PROXY STATEMENT
for
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON SEPTEMBER 7, 2010
INTRODUCTION

General

This Proxy Statement is being furnished to the shareholders of Iveda Corporation, Inc., a Nevada corporation (the Company), in connection with the solicitation of proxies by the Company's board of directors (the Board of Directors) from holders of the Company's common stock, \$0.00001 par value (Common Stock), to be voted at the Company's Annual Meeting of Shareholders to be held at the offices of the Company located at 1201 S. Alma School Rd., Suite 4450, Mesa, Arizona 85210 on September 7, 2010, at 1 p.m. Mountain Standard Time (the Annual Meeting). At the Annual Meeting, shareholders will be asked to elect four (4) members of the Board of Directors and consider and vote upon a proposal to ratify the appointment of Farber Hass Hurley LLP as the independent registered public accounting firm for the Company for the year ending December 31, 2010.

The Company is a non-operating holding company, and has a wholly-owned operating subsidiary, Intelasight, Inc., a Washington corporation incorporated in January 2005 that does business as Iveda Solutions (Iveda Solutions). The complete mailing address of the executive officers of Iveda Corporation is 1201 S. Alma School Rd., Suite 4450, Mesa, Arizona 85210.

The accompanying Notice of the Annual Meeting of Shareholders, this Proxy Statement, and the enclosed proxy card are first being mailed to shareholders on or about August 13, 2010.

Record Date

The Board of Directors has fixed the close of business on July 23, 2010 as the record date (the Record Date) for determining the holders of the Company's Common Stock. Accordingly, only holders of record of Common Stock at the close of business on the Record Date will be entitled to vote at the Annual Meeting, with each share of Common Stock entitling its holder to one vote on all matters properly presented at the Annual Meeting.

Outstanding Shares

On the Record Date, there were 12,178,507 shares of Common Stock outstanding held by approximately 129 record owners.

Quorum

The presence, in person or by proxy, of a majority of the total number of outstanding shares of Common Stock entitled to vote at the Annual Meeting, or 6,089,255 shares of Common Stock, is necessary to constitute a quorum at the Annual Meeting.

Voting

Each shareholder will be entitled to one vote for each share of Common Stock held of record by the shareholder on the Record Date on all matters submitted for shareholder approval at the Annual Meeting on which the shares are entitled to vote. Shareholders are not entitled to cumulate votes on any proposal proposed for action at the Annual Meeting. Abstentions and broker non-votes will not be counted as an affirmative or negative vote on any proposal.

If your shares are held by a broker on your behalf (that is, in street name), and you do not instruct the broker as to how to vote these shares on any of the proposals, the broker may not exercise discretion to vote for or against those proposals. This would be a broker non-vote and these shares will not be counted as having been voted on the applicable proposal. **Please note that this year the rules that guide how brokers vote your shares have changed. Brokers may no longer vote your shares on the election of directors in the absence of your specific instructions as to how to vote so we encourage you to vote your shares.**

Proxies

The Board of Directors is soliciting the enclosed proxy for use at the Annual Meeting and any adjournments or postponements of that meeting. The proxy holders will not vote the proxy at any other meeting. All proxies that are properly executed, received by the Company prior to or at the Annual Meeting, and not properly revoked by the shareholder in accordance with the instructions below, will be voted at the Annual Meeting or any adjournments or postponements thereof in accordance with the instructions in the proxy.

The shares represented by each signed proxy will be voted in accordance with the instructions given on the proxy. If a signed proxy is received but no instructions are indicated, the proxy will be voted as follows:

FOR the four nominees to the Company's Board of Directors named in this Proxy Statement;

FOR the ratification of the appointment of Farber Hass Hurley LLP as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2010; and

At the discretion of the persons named in the proxy on any other business that may properly come before the Annual Meeting.

The person giving any proxy in response to this solicitation may revoke it at any time before the proxy is voted:

By filing with the Company's corporate secretary, at or before the taking of the vote at the Annual Meeting, a written notice of revocation bearing a later date than the date of the proxy; or

By signing and dating a subsequent proxy relating to the same shares and delivering it to the Company's corporate secretary before the Annual Meeting; or

By attending the Annual Meeting and voting in person.

Attendance at the Annual Meeting without taking one of the foregoing measures will not constitute a revocation of a proxy.

Any written notice revoking a proxy should be sent to Iveda Corporation, Inc., 1201 S. Alma School Rd., Suite 4450, Mesa, Arizona 85210, Attention: Secretary, or hand delivered to the corporate secretary at the Annual Meeting, at or before the taking of the vote.

Notice to Beneficial Owners of Shares

Any shares held in the name of fiduciaries, custodians, or brokerage houses for the benefit of their clients or otherwise held in street name may only be voted by the fiduciary, custodian, or brokerage house itself. The beneficial owner may not directly vote or appoint a proxy to vote the shares and should instruct the person or entity in whose name the shares are held how to vote. Brokerage houses should provide beneficial owners with instructions that the beneficial owners must follow to direct the voting of their shares.

Solicitation of Proxies

We will bear the cost of preparing, printing, and mailing this Proxy Statement and of the solicitation of proxies by the Board of Directors. Solicitation will be made by mail and, in addition, may be made by our directors, officers, and employees personally, or by telephone, facsimile or e-mail. None of those persons will be compensated for soliciting proxies. We will request brokers, custodians, nominees, and other like parties to forward copies of proxy materials to the beneficial owners of the shares and will reimburse such parties for their reasonable and customary charges or expenses in this connection.

Edgar Filing: Iveda Corp - Form DEF 14A

The Board of Directors has appointed an Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee. The following table summarizes our committee membership. Mr. Ly, as a member of management, does not sit on any committees.

Name	Audit	Compensation	Nominating & Corporate Governance
David Ly			
James Staudohar	X(1)		X
Gregory Omi		X	X(1)
Joseph Farnsworth	X	X(1)	X

(1) Chairman

Audit Committee. The Audit Committee was established on February 18, 2010, although the Board of Directors had previously adopted a charter, which was amended on April 13, 2010. The Audit Committee has held two meetings since its establishment. The Audit Committee Charter lists the purposes of the Audit Committee as overseeing the accounting and financial reporting processes of the Company and audits of the financial statements of the Company, and providing assistance to the Board of Directors in monitoring: (1) the integrity of the Company's financial statements; (2) the Company's compliance with legal and regulatory requirements; (3) the independent auditor's qualifications and independence; and (4) the performance of the Company's internal audit function, if any, and independent auditor.

The members of the Audit Committee are Messrs. Staudohar and Farnsworth. The Board of Directors has determined that Mr. Staudohar is an audit committee financial expert as defined in Item 407(d)(5) of Regulation S-K promulgated by the Securities and Exchange Commission. The Board of Directors' conclusion regarding the qualifications of Mr. Staudohar as an audit committee financial expert was based on his service as a chief financial officer of numerous companies in varied industries, his experience as a certified public accountant and his degree in accounting.

Compensation Committee. The Compensation Committee was established on February 18, 2010. The Compensation Committee has held one meeting since its establishment. The Compensation Committee is responsible for: (1) setting base compensation for all executive-level employees; (2) approving bonus plans for executive-level employees; (3) authorizing issuance of Company stock options and/or warrants; (4) reviewing and making recommendations to the Board of Directors regarding bonus plans for non-executive level employees; and (5) making recommendations to the Board of Directors regarding the Company's profit-sharing plans. The Compensation Committee is required to have between 1 and 3 members. The members of the Compensation Committee are Messrs. Farnsworth and Omi. Any compensation decisions regarding members of the Compensation Committee are made by the full Board of Directors. The Compensation Committee does not operate pursuant to a charter and did not utilize the services of an external compensation consultant during the fiscal year ending December 31, 2009.

Nominating and Corporate Governance. The Nominating and Corporate Governance Committee was established on February 18, 2010. The Committee has not held any meetings since its establishment. The members of the Nominating and Corporate Governance Committee are Messrs. Farnsworth, Omi, and Staudohar. The Nominating and Corporate Governance Committee is responsible for: (1) selecting director nominees for the Board of Directors; (2) developing and reviewing Company's governance principles; (3) evaluating the performance of the Board of Directors and its committees; (4) providing recommendations to the Board of Directors concerning the structure and membership of the committees of the Board of Directors; and (5) reviewing, approving and ratifying transactions, if any, with related persons. The Nominating and Corporate Governance Committee does not have established minimum qualification requirements for potential directors, and instead evaluates each candidate on a case-by-case basis, including review of the candidate's resume, interviews with the candidate, and interviews with the candidate's references. The Nominating and Corporate Governance Committee does not operate pursuant to a charter and has not paid any fees to a third party to identify or evaluate potential nominees.

Meeting Attendance

The Board of Directors met four times in person and one time via telephone during fiscal 2010. Each director attended 100% of the meetings of the Board of Directors and each committee on which he served and which met during fiscal 2010.

Independence of the Board of Directors

The Board of Directors has determined that Mr. Farnsworth, Mr. Omi, and Mr. Staudohar each qualify as an independent director based upon those individuals' freedom from relationships with the Company which would impair their ability to exercise independent judgment on behalf of the Company, insofar that none of such persons is party to any consulting, advisory or other arrangement with the Company (other than compensation for their service on the Board of Directors) and none of such persons is an affiliated person of the Company or any of its subsidiaries (as such term is defined for purposes of Section 10A(m)(3)(B)(ii) of the Securities Exchange Act). Mr. Staudohar and Mr. Farnsworth each meet applicable corporate governance standards for independence both as a director and as a member of the committee on which such director serves. The Company did not consider any relationship or transaction between itself and these independent directors not already disclosed in this report in making this determination.

There is no arrangement or understanding between any of the directors or officers of the Company and any other person pursuant to which any director or officer was or is to be selected as a director or officer, and there is no arrangement, plan or understanding as to whether non-management shareholders will exercise their voting rights to continue to elect the current directors to the Board of Directors. There are also no arrangements, agreements or understandings between non-management shareholders that may directly or indirectly participate in or influence the management of the Company's affairs.

There are no agreements or understandings for any officer or director to resign at the request of another person, and none of the officers or directors are acting on behalf of, or will act at the direction of, any other person. There are no family relationships among our executive officers and directors.

Director Nomination Procedures

The Nominating and Corporate Governance Committee considers recommendations from securities holders for candidates for the Board of Directors, as well as candidates recommended by current directors, company officers, employees and others.

Each of the nominees, Messrs. Ly, Farnsworth, Omi, and Staudohar, is an incumbent director. The Board of Directors believes that all of the nominees possess a desirable understanding of the Company and the industry in which it operates, and are independent and otherwise qualified to serve on the Board of Directors, and therefore recommends that all nominees be re-elected as members of the Board of Directors.

Communication with Directors

Any shareholder who wishes to communicate with members of the Board of Directors, individually or as a group, may do so by writing to the intended member or members of the Board of Directors, c/o Secretary, Iveda Corporation, Inc., 1201 S. Alma School Rd., Suite 4450, Mesa, Arizona 85210. Communications should be sent by overnight or certified mail, return receipt requested. All communications will be submitted to the Board of Directors in a timely manner.

Required Vote

Assuming the existence of a quorum, the four nominees receiving the most votes will be elected directors. Nevada corporate law provides that directors are elected by a plurality of the votes cast by the shareholders who are entitled to vote and are present in person or represented by proxy at the meeting. In other words, the four nominees receiving the most votes, even if less than a majority of the shares cast, will be elected to the Board of Directors. Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists at the Annual Meeting, but are not counted and have no effect on the determination of whether a plurality exists with respect to a given nominee.

Director Compensation for Fiscal Year Ended December 31, 2009

Directors have not historically received any compensation for their service on the Board of Directors, except for new members who receive stock options and reimbursement of meeting attendance expenses for all non-employee directors. For the year ended December 31, 2009, no director received any fees, stock awards, options, or other compensation for service on the Board of Directors. Mr. Ly received a salary of \$97,077 in fiscal year 2009 for his service as CEO and President of the Company.

Board Leadership Structure and Role in Risk Oversight

Company's Chief Executive Officer also serves as its Chairman of the Board of Directors. The Board of Directors believes maintaining flexibility regarding whether to combine or separate the positions of Chairman and Chief Executive Officer permits it to select the most qualified candidate for the position of Chairman, including a member of management if the Board of Directors believes he or she will provide the most effective leadership for the Board of Directors. The Board of Directors believes that this leadership structure is advantageous because it allows Company to speak on a unified and consistent basis to its various constituents, both internal and external, and fosters accountability and effective decision-making.

The Board of Directors and each of its standing committees (Audit, Compensation, and Nominating and Corporate Governance) oversee the management of risks inherent in the operation of the Company's business. The Board of Directors has delegated certain risk management responsibilities to the committees. The Board of Directors and the Audit Committee evaluate Company policies with respect to the Company's liquidity risk, regulatory risk, operational risk and enterprise risk through reviews, as needed, with management and other advisors. The Board of Directors and the Governance and Nominating Committee monitor the Company's governance and succession risk through reviews, as needed, with management and outside advisors. The Compensation Committee reviews the impact of the Company's compensation program and the associated incentives to determine whether they present a significant risk to the Company. The Board of Directors has concluded, based on its reviews and analysis of the Company's compensation policies and procedures, that such policies and procedures are not reasonably likely to have a material adverse effect on the Company.

Recommendation of the Board of Directors

The Board of Directors urges the shareholders to vote FOR each of Messrs. Ly, Farnsworth, Omi, and Staudohar.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

Compensation Philosophy and Overview

The Company believes that it is important to design a compensation program that supports the Company's business strategy. As a result, our compensation program emphasizes performance-based compensation and is designed to support the Company's business goals, promote short- and long-term growth, and attract, retain, and motivate key talent. The compensation program has three components:

- (1) base salary;
- (2) bonus awards; and
- (3) long-term performance incentives.

The Company believes that our executive officers and other key employees should have a portion of their potential annual compensation tied to our profitability and other Company goals. Additionally, we seek to align the ability to earn long-term incentives directly with the interests of our shareholders through the use of equity-based incentives. The Company strives to ensure compensation is competitive with companies similar to Company; however, the Company acknowledges that base salaries are currently below market.

AUDIT COMMITTEE REPORT

The Audit Committee was formed in February 2010 and oversees the Company's financial reporting process and compliance with the Sarbanes-Oxley Act of 2002 on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. Regarding the Company's fiscal year ending on December 31, 2009, with respect to the Company's audited financial statements, management of the Company represented to the Audit Committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee reviewed and discussed those financial statements with management. The Audit Committee also discussed with the Company's independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as modified or supplemented. The Audit Committee received the written disclosures from the Company's independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions With Audit Committees), as modified or supplemented, and discussed with the Company's independent registered public accounting firm their independence. Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended December 31, 2009, be included in the Company's Annual Report on Form 10-K for that fiscal year. The Audit Committee members for fiscal year 2009 were: James Staudohar, Chairman; and Joseph Farnsworth

Proposal No. 2

Ratification of Appointment of Company Independent Public Accounting Firm

Independent Registered Public Accounting Firm

The Audit Committee has appointed Farber Hass Hurley LLP (FHH) as independent auditors for the 2010 fiscal year. FHH will audit the Company's consolidated financial statements for the 2010 fiscal year and perform other services. While shareholder ratification is not required by the Company's Bylaws or otherwise, the Board of Directors is submitting the selection of FHH to the shareholders for ratification as a good corporate governance practice. If the shareholders fail to ratify the selection, the Audit Committee may, but is not required to, reconsider whether to retain FHH. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent public accountant or auditor at any time during the year if it determines that such a change would be in the best interest of the Company and its shareholders.

Change in Accountants

Manning Elliott LLP (ME) previously served as our independent auditor. As previously reported on a Form 8-K filed November 2, 2009, we dismissed ME as our independent registered public accounting firm. We engaged FHH to serve as the Company's independent registered public accounting firm for the Company's fiscal year ending December 31, 2009.

The dismissal of ME was a result of the change in the Company's principal offices from Canada to Arizona upon its acquisition of Iveda Solutions as the Company's wholly-owned operating subsidiary.

In connection with the audit of the Company's financial statements for the fiscal years ended January 31, 2009 and 2008, and through October 27, 2009, there were no disagreements between the Company and ME on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which if not resolved to ME's satisfaction, would have caused ME to make reference the subject matter of the disagreement in connection with its audit reports on the Company's financial statements. None of the reportable events set forth in Item 304(a)(1)(iv) or (v) of Regulation S-K occurred during the period in which ME served as the Company's independent registered public accounting firm.

The audit reports of ME on the Company's financial statements as of and for the fiscal years ended January 31, 2009 and 2008 did not contain an adverse opinion or disclaimer of opinion, however, each of the audit reports was modified to note that the significant net losses incurred since inception raised substantial doubt about the Company's ability to continue as a going concern and that the financial statements for each of those fiscal years did not include adjustments that might result from the outcome of those uncertainties.

The Company provided ME a copy of this report prior to its filing with the Securities and Exchange Commission and requested that ME furnish a letter addressed to the Securities and Exchange Commission stating whether ME agrees with the statements made herein. A copy of the letter was filed as an exhibit to an amendment to the aforementioned Form 8-K on November 4, 2009, as permitted by Item 304(a)(3) of Regulation S-K.

On October 27, 2009, the Board of Directors of the Company approved the engagement of FHH to serve as the Company's independent registered public accounting firm for the Company's fiscal year ending December 31, 2009. The decision to change the Company's independent registered public accounting firm was the result of the Board of Directors' determination that it was in the best interests of the Company as FHH is located in the United States (ME is in Canada) and following the Company's acquisition of Iveda Solutions as the Company's wholly owned operating subsidiary, the location of the Company's principal offices changed from Canada to Arizona.

Prior to October 27, 2009, the date that FHH was retained as the independent registered public accounting firm of the Company:

- (1) The Company did not consult FHH regarding either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements;
- (2) Neither a written report nor oral advice was provided to the Company by FHH that they concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; and
- (3) The Company did not consult FHH regarding any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or any of the reportable events set forth in Item 304(a)(1)(v) of Regulation S-K.

Attendance at Annual Meeting

A representative of FHH is expected to be present at the Annual Meeting and will be given an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Fees Billed to the Company by in fiscal 2009 and 2008.

The Company paid or accrued the following fees in each of the prior two fiscal years to its independent auditor, FHH, and its prior independent auditor, ME:

Services Provided	2009	2008
Audit Fees (1)	\$ 21,537	\$ 10,900
Audit-Related Fees	\$ 0	\$ 0
Tax Fees	\$ 0	\$ 0
All Other Fees	\$ 0	\$ 0
 Total	 \$ 21,537	 \$ 10,900

- (1) Audit fees include fees for the audit of our annual financial statements, reviews of our quarterly financial

statements, and
related consents
for documents
filed with the
SEC.

As part of its responsibility for oversight of the independent registered public accountants, the Audit Committee has established a pre-approval policy for engaging audit and permitted non-audit services provided by our independent registered public accountants, FHH. In accordance with this policy, each type of audit, audit-related, tax and other permitted service to be provided by the independent auditors is specifically described and each such service, together with a fee level or budgeted amount for such service, is pre-approved by the Audit Committee. The Audit Committee has delegated authority to its Chairman to pre-approve additional non-audit services (provided such services are not prohibited by applicable law) up to a pre-established aggregate dollar limit. All services pre-approved by the Chairman of the Audit Committee must be presented at the next Audit Committee meeting for review and ratification. All of the services provided by FHH and ME described above were approved by the Board of Directors as the Audit Committee was not established until February 2010.

FHH and ME did not engage any other persons or firms other than the principal accountant's full-time, permanent employees.

Unless otherwise indicated, properly executed proxies will be voted in favor of ratifying the appointment of FHH to audit the Company's books and accounts for the fiscal year ending December 31, 2010.

Recommendation of Board of Directors

The Board of Directors unanimously recommends that you vote FOR the ratification of FHH as the Company's independent auditors.

CODE OF ETHICS

The Company has adopted a Code of Ethics, which was amended and restated on April 13, 2010 as a Code of Conduct and Ethics that applies to all of our officers, directors and employees and a separate Code of Ethics for Chief Executive Officer and Senior Financial Officers that supplements our Code of Conduct and Ethics. The Code of Conduct and Ethics was filed as Exhibit 14.1 to Form 10-K, which was filed on April 15, 2010, and the Code of Ethics for Chief Executive Officer and Senior Financial Officers was filed as Exhibit 14.2 to the same Form 10-K. Each of these policies comprises written standards that are reasonably designed to deter wrongdoing and to promote the behavior described in Item 406 of Regulation S-K promulgated by the Commission.

SHAREHOLDER PROPOSALS FOR 2011 ANNUAL MEETING

Pursuant to Rule 14a-8 under the Exchange Act, some shareholder proposals may be eligible for inclusion in the Company's 2011 proxy statement. Any such proposal must be received by the Company not later than April 15, 2011. Shareholders interested in submitting such a proposal are advised to contact knowledgeable counsel with regard to the detailed requirements of the applicable securities law. The submission of a shareholder proposal does not guarantee that it will be included in the Company's proxy statement. If the shareholder does not also comply with the requirements of Rule 14a-4(c)(2) under the Exchange Act, the Company may exercise discretionary voting authority under proxies it solicits to vote in accordance with its best judgment on any such proposal or nomination submitted by a shareholder.

OTHER MATTERS

As of the date of this Proxy Statement, the Board of Directors is not aware of any business other than the proposals discussed above that will be presented for consideration at the Annual Meeting. If other matters properly come before the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote on such matters in accordance with their best judgment.
