**Item 5. Other Events.**

See press release of Jacuzzi Brands, Inc. (the Company) dated June 30, 2003 attached as Exhibit 99.1.

**Item 9. Regulation FD Disclosure.**

The following information is furnished pursuant to Item 9, Regulation FD Disclosure. The Company is currently in discussions with the Securities and Exchange Commission (the "SEC") regarding the accounting policy for the Rexair distribution network. The network has a book value of \$64 million as of March 31, 2003 and is currently accounted for as an indefinite-lived intangible asset pursuant to SFAS No. 142. The SEC staff has indicated that it views the contractual terms of the distribution contracts and the willingness by parties to exercise termination rights as satisfying the requirements established by SFAS 142 of a finite lived asset, and, accordingly, that the Company should in future periods begin amortizing all or part of this asset over a period or periods yet to be determined. The Company disagrees with this view, and discussions are continuing. If the SEC staff's view prevails, the resulting charges would be non-cash items, but they would reduce reported results of operations in future periods by an amount equivalent to an amortization charge yet to be determined.
