INTRODUCTORY STATEMENT

Vereniging AEGON (the "Association") hereby amends and supplements its Report on Schedule 13D, originally filed with the Securities and Exchange Commission (the "Commission") on January 16, 1998, as amended by Amendments No. 1, 2, 3, 4 and 5 (the "Schedule 13D"), with respect to the purchase of common shares, par value (euro)0.12 per share, of AEGON N.V. ("AEGON" or the "Issuer"). Unless otherwise indicated, each capitalized term used but not defined herein shall have the meaning assigned to such term in the Schedule 13D.

ITEM 2. IDENTITY AND BACKGROUND

The response set forth in Item 2 of the Schedule 13D is hereby amended and supplemented by the information set forth in Schedule A hereto.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

The response set forth in Item 3 of the Schedule 13D is hereby amended and supplemented by the following information:

The Association and AEGON undertook the following series of transactions (the "Transactions") pursuant to a recapitalization agreement dated September 17, 2002 (the "Recapitalization Agreement") which is incorporated in its entirety by reference in this Amendment No. 6 to the Schedule 13D. The Association on September 23, 2002 sold 350,000,000 common shares, of which (i) 206,400,000 common shares were sold to AEGON and (ii) 143,600,000 common shares were sold in a secondary offering outside the United States in reliance on Regulation S under the Securities Act of 1933. The purchase price for the 206,400,000 common shares sold by the Association to AEGON was (euro)2,064,000,000, which amount the Association contributed as additional paid-in capital on AEGON's existing preferred shares, all of which the Association holds. The Association and AEGON agreed to set off their respective payment obligations to each other; accordingly, no cash was exchanged between the Association and AEGON as part of the Transactions.

As a result of the Transactions, the percentage of AEGON's common shares beneficially owned by the Association decreased from approximately 37.2% to approximately 11.9% and the percentage of AEGON's voting shares beneficially owned by the Association decreased from approximately 52.2% to approximately 33.0%.

ITEM 4. PURPOSE OF TRANSACTION.

The response set forth in Item 4 of the Schedule 13D is hereby amended and supplemented by the following information:

The Association undertook the Transactions in connection with the

Edgar Filing: AEGON NV - Form SC 13D/A

refinancing of its existing indebtedness. The proceeds of the Transactions were used to reduce the Association's outstanding debt and to increase the Association's economic investment in AEGON's preferred shares to a level more commensurate with the Association's voting rights.

The Association and AEGON are currently parties to an option agreement. The option agreement gives the Association the right to acquire AEGON's preferred shares in an amount necessary to prevent the Association's total voting power from being diluted to less than a majority as a result of new issuances

of AEGON's common shares. Pursuant to the Recapitalization Agreement, AEGON and the Association will amend this option agreement so that the Association will only be entitled to acquire preferred shares in an amount to be mutually agreed, which will not exceed the amount necessary to maintain the Association's voting power at the level it will have immediately following the completion of the Transactions.

The Association has entered into a three-year committed revolving credit facility consisting of an equity repurchase facility (the "Repo Facility") and a back-up credit facility (the "Back-up Facility"). Under the Repo Facility, up to (euro)2,000,000,000 will be available for repurchase transactions using the common shares retained by the Association following the Transactions. Under the Back-up Facility an amount of up to (euro)1,200,000,000 will be available subject to certain conditions. Drawdowns under the Back-up Facility are principally intended to make certain cash payments under the Repo Facility that will be required if the value of the common shares subject to the Repo Facility is insufficient to meet certain customary requirements. The aggregate amount outstanding under the Repo Facility and the Back-up Facility will not exceed (euro)2,000,000,000.

In addition, the Association and AEGON agreed to mark to market AEGON's existing total return swap agreements that hedge AEGON's 2001 and 2002 share option plans based on the (euro)10.04 closing price of AEGON's common shares on Euronext Amsterdam on September 17, 2002. This resulted in a payment to the Association of (euro)378,300,000 by AEGON. The Association used the proceeds of this payment to reduce its debt.

AEGON's Executive Board and Supervisory Board are considering proposing and implementing corporate governance changes in the future. In accordance with the Recapitalization Agreement, if those changes are adopted, they would be followed by a further reduction in the total voting power of the Association by reducing the number of preferred shares held by it.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

The response set forth in Item 5 of the Schedule 13D is hereby amended and supplemented by the following:

(a) The Association has acquired and, for the purpose of Rule 13d-3 promulgated under the Exchange Act, beneficially owns, as of October 10, 2002, 171,974,055 common shares, representing approximately 11.9% of the outstanding common shares of the Issuer.

To the best of the Association's knowledge, the members of the Association's Executive Committee in the aggregate hold common shares, or options to acquire common shares, constituting less than 0.2% of AEGON's outstanding common shares. Except as set forth in this Item 5(a), neither the

Edgar Filing: AEGON NV - Form SC 13D/A

Association nor any other person controlling the Association owns beneficially any common shares.

(b) The Association has sole power to vote and to dispose of 171,974,055 common shares.

To the best of the Association's knowledge, each member of the Association's Executive Committee, who in the aggregate hold common shares, or options to acquire common shares, constituting less than 0.2% of AEGON's outstanding common shares, has sole power to vote and to dispose of the common shares held by such member of the Executive Committee.

(c) On September 23, 2002, as part of the Transactions, the Association sold 350,000,000 common shares, of which 206,400,000 common shares were sold to AEGON at a price of (euro)10.00 per share and 143,600,000 shares were sold in the Association's secondary offering outside the United States in reliance on Regulation S at a price of (euro)9.80 per share. The Association sold the 143,600,000 common shares it sold outside the United States, and AEGON sold the 206,400,000 common shares it purchased from the Association, pursuant to an Underwriting Agreement dated September 17, 2002 (the "Underwriting Agreement") among the Association, AEGON and the underwriters named therein. The Underwriting Agreement is incorporated in its entirety by reference herein. The aggregate net proceeds to the Association from the sale of the 143,600,000 common shares was (euro)1,407,280,000 before expenses. Pursuant to the Underwriting Agreement, the Association paid AEGON's expenses and the (euro)41,280,000 underwriting discount in connection with AEGON's offering of the common shares AEGON purchased from the Association. The purchase price for the 206,400,000 common shares sold by the Association to AEGON was (euro)2,064,000,000, which amount the Association contributed as additional paid-in capital on AEGON's existing preferred shares, all of which the Association holds.

(d) Inapplicable.

(e) Inapplicable.
