Item 8.01 Other Events

On February 3, 2010, Western Gas Partners, LP (the Partnership) filed a Current Report on Form 8-K (the Initial Report) to report, among other things, the closing of its acquisition of certain midstream assets from certain affiliates of Anadarko Petroleum Corporation (Anadarko), consisting of a 100% ownership interest in the following assets: (i) an approximately 750-mile natural gas gathering system and related compression and other ancillary equipment, known collectively as the Granger gathering system, located in Sublette, Lincoln, Uinta and Sweetwater Counties of Wyoming; and (ii) gas processing facilities with cryogenic capacity of 200 MMcf/d and combined refrigeration capacity of 145 MMcf/d with NGL fractionation located in Sweetwater County, Wyoming. These assets are referred to collectively as the Granger Operations and the acquisition as the Granger Acquisition. Consideration for the Granger Operations consisted of (i) \$241.7 million in cash, which was funded with \$210.0 million of borrowings under the Partnership's revolving credit facility plus cash on hand, and (ii) the issuance of 620,689 common units and 12,667 general partner units to affiliates of Anadarko. The terms of the Granger Acquisition were unanimously approved by the Board of Directors of the Partnership's general partner and by the Board's special committee. On March 26, 2010, the Partnership also filed a Current Report on Form 8-K/A (the Amendment) amending and supplementing the Initial Report to include the audited financial statements of the Granger Operations and the unaudited pro forma financial statements of the Partnership required by Items 9.01(a) and 9.01(b) of Form 8-K and to include exhibits under Item 9.01(d) of Form 8-K. No other modifications to the Initial Report were made by the Amendment.

Due to Anadarko's control of the Partnership through its ownership of the general partner, the acquisition of the Granger Operations was considered a transfer of net assets between entities under common control. As a result, the Partnership is required to revise its financial statements to include the activities of the Granger Operations as of the date of common control. As such, Exhibits 12.1, 99.1, 99.2 and 99.3 included in this Current Report on Form 8-K give retroactive effect to the acquisition of the Granger Operations as if the Partnership owned the Granger Operations since August 23, 2006, the date Anadarko acquired the Granger Operations in conjunction with its acquisition of Western Gas Resources, Inc.

The Partnership's Annual Report Form 10-K for the year ended December 31, 2009 (the 2009 Form 10-K) as filed with the Securities and Exchange Commission (the SEC) on March 11, 2010 is hereby revised by this Current Report on Form 8-K as follows:

The Computation of Ratio of Earnings to Fixed Charges of the Partnership included herein on Exhibit 12.1 supersedes Exhibit 12.1 of *Item 15* in the 2009 Form 10-K.

The Selected Financial and Operating Data of the Partnership included herein on Exhibit 99.1 supersedes *Item 6* in the 2009 Form 10-K.

The Management's Discussion and Analysis of Financial Condition and Results of Operations of the Partnership included herein on Exhibit 99.2 supersedes *Item 7* in the 2009 Form 10-K.

The Consolidated Financial Statements and Supplemental Quarterly Information of the Partnership included herein on Exhibit 99.3 supersede *Item 8* in the 2009 Form 10-K, except for Management's Assessment of Internal Control Over Financial Reporting and the Report of Independent Registered Public Accounting Firm with regard to internal control over financial reporting, included at pages F-2 and F-3 of the 2009 Form 10-K, respectively, which are not impacted by this Current Report on Form 8-K.

Other than the revisions noted above, we have made no attempt to revise any other sections of our 2009 Form 10-K. This report is also being filed to provide the consolidated balance sheet of Western Gas Holdings, LLC as of December 31, 2009, which is included as Exhibit 99.4 to this Current Report on Form 8-K. Western Gas Holdings, LLC is the general partner of the Partnership. The consolidated balance sheet of Western Gas Holdings, LLC includes the net assets of the Granger Operations as if they were owned by the Partnership on December 31, 2009.

This Current Report on Form 8-K should be read in conjunction with the 2009 Form 10-K. Any references herein to *Item 6* of the 2009 Form 10-K refer to Exhibit 99.1, references herein to *Item 7* of the 2009 Form 10-K refer to
