.1% for net sales.

Same store sales presented a 2.6% growth in September. It is important to notice that the unfavorable calendar, with one Saturday less than the same month in the previous year, produced a negative impact of approximately 3 percent on our performance. Same store sales of food products increased by 2.0%, while the non-food products presented a 5.2% growth. In the third quarter, same store sales presented a 5.2% growth, accumulating 2.2% in the nine months of 2002.

The Barateiro Division once more registered the best performance, showing the sustainability of the changes implemented in this format.
