Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Offer to Purchase. The item numbers and responses thereto below are in accordance with the requirements of Schedule TO.

The Offer, proration period and withdrawal rights will expire at 12:00 Midnight, New York city time, on Friday, August 3, 2001, unless the Offer is extended.

Except as amended below, the information set forth in the Offer to

Purchase and the related Letter of Transmittal is incorporated herein by reference with respect to Items 1 through 11 of this Schedule TO.

### Item 7. Source and Amount of Funds or Other Consideration

Section 11 of the Offer to Purchase is hereby amended and restated in its entirety as follows:

"11. Source and Amount of Funds. We will need approximately \$1.7 billion to purchase the number of Shares representing, together with Shares owned by Tyson, 50.1% of the outstanding Shares pursuant to the Offer and to pay related fees and expenses. In addition, we will need approximately \$1.1 billion to repay certain indebtedness of the Company. We intend to obtain such funds from the following credit facilities, which will support aggregate borrowings of up to \$2.85 billion.

- o On July 27, 2001 we entered into a commitment letter with The JPMorgan Chase Manhattan Bank ("Chase"), J.P. Morgan Securities Inc. ("JPMorgan"), Merrill Lynch Capital Corporation ("MLCC"), SunTrust Bank ("SunTrust") and SunTrust Capital Markets, Inc. with respect to a senior unsecured bridge credit facility in an aggregate principal amount of \$2.5 billion (the "Bridge Facility"). The commitments will expire and outstanding loans under the Bridge Facility will mature on the date that is 180 days after the date of execution of definitive documentation for the Bridge Facility. In addition to certain fees, we will pay interest on borrowings under the Bridge Facility which will vary based on the type of borrowing. The initial interest rate for borrowings of Eurodollar loans under the Bridge Facility will be equal to an adjusted LIBOR rate plus 1.10% per annum. The initial interest rate for borrowings of base rate loans under the Bridge Facility will be at an "Alternate Base Rate" (which is the higher of Chase's prime rate or the federal funds effective rate plus 0.5%) plus 0.10%. The interest rate on the Bridge Facility is subject to further adjustment if the facility remains outstanding for more than 120 days or our credit ratings change. The effectiveness of the Bridge Facility is conditioned on the completion of the Offer, completion of definitive documentation, effectiveness of the Receivables Facility Bridge Facility (as defined below) and other customary conditions.
- o On July 27, 2001 we entered into a commitment letter with Chase and JPMorgan with respect to a senior unsecured receivables bridge credit facility in an aggregate principal amount of \$350 million (the "Receivables Bridge Facility"). The commitment will expire and outstanding loans will mature under the Receivables Bridge Facility on the date that is 90 days after the date of execution of definitive documentation for the Receivables Bridge Facility. In addition to certain fees, we will pay interest on borrowings at the rates described above for the Bridge Facility. The effectiveness of the Receivables Bridge Facility is conditioned on the completion of the Offer, completion of definitive documentation, effectiveness of the Bridge Facility and other customary conditions.

If we are unable to consummate the foregoing financing arrangements, we will seek alternative financing arrangements. Following the closing of the transactions, Tyson will seek to refinance the Bridge Facility through the issuance of up to \$2.5 billion of senior unsecured notes of the Company and will seek to refinance the Receivables Bridge Facility with an approximately \$750 million asset backed receivables facility. However, the decision whether or not to affect any refinancing and the timing and nature of such refinancing will

## Edgar Filing: TYSON FOODS INC - Form SC TO-T/A

depend on a number of factors, including, market conditions, interest rates and interest rate spreads and the availability of alternative financing.

In addition, on July 27, 2001 we entered into a commitment letter with Chase, JPMorgan, MLCC, Merrill Lynch Bank USA and SunTrust with respect to a 364-day senior unsecured credit facility in an aggregate principal amount of \$500 million (the "364-Day Facility") and a five-year senior unsecured credit facility in an aggregate principal amount of \$500 million (the "Five-Year Facility"). The proceeds from the 364-Day Facility and the Five-Year Facility will be used to refinance our outstanding senior credit facility in the

aggregate principal amount of \$1 billion, for working capital and, if necessary, to complete the Merger, including the payment of certain fees and expenses incurred in connection with the Offer and the Merger. The 364-Day Facility will expire and the borrowings thereunder will mature on the date that is 364 days after the date of the execution of definitive documentation for the facility. The Five-Year Facility will expire and the borrowings thereunder will mature on the fifth anniversary of the execution of definitive documentation for the facility. In addition to certain fees, we will pay interest on borrowings under the 364-Day Facility and the Five-Year Facility which will vary based on the type of borrowing. The interest rate for Eurodollar loans will be equal to an adjusted LIBOR rate plus a spread to be determined based upon our credit ratings, which spread initially will be 0.850% per annum for the 364-Day Facility and 0.825% per annum for the Five-Year Facility. The interest rate for base rate loans will be the Alternate Base Rate plus a spread to be determined based on our credit ratings."

The commitment letters with respect to the Bridge Facility and the Receivables Bridge Facility are filed as Exhibits (b)(1) and (b)(2), respectively, to this Schedule TO and incorporated herein by reference.
