Item 3.02. Unregistered Sales of Equity Securities.

On December 23, 2009, Agroindustrial Nova Ponte Ltda. (“Nova Ponte”) and Bunge Alimentos S.A., two indirect wholly owned subsidiaries of Bunge Limited (“Bunge”), entered into an agreement with Usina Moema Participações S.A. (“Moema Par”) and its shareholders under which Nova Ponte will become the 100% owner of Moema Par. Moema Par is a holding company that wholly owns one sugarcane mill in Brazil and has ownership interests in five others (collectively, “Moema Group”).

The transaction will be structured as a share exchange, and under the terms of the agreement, shareholders in Moema Par will be entitled to receive approximately 7.3 million common shares of Bunge, which includes a payment of approximately \$36 million in respect of working capital. Based on the closing price of Bunge’s common shares on December 23, 2009, the value of the transaction is approximately \$896 million, including approximately \$480 million of net debt and excluding this working capital amount. The final number of shares to be issued will be based on the amount of net indebtedness and working capital of Moema Par at closing.

The common shares of Bunge to be issued pursuant to this agreement will be issued to the shareholders of Moema Par at the closing of the transaction in a private placement in reliance upon the exemption from registration provided by Section 4(2) of the Securities Act of 1933.

Bunge has agreed to file a registration statement for the common shares issued to the shareholders of Moema Par participating in the transaction, pursuant to a Registration Rights and Conditions of Transfers Agreement, which will be entered into at the closing of the transaction, which will allow the shareholders to resell their common shares from time to time. In addition, pursuant to the same agreement, the shareholders participating in the transaction have agreed, during the 18 month period after the closing, to certain volume and other restrictions with respect to sales of their common shares.

The closing of this transaction is expected to occur within the next 45 days, subject to the satisfaction of certain conditions.

In the coming weeks, Bunge may enter into agreements to secure some or all of the remaining interests in the mills that constitute the Moema Group. These transactions would be on economic terms consistent with the Moema Par transaction.

Item 8.01. Other Events.

Bunge issued a press release announcing the transaction with Moema Par on December 24, 2009. A copy of the press release is attached to this Current Report on Form 8-K as Exhibit 99.1.
