PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON DECEMBER 14, 2005

INFORMATION CONCERNING THE SOLICITATION

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form PRE 14A

This Proxy Statement is furnished to the holders of Common Stock, \$.01 par value per share ("Common Stock") of Napco Security Systems, Inc. (the "Company") in connection with the solicitation of proxies on behalf of the Board of Directors of the Company for the Annual Meeting following Fiscal Year 2005, to be held on December 14, 2005, and at any adjournment thereof (the "Meeting"), pursuant to the accompanying Notice of Annual Meeting of Stockholders. Proxies in the enclosed form, if properly executed and returned in time, will be voted at the Meeting. Any stockholder giving a proxy may revoke it prior to its exercise by attending the Meeting and reclaiming the proxy, by executing a later dated proxy or by submitting a written notice of revocation to the Secretary of the Company at the Company's office or at the Meeting. Stockholders attending the Meeting may vote their shares in person. This Proxy Statement and the form of proxy were first mailed to the stockholders on or about October 28, 2005. A copy of the 2005 Annual Report of the Company, including financial statements, is being mailed herewith.

Only stockholders of record at the close of business on October 25, 2005 (the "Record Date") are entitled to notice of and to vote at the Meeting. The outstanding voting securities of the Company on the Record Date consisted of [8,662,306] shares of Common Stock.

On all matters requiring a vote by holders of the Common Stock, each share of Common Stock entitles the holder of record to one vote. At the Meeting, the holders of record of Common Stock will vote on: Item 1, the election of two directors; Item 2, amendment of the Amended and Restated Certificate of Incorporation to increase authorized shares; and the transaction of any other business as may properly come before the Meeting and require a vote of the stockholders.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock authorized to vote will constitute a quorum for the transaction of business at the Meeting.

The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. A properly executed proxy marked "WITHHOLD" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. The affirmative vote of the holders of a majority of the shares outstanding and entitled to vote on the matter will be required for approval of the Amendment to the Company's Amended and Restated Certificate of Incorporation. A properly executed proxy marked "ABSTAIN" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to certain matters. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters

2

and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining if there is a quorum

THEREFORE, THE COMPANY URGES YOU TO SIGN, DATE AND RETURN
THE ENCLOSED PROXY CARD.

EMPLOYMENT AGREEMENTS

The Company has employment agreements with Richard L. Soloway, Jorge Hevia and Michael Carrieri. The agreement with Mr. Soloway, entered into on June 26, 2003 for a five year period, provides for an annual salary of \$453,235 as adjusted by inflation, certain incentive compensation if earned according to a formula to be determined by the Board of Directors, and 100,000 stock options that vest 20% per year or upon a change in control, as defined in the agreement. In addition, if during the term there should be a change in control, then the employee shall be entitled to terminate the term and his employment thereunder, and the employer shall pay the employee, as a termination payment, an amount equal to 299% of the average of the prior five calendar years' compensation, subject to certain limitations.

Mr. Hevia's agreement terminates in October 2006. The agreement provides for annual salaries of \$215,000, \$225,750 and \$237,037 during fiscal

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form PRE 14A

2004, 2005 and 2006, respectively as well as certain bonus provisions based on sales and profits. Mr. Carrieri's agreement terminates in August 2006. The agreement provides for annual salaries of \$194,481, \$204,205 and \$214,415.00 during fiscal 2004, 2005 and 2006, respectively as well as certain bonus provisions based on sales and profits. In addition, the Company has a severance agreement with Kevin S. Buchel providing for payments equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause.

COMPENSATION/STOCK OPTION COMMITTEE REPORT

The Compensation/Stock Option Committee approves the compensation for the CEO and other executive officers and establishes the policies that govern the Company's executive compensation program.

10

COMPENSATION POLICY FOR EXECUTIVE OFFICERS

The Committee's policy is that the Company's executive officers should (i) be paid a salary commensurate with their responsibilities, (ii) receive short-term incentive compensation in the form of a bonus tied to the Company's sales and earnings, and (iii) receive long-term incentive compensation in the form of stock options granted from time to time.

For fiscal 2005 Messrs. Hevia and Carrieri's salaries were determined by the employment agreement between the Company and the respective officers. The Committee's policy for Mr. Buchel's salary is that such salary should be in an amount recommended by the CEO, and the 2005 fiscal year salary of Mr. Buchel is in the amount so recommended. The considerations entering into the determination by the CEO of the salary recommendation for Mr. Buchel were the CEO's subjective evaluations of the ability and past performance of the executive and the CEO's judgment of the executive's potential for enhancing the profitability of the Company.

In addition, the Committee's policy is that executive officers, other than the CEO, should receive short term incentive compensation in the form of bonuses targeted to the Company's sales and earnings. A bonus for an executive officer is based upon the Company achieving certain targeted sales and earnings and the executive's position and the extent to which the executive could contribute to the Company's performance. For fiscal 2005, bonuses were earned by such executive officers based upon the Company achieving the targeted sales and earnings.

The Committee's policy is generally to grant options to such executives and other key employees under the Company's Stock Option Plans after consideration of the amounts recommended by the CEO. The recommendations of the CEO for option grants reflect the subjective judgment of the CEO of the performance of such executives and the potential benefit to the Company from the grant of this form of incentive compensation. No stock options were granted to the named executive officers in fiscal 2005.

Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to the CEO and other named executive officers. Because of the range of compensation paid to its executive officers, the Committee has not established any policy regarding annual compensation to such executive officers in excess of \$1,000,000.

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form PRE 14A

COMPENSATION OF THE CEO IN 2005

For fiscal 2005, Mr. Soloway's salary was based upon the employment agreement between the Company and Mr. Soloway which became effective June 26, 2003. Mr. Soloway's bonus for fiscal year 2005 was based principally on the Committee's subjective evaluation of Mr. Soloway's contribution to the Company's overall strategy and increased profits. The Committee believes that granting the CEO stock options best aligns his interests with those of the Company's stockholders. At the commencement of Mr. Soloway's current employment agreement, Mr. Soloway was awarded 100,000 options, and he was awarded additional options in 2003 and 2004. No stock options were granted to the CEO in fiscal 2005.

ITEM 2: AMENDMENT OF THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE AUTHORIZED SHARES

On September 19, 2005, the Board of Directors of the Company unanimously adopted a resolution recommending that the Company's Amended and Restated Certificate of Incorporation be amended to increase the number of authorized shares of common stock of the Company, having a par value of \$.01 per share, from twenty-one million shares to forty million shares (the "Amendment"). The Board of Directors further directed that the Amendment be submitted for consideration by stockholders at the Company's 2005 annual meeting. In the event the Amendment is approved by stockholders, the Company will thereafter execute and submit to the Delaware Secretary of State for filing a Certificate of Amendment of the Amended and Restated Certificate of Incorporation providing for the Amendment. The Amendment will become effective at the close of business on the date the Certificate of Amendment is accepted for filing by the Secretary of State.

As of the record date for the Meeting, there were [8,662,306] shares of common stock outstanding and another [698,640] shares of common stock reserved for issuance upon exercise of options previously granted from the Company's stock plans.

The Board of Directors considers the proposed increase in the number of authorized shares desirable because it would give the Board greater flexibility to declare common stock splits or stock dividends when considered desirable and still leave sufficient shares available for issuance in connection with potential acquisitions, financings, options granted under the Company's stock plans. Historically, the Company has used cash for acquisitions and used stock splits or stock dividends to increase shareholders' liquidity.

Except for outstanding stock options, possible future awards under the existing stock plans, and possible future stock splits or stock dividends, the Company has no present plans, arrangements or understandings that will or may require or involve the future issuance of any additional shares of common stock. Although the Company has no present intentions to do so, under some circumstances it is possible for a company to use unissued shares for anti-takeover purposes. The ability of the Board of Directors to issue

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form PRE 14A

additional shares of common stock without additional shareholder approval may be deemed to have an anti-takeover effect. The Amendment, however, is not being proposed in order to prevent a change in control, and is not in response to any present attempt known to the Board to acquire control of the Board of Directors, to obtain representation on the Board of Directors or to take significant action which affects control of the Company. Although the Company has no such plans, if an unwanted suitor made a proposal not approved by the Board of Directors at price levels the Board of Directors deemed to be inadequate, the Company could use the additional shares of common stock to oppose a hostile takeover attempt. Any issuance of additional shares also could have the effect of diluting the earnings per share and book value per share of the outstanding shares of the Company's common stock as well as stock ownership and voting rights of shareholders, including persons who may seek to obtain control of the Company. The Board of Directors does not, however, intend to issue any additional shares of common stock except on terms which it deems to be in the best interests of the Company and its shareholders.

In the event stockholders approve the Amendment, Article Fourth of the Company's Amended and Restated Certificate of Incorporation will be amended to increase the number of shares of common stock which the Company is authorized to issue from twenty-one million to forty million. The par value of the common stock will remain one cent (\$.01) per share. Upon effectiveness of the Amendment, Article Fourth of the Company's Amended and Restated Certificate of Incorporation will read as follows:

12

"FOURTH: The total number of Common Stock which the Corporation is authorized to issue is forty million (40,000,000), and the par value of each stock share is one cent (\$.01), amounting in the aggregate to \$400,000."

THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS

On December 15, 2003, the Company engaged Marcum & Kliegman LLP ("M&K") as the independent public accountants for the Company and its subsidiaries replacing KPMG LLP, who were dismissed on the same day. The Board of Directors had previously appointed KPMG LLP as the independent accountants for the Company and its subsidiaries for its 2003 fiscal year. The change was approved by the Company's audit committee and Board of Directors. The Company had not consulted with M&K during its two most recent fiscal years nor during any subsequent interim period prior to its appointment as auditor for the fiscal year 2003 regarding the application of accounting principles to a specified transaction either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statement or regarding any matter that was either the subject of a disagreement, within the meaning of Item 304(a)(1)(iv) of Regulation S-K, or any "reportable event," as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

The Company has not yet retained an independent public accountant for fiscal year 2006. The Company intends to initiate negotiations shortly with M&K with respect to retention for fiscal year 2006.

A representative of M&K will be present at the Annual Meeting to make a statement if he desires and to respond to appropriate questions presented at the Meeting.

PRINCIPAL ACCOUNTANT FEES

The fees billed by M&K, the Company's independent auditors for professional services for 2005 and 2004 fiscal years were as follows:

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form PRE 14A

	Fiscal Year 2005 -----	Fiscal Year 2004 -----
Audit Fees	\$100,000	\$82,500
Audit Related Fees	--	--
Tax Fees	--	--
All Other Fees (1)	13,400	7,500

(1) Includes services related to the audit of the Company's employee benefit plan for 2004 and 2005 and for services related to responses to SEC comment letters in 2005.

The Audit Committee has considered whether the provision of the services described above under the headings "Audit Related Fees", "Tax Fees" and "All Other Fees" is compatible with maintaining the auditor's independence and determined that it is. In fiscal year 2005 100% of "All Other Fees" were approved by the Audit Committee.

POLICY ON AUDIT COMMITTEE PRE-APPROVAL OF AUDIT AND PERMISSIBLE NON-AUDIT SERVICES OF INDEPENDENT AUDITORS

The Audit Committee specifically pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval may be provided for up to one year. Each pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date.

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form PRE 14A

The Company will bear all costs in connection with the solicitation by the Board of Directors of proxies of the Meeting. The Company intends to request brokerage houses, custodial nominees and others who hold stock in their names to solicit proxies from the persons who beneficially own such stock. The Company will reimburse brokerage houses, custodial nominees and others for their out-of-pocket expenses and reasonable clerical expenses. It is estimated that these expenses will be nominal. _____ will assist the Company in the mailing of proxy materials and the solicitation of proxies, for which it will be paid \$7,500 plus expenses.
