One Share or One Thousand Shares -- Your Vote Is Important!
Your proxy materials accompanied the Annual Report sent to you in early April. The Proxy Statement summarizes key information about our Board of Directors and discusses the items to be voted upon at the Annual Meeting. Please take a few minutes to review the Proxy Statement and vote your shares. The items to be voted upon this year and the Board's recommendations are noted below.

The Board of Directors recommends a vote FOR proposals 1, 2 and 3:

1. Election of Directors
2. Approval of the 2001 Omnibus Stock Ownership Plan
This Plan will provide employees of the Company and its subsidiaries, as well as non-employee directors, incentives directly linked to the profitability of the Company and increases in shareholder value. The 2001 Plan is similar to McDonald's 1992 Stock Ownership Incentive Plan under which employee stock options have been granted. The 1992 Plan expires on June 1, 2002. The Board believes that the approval of the 2001 Plan will further align the participants' interests with those of shareholders.
3. Approval of Auditors

The Board of Directors recommends a vote AGAINST proposals 4 and 5.

1. Shareholder proposal relating to the U.S. Business Principles for Human Rights of Workers in China
McDonald's is deeply concerned about the protection of human rights in China, and we believe our existing policies and practices in this regard in many ways surpass those raised in the proposal. Further, McDonald's track record in China illustrates that we have not only implemented the proposal but continue to vigorously enforce these policies and principles.
2. Shareholder proposal relating to linking compensation to corporate social performance.
The Compensation Committee of McDonald's Board already reports on executive compensation and considers factors relating to the building of McDonald's reputation for social responsibility when making compensation decisions.

Further, McDonald's was recently listed among Fortune magazine's "America's Most Admired Companies" and in 2000 we were ranked #1 in Fortune's social responsibility category.
