EXPLANATORY NOTE: This Current Report on Form 8-K/A amends, in their entirety, Item 2 and Item 7 of the Current Report on Form 8-K dated May 30, 2003 and filed with the SEC on June 16, 2003 by Pennsylvania Real Estate Investment Trust. This amendment is being filed to reflect the completion of the sale of two additional multifamily properties since the original Current Report on Form 8-K was filed.

Item 2. Acquisition or Disposition of Assets.

On May 30, 2003, Pennsylvania Real Estate Investment Trust (together with its subsidiaries and affiliated entities, "PREIT") completed the sale of 13 of its wholly-owned multifamily properties to MPM Acquisition Corp., an affiliate of Morgan Properties, Ltd. (together, "Morgan") for a total sale price of \$314 million (approximately \$151.5 million of which consisted of assumed indebtedness). The sale was completed pursuant to a purchase and sale agreement

Edgar Filing: PENNSYLVANIA REAL ESTATE INVESTMENT TRUST - Form 8-K/A

entered into by PREIT in March 2003 to sell all of the 19 properties and related assets in its portfolio of multifamily properties to Morgan for \$420 million, which included the assumption of certain indebtedness by Morgan. The 19 properties in PREIT's multifamily portfolio (aggregating to a total of 7,242 apartment units), consisted of 15 properties that were wholly-owned by PREIT and four multifamily properties in which PREIT held a 50% joint venture interest. Prior to the closing on May 30, 2003, PREIT and Morgan amended the purchase and sale agreement to exclude from the transaction PREIT's interests in the four properties held in joint venture form, resulting in a reduction of approximately \$24.85 million, inclusive of \$13.4 million in indebtedness that was to be assumed, from the original sale price of \$420 million.

The original purchase and sale agreement was also amended to reflect (1) the deferral of the closing of two of the wholly-owned multifamily properties, Emerald Point in Virginia Beach, Virginia and Regency Lakeside in Omaha, Nebraska, until on or before July 31, 2003 (unless further extended for 90 days by both parties) pending receipt of a required consent from Fannie Mae to Morgan's assumption of the loans secured by those properties and (2) the addition of a purchase price credit of \$3 million for Morgan toward its closing costs upon the closing of the sale of all 15 of PREIT's wholly-owned multifamily properties. On July 25, 2003, PREIT completed the sale of the two remaining wholly-owned properties to Morgan for \$81.4 million, inclusive of \$33.8 million in assumed indebtedness and before giving effect to the \$3 million purchase price credit. Morgan's cash deposit of approximately \$3.1 million was returned to Morgan upon the closing of the two additional wholly-owned properties. The net cash proceeds to PREIT were \$44.3 million.

With respect to its four joint venture multifamily properties, PREIT has sold its 50% interest in the following two properties: (1) Cambridge Hall Apartments in West Chester, Pennsylvania; sold on May 1, 2003 to Tree Farm Road, L.P. (PREIT's joint venture partner) for \$6.7 million, inclusive of \$2.5 million in assumed indebtedness and (2) Countrywood Apartments in Tampa, Florida; sold on May 31, 2003 to Countrywood Apartments General Partnership (PREIT's joint venture partner) for \$9.1 million, inclusive of \$7.3 million in assumed indebtedness. PREIT has entered into agreements to sell its interests in the other two joint venture properties to its joint venture partners for an aggregate of approximately \$8.6 million, inclusive of approximately \$3.5 million of assumed indebtedness. Closing on these two sales is expected to occur no later than October 13, 2003.

The purchase price for each of these transactions was determined by arm's length negotiations. PREIT has used a substantial portion of the net proceeds of the sales of its multifamily properties to pay off the amounts borrowed under its unsecured acquisition credit facility entered into in connection with PREIT's previously announced acquisition of six malls from affiliated companies of The Rouse Company.

PREIT's sale of its multifamily portfolio to Morgan has been designed to meet the requirements of Section 1031 of the Internal Revenue Code for a tax-deferred exchange for certain of the retail properties acquired from The Rouse Company.

Copies of the principal agreements relating to the transactions are attached hereto and incorporated by reference herein. The description contained herein of these agreements does not purport to be complete and is qualified in its entirety by reference to the provisions of these agreements.

meaning of Section 21E of the Securities Exchange Act of 1934. Forward-looking statements relate to expectations, beliefs, projections, future plans and strategies, anticipated events or trends and other matters that are not historical facts. These forward-looking statements reflect PREIT's current views about future events and are subject to risks, uncertainties, assumptions and changes in circumstances that may cause future events, achievements or results to differ materially from those expressed by the forward-looking statements. In particular, PREIT may not be able to consummate the sale of its interests in the two remaining multifamily joint ventures on previously announced terms, favorable terms to PREIT, or at all, or if such transactions are consummated, PREIT's actual results may differ significantly from those expressed in any forward-looking statement. Certain factors that could cause PREIT not to consummate the transactions include, without limitation, the satisfaction of closing conditions applicable to the transactions (some of which are beyond PREIT's control), and other economic, business or competitive factors. In addition, PREIT's business is subject to uncertainties regarding the revenues, operating expenses, leasing activities, occupancy rates, and other competitive factors relating to PREIT's portfolio and changes in local market conditions as well as general economic, financial and political conditions, including the possibility of outbreak or escalation of war or terrorist attacks, any of which may cause future events, achievements or results to differ materially from those expressed by the forward-looking statements. PREIT does not intend to and disclaims any duty or obligation to update or revise any forward-looking statements set forth in this report to reflect new information, future events or otherwise.

PENNSYLVANIA REAL ESTATE INVESTMENT TRUST
PRO FORMA BALANCE SHEET AND
STATEMENTS OF INCOME

This pro forma information should be read in conjunction with the historical financial statements and notes of PREIT included in its annual report on Form 10-K for the year ended December 31, 2002 and its quarterly report filed on Form 10-Q for the three months ended March 31, 2003.

The following unaudited pro forma information sets forth the pro forma balance sheet of PREIT as of March 31, 2003 and the pro forma statements

Edgar Filing: PENNSYLVANIA REAL ESTATE INVESTMENT TRUST - Form 8-K/A

of income for the year ended December 31, 2002 and the three months ended March 31, 2003 to give effect to the disposition of PREIT's multifamily properties as described above in Item 2.

The following unaudited pro forma balance sheet presents information as if the dispositions had taken place on March 31, 2003. The following unaudited pro forma statement of income for the year ended December 31, 2002 presents information as if the dispositions had taken place on January 1, 2002. Pursuant to SFAS No. 144 "Accounting for the Impairment or Disposal of Long-Lived Assets," PREIT reflects the operating results of properties "held for sale" in discontinued operations. There is no pro forma impact from the dispositions in the income statement for the three months ended March 31, 2003 because the multifamily portfolio was classified as discontinued operations in that income statement.

The pro forma financial information is unaudited and prepared for informational purposes only and is not necessarily indicative of future results or of actual results that would have been achieved had the dispositions of the properties been consummated as of the dates noted in the prior paragraph.

-11-

Pennsylvania Real Estate Investment Trust
Notes to Management's Assumptions to
Unaudited Pro Forma Financial Information

1. Basis of Presentation

Pennsylvania Real Estate Investment Trust, (collectively with its

Edgar Filing: PENNSYLVANIA REAL ESTATE INVESTMENT TRUST - Form 8-K/A

subsidiaries, the "Company") is a fully integrated, self-administered and self-managed real estate investment trust that acquires, develops, redevelops and operates retail properties. The Company's interest in its properties is held through PREIT Associates, L.P.

2. Adjustments to Pro Forma Balance Sheet

(A) To record the disposition of certain multifamily properties. The wholly-owned multifamily properties were classified as held for sale in the historical March 31, 2003 balance sheet. The two multifamily joint ventures that have been sold were reflected in the investment in joint ventures balance in the historical March 31, 2003 balance sheet. The combined investment in those joint ventures was a deficit of (\$2.7 million).

The Company has entered into definitive agreements to sell its interests in the two remaining multifamily joint venture properties, Fox Run Apartments in Warminster, Pennsylvania and Willow-O-Hill Apartments in Reading, Pennsylvania. The combined investment in those joint ventures was a deficit of (\$1.2 million) and is reflected in the investment in joint ventures balance and accordingly no pro forma balance sheet adjustment has been presented.

3. Adjustments to Pro Forma Statements of Income

(A) To remove the income statement impact of all of the multifamily properties from the historical income statement for the year ended December 31, 2002. There is no pro forma impact to the historical income statement for the three months ended March 31, 2003 because the multifamily portfolio was classified as assets held for sale at March 31, 2003 and all operations were included in discontinued operations in that income statement.
