Petróleo Brasileiro S.A. (“**Petrobras**”), Ultrapar Participações S.A. (“**Ultrapar**”) and Braskem S.A. (“**Braskem**”), in compliance with the order contained in the writ of prevention N° 087000.001707/2007-80 (“**Writ of Prevention**”) issued by the Administrative Council for Economic Defense - CADE (the Brazilian anti-trust authority), in the context of CADE’s review of the acquisition by Petrobras, Ultrapar and Braskem of the companies that form the Ipiranga Group (the transaction), as described in the Material Event notice published on March 19, 2007, hereby inform interested parties that:

The companies appreciate the concern that motivated CADE to issue the Writ of Prevention and have already started to prepare analyses and information to be submitted to CADE, demonstrating that the transaction would benefit competitiveness of the petrochemical sector and would consolidate the Brazilian fuel distribution market without causing any harm to consumer interests.

The Writ of Prevention did not affect the closing of the acquisition of the controlling interest of Ipiranga Group - as described in the Material Event released on March 19 this year - which was concluded today.

The companies will comply with the provisions contained in the Writ of Prevention, as set forth below:

- “(i) **Petróleo Brasileiro S.A. - Petrobras, or any of its subsidiaries or affiliates, is forbidden to take part in deliberating, negotiating, discussing or any meeting, under any excuse, on matters concerning commercial and strategic aspects of Copesul - Companhia Petroquímica do Sul, as well as to request, as a shareholder, documents, papers and information which cover, even indirectly, decisions taken in these matters;***
 - “(ii) **Braskem S.A., or any of its subsidiaries or affiliates, is forbidden to take part in deliberating, negotiating, discussing or any meeting, under any excuse, on matters concerning commercial aspects and business development of the acquired Ipiranga Química S.A. and Ipiranga Petroquímica S.A. - except in what regards those assets covered under item i - as well as to request, as a shareholder, documents, papers and information which cover, even indirectly, decisions taken in these matters;***
 - “(iii) **Petrochemical assets of the Ipiranga group - except for those assets covered in item (i) and those related to these assets - and the assets of Petrobras referred to in item (b), above, must remain a legally independent unit, including the continuance of the line of products, brand and distribution network;***
 - “(iv) **Decisions related to the development of the businesses of Copesul - Companhia Petroquímica do Sul must preserve the economic value of the petrochemical assets covered in item (ii);***
-

- (v) *Petróleo Brasileiro S.A. - Petrobras, or any of its subsidiaries or affiliates, is forbidden to participate in deliberating, negotiating, discussing and any meeting, under any pretext, on commercially and strategically related matters related to the acquired fuel distribution business;*
- (vi) *With regard to items (i), (ii), (v), the independent manager that will be constituted, must preserve the competitive relationships previously existing in their operation;*
- (vii) *The petitioners must publish a Material Event announcement, under the terms of the applicable legislation, with the objective of informing the market of the conditions established by CADE in its writ of prevention, to preserve the competitive conditions in the sectors affected by the operation, as well as preserving the reversible nature of the transaction;*
- (viii) *The writ of prevention here presented may be reviewed at any time, at the behest of CADE or at the request of the petitioners, if in the judgement of the General Assembly of CADE, they do not affect the requirements that motivated its issuance, or that the measures adopted show themselves to be insufficient to guarantee the preservation of the reversible nature of the transaction;*
- (ix) *Infringement of any of these obligations herein established, declared by the Plenary Session of CADE, will be penalized with a daily fine, which will be registered against the company as an executed tax debt, of 100.000 (one hundred thousand) UFIRs, per item infringed, without any harm to the other applicable civil or criminal sanctions applicable, as well as the legal implementation of this decision, which constitutes an extrajudicial execution instrument for all legal purposes.”*

(“Braskem”, together with Petrobras and Ultrapar “Acquirers”), in compliance with OFFICIAL LETTER/CVM/SEP/GEA 2/ N° 131/07 dated April 18, 2007 (“OFFICIAL LETTER”), as a complement to the Material Events released on March 19, 2007 and April, 18, 2007, hereby make public the general conditions of the commission contract originated in the Investment Agreement executed by the Acquirers on March 19, 2007, which regulates the relationship between these companies during the acquisition process of the Ipiranga Group:

(i) Commission. Ultrapar is acting as a commission agent for Petrobras and Braskem, under the terms of Articles 693 and following articles of the Civil Code. The object of the commission is (A) the acquisition by Ultrapar on behalf of Petrobras, of the fuel and lubricant distribution businesses located in the North, Northeast and Central West (“Northern Distribution Assets”), as well as the acquisition on behalf of Braskem and Petrobras, of the Petrochemical Assets, represented by Ipiranga Química S.A. (ii) Price of the Petrochemical Assets. The price of the Petrochemical Assets is R\$2.5 billion, and shall be paid by Braskem and Petrobras to Ultrapar in 3 (three) installments, as follows (a) the first installment of R\$652 million owed by Braskem and R\$429 million by Petrobras, (b) the second installment of R\$256 million owed by Braskem and R\$169 million by Petrobras, and (c) the third installment of R\$596 million to be paid by Braskem and R\$394 million by Petrobras.

(iii) Price of the Northern Distribution Assets. The price of the Northern Distribution Assets is R\$1.1 billion, and shall be paid by Petrobras to Ultrapar in 3 (three) installments, as follows (a) the first installment of R\$313 million, (b) the second installment of R\$95 million and (c) the third installment of R\$706 million.

(iv) Date of Asset Transfer. The Northern Distribution Assets and the Petrochemical Assets will be delivered after Ultrapar receives the three installments indicated in item (iii) above, which should occur after the accomplishment of the conditions established in items (viii) or (ix) below.

(v) Payment Dates. Braskem and Petrobras must pay Ultrapar each installment of the price of the Northern Distribution Assets and the Petrochemical Assets on the following dates: (a) the first installment has already been paid on April, 18, 2007, (b) the second installment on the date of financial settlement by Ultrapar of the mandatory Tender Offer (“TOs”) carried out as a result of the change of the control of Refinaria de Petróleo Ipiranga S.A. (“RPI”), Distribuidora de Produtos de Petróleo Ipiranga S.A. (“DPPI”) and Companhia Brasileira de Produtos de Petróleo Ipiranga (“CBPI”), and (c) the third installment on the date of the effective transfer of the Northern Distribution Assets to Petrobras and the Petrochemical Assets to Braskem/Petrobras, as applicable.

(vi) Guarantees. Ultrapar has pledged: (A) in favor of Braskem and Petrobras, in the proportion of 60% and 40%, respectively, all the ordinary shares and 50% (fifty percent) of the preferred shares issued by RPI acquired from the former controlling shareholders. The shares issued by RPI acquired in the TOs will also be pledged in favor of Braskem and Petrobras, in the same proportion. After the exchange offer of the shares of RPI, Ultrapar must ensure that the pledge of the shares of RPI will be substituted by the pledge of all the shares issued by ICQ, and, (B) in favor of Petrobras, 31% of the ordinary shares of DPPI and 78% of the preferred shares issued by DPPI acquired from the former controlling shareholders, as well as 100% of the ordinary shares of CBPI acquired from the former controlling shareholders. (ix) Delays or Justified Impediments to the Transfer of Assets. The commission is irrevocable, so, in the event of the transfer or handover of the Northern Distribution Assets and/or the Petrochemical Assets (A) being in any way restricted or suspended, due to legal, judicial or administrative order, which remains in place for a period of more than 120 (one hundred and twenty) days, or (B) has not occurred by April 18, 2008, an alternative reorganization will be implemented, containing, among others, the spin-off of CBPI, DPPI and RPI, in order to segregate the Northern Distribution Assets and the Petrochemical Assets in the spun-off companies, the shares of these spun-off companies being subsequently handed over to Petrobras and Braskem, as applicable.

On April 18, 2007, the Acquirers have also celebrated shareholders agreements of RPI, DPPI, CBPI, IPQ and ICQ, which were properly filed in the respective companies, together with the Memorandum of Understanding celebrated between Braskem and Petrobras related to the Petrochemical Assets, which became effective as of yesterday as a result of the closing of the sale and purchase agreement dully signed with the former controlling shareholders of Ipiranga.
