#### Item 4. Description of Securities.

Not applicable.

# Item 5. Interests of Named Experts and Counsel.

Not applicable.

#### Item 6. Indemnification of Directors and Officers.

Our charter and bylaws provide for indemnification of directors and officers to the full extent permitted by the laws of the State of Maryland.

Section 2-418 of the Maryland General Corporation Law generally permits indemnification of any director or officer made a party to any proceedings by reason of service as a director or officer unless it is established that (i) the act or omission of such person was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty; or (ii) such person actually received an improper personal benefit in money, property or services; or (iii) in the case of any criminal proceeding, such person had reasonable cause to believe that the act or omission was unlawful. The indemnity may be against judgments, penalties, fines, settlements and reasonable expenses actually incurred by the director or officer in connection with the proceeding; provided, however, that if the proceeding is one by or in the right of the corporation, indemnification is not permitted with respect to any proceeding in which the director or officer has been adjudged to be liable to the corporation. The termination of any proceeding by conviction or upon a plea of nolo contendere or its equivalent, or upon an entry of an order of probation prior to judgment, creates a rebuttable presumption that the director or officer did not meet the requisite standard of conduct required for permitted indemnification. The termination of any proceeding by judgment, order or settlement, however, does not create a presumption that the director or officer failed to meet the requisite standard of conduct for permitted indemnification.

If the person involved is not a director or officer of the Registrant, the board of directors may cause the Registrant to indemnify to the same extent allowed for directors and officers of the Registrant the person who was or is a party to a proceeding, by reason of the fact that he is or was an employee or agent of the Registrant, or is or was serving at the request of the Registrant as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise.

The Registrant also maintains, at its expense, a policy of insurance which insures its directors and officers, subject to certain exclusions or deductions as are usual in such insurance policies, against certain liabilities which may be incurred in those capacities, including liabilities arising under the Securities Act. The Registrant has also entered into agreements with certain of its directors and officers which provide them with indemnification against such liabilities to the fullest extent permitted by law.

The above discussion of our charter and bylaws and of the Maryland General Corporation Law is not intended to be exhaustive and is qualified in its entirety by such charter, bylaws and statutes.

#### Item 9. Undertakings.

- (a) The undersigned Registrant hereby undertakes:
- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
  - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant s annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

3

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
