CONSENT STATEMENT
OF
STEVE H. KANZER
FOR
DOR BIOPHARMA, INC.

This Consent Solicitation Statement (this "Consent Statement") is furnished to you by Steve H. Kanzer (the "Solicitor") in connection with a solicitation of written consents from the holders of common stock, par value \$0.001 per share (the "Common Stock"), and Series B convertible preferred stock, par value \$0.05 per share (the "Preferred Stock"; together with the Common Stock, the "Stock"), of DOR Biopharma, Inc., a Delaware corporation ("DOR" or the "Company"), to take the following actions without a meeting of DOR's stockholders, as permitted by the Delaware General Corporation Law (the "DGCL"):

1. Remove (i) all current members of DOR's Board of Directors (the "Board of Directors") other than Steve H. Kanzer, Paul Rubin, M.D., Richard Dunning, Peter Kleim, Guy Rico, and Steven Thornton (the "Remaining Directors"), and (ii) any other person or persons (other than the persons elected pursuant to this consent) elected or appointed to the Board of Directors prior to the effective time of this stockholder action in addition to or in lieu of any of such current members (including any persons elected or appointed in lieu of the Remaining Directors) to fill any newly-created directorship or vacancy on the Board of Directors or otherwise (the "Director Removal Proposal").

2. Elect Gilbert Goldstein, Larry J. Kessel, M.D. and Peter Salomon, M.D., FACG (collectively, the "Nominees") as directors of DOR to serve until their respective successors are duly elected and qualified (the "Director Election Proposal").

3. Repeal any By-Laws adopted by the Board of Directors subsequent to May 23, 2002, and prior to the effectiveness of the Solicitor Proposals (as defined below), other than the amendment to the By-Laws contemplated by this Consent Statement (the "By-Laws Proposal"; collectively with the Director Removal Proposal, and the Director Election Proposal, the "Solicitor Proposals").

The effectiveness of any one Solicitor Proposal is not conditioned upon the adoption of the other Solicitor Proposals.

The Solicitor asks that stockholders of DOR consent to each of the Solicitor Proposals by marking the enclosed white consent form appropriately, signing and dating it, and returning it promptly in accordance with the instructions set forth below.

This Consent Statement and the enclosed consent form are first being furnished to DOR's stockholders on or about May __, 2002.

SUMMARY OF CONSENT PROCEDURE

The Solicitor Proposals will become effective on the date when the written consents of holders of a majority of the shares of Stock outstanding on the record date as determined in accordance with Delaware law (the "Record Date") are delivered to DOR, so long as each of those consents is delivered to DOR within 60 days of the earliest dated consent delivered to DOR. Section 213(b) of the DGCL provides that a corporation's board of directors may fix a

Edgar Filing: KANZER STEVE H - Form DEFC14A

record date for a consent

solicitation, but that the date selected may not be more than ten days after the date upon which the resolution fixing the record date is adopted by the board. Section 213(b) also provides that if the board does not fix a record date, the record date will be the first date on which a signed written consent is delivered to the corporation. Steve H. Kanzer delivered a signed written consent to DOR on May 24, 2002. Accordingly, the Solicitor believes that the Record Date will be May 24, 2002, the date Mr. Kanzer's written consent was received by DOR. The solicitation period will terminate after 60 days from the Record Date; in other words, it will run through July 22, 2002.

To the Solicitor's knowledge, there were at the close of business on the Record Date approximately 20,825,710 shares of Common Stock and 108,442 shares of Preferred Stock outstanding and entitled to vote. Each holder of Common Stock is entitled to one vote for each share of Common Stock held by it as of the Record Date. Each holder of Preferred Stock is entitled to one vote for each share of Common Stock into which a share of Preferred Stock was convertible as of the Record Date. As of the record date, the Solicitor believe each share of Preferred Stock is convertible into 13.55 shares of Common Stock. Consequently, the Preferred Stock was as of the Record Date entitled to an aggregate of 1,469,404 votes. The total voting power represented by the Common Stock and the Preferred Stock as of the Record Date is 22,295,114, with 11,147,557 votes constituting the majority required for adoption of the Solicitor Proposals.

As of the Record Date, Mr. Kanzer owned 391,674 shares of Common Stock, and options exercisable within 60 days for 416,800 shares of Common Stock, representing in the aggregate approximately 3.62% of the voting power of the outstanding Stock as of the Record Date. As of the Record Date, Mr. Goldstein owned 50,423 shares of Common Stock representing in the aggregate approximately 0.23% of the voting power of the outstanding Stock as of the Record Date. Mr. Goldstein's three adult children own approximately 16,807 shares of Common Stock, as to which Mr. Goldstein disclaims beneficial ownership. As of the Record Date, Dr. Kessel owned no shares of Common Stock, although his wife owns 12,500 shares of Common Stock as to which Dr. Kessel disclaims beneficial ownership. As of the Record Date, Dr. Salomon does not own any shares of Common Stock. Accordingly, taken together the Solicitor and the Nominees own a total of 442,097 shares of Common Stock and options exercisable within 60 days, representing in the aggregate approximately 3.85% of the outstanding Stock as of the Record Date.

The Solicitor recommends that you consent to each of the Solicitor Proposals by marking the enclosed white consent form appropriately, signing and dating it, and returning it promptly in the postage-paid envelope provided. Failure to sign and return your consent will have the same effect as voting against the Solicitor Proposals.

If your shares are held in the name of a brokerage firm, bank nominee or other institution, you should contact the person responsible for your account and give instructions for the consent form representing your shares to be marked, dated, signed and mailed. Only that institution can execute a consent form with respect to your shares held in the name of that institution and only upon receipt of specific instructions from you. The Solicitor urges you to confirm in writing your instructions to the person responsible for your account and to provide a copy of those instructions to the Solicitor the address set forth below so that the Solicitor are aware of all instructions given and can attempt to ensure that those instructions are followed.

The Solicitor currently intends to cease the solicitation of consents

Edgar Filing: KANZER STEVE H - Form DEFC14A

once he has determined that valid and unrevoked consents representing a majority of the

voting power represented by issued and outstanding shares of Stock as of the Record Date have been obtained and to deliver those consents to DOR in the manner required by Section 228 of the DGCL as soon as practicable thereafter. When the Solicitor Proposals for which consents are given become effective, a stockholder will be unable to revoke his or her consent.

If the Solicitor Proposals become effective, DOR will as required by the DGCL promptly notify by mail the stockholders who have not consented to the Solicitor Proposals.

Please return your completed consent form (or institution instructions), and direct any questions, to Steve H. Kanzer at the following coordinates:

WHY YOU SHOULD CONSENT TO THE SOLICITOR PROPOSALS

The Solicitor is concerned about the Company's current rate of spending and headcount relative to its available working capital. According to the Company's most recent 10QSB filing, the Company had \$4.7 million in working capital, with a quarterly loss of \$1.9 million (an increase of 61% from a loss of \$1.2 million for the first quarter 2001). The Solicitor disagrees in particular to the Company's rate of spending in the areas of management salaries, headcount, legal and accounting expenditures, and research and development relating to early stage, as opposed to late stage, pharmaceutical product opportunities. In addition, according to the Company's most recent 10QSB filing, "the Company may also seek to obtain funds from possible future public or private sales of our securities". The Solicitor would consider such a sale to be presently inadvisable given the company's low stock price.

The Solicitor believes that DOR has substantial inherent value, has sufficient working capital to meet its objectives, if properly focused. The Solicitor is proposing an alternative slate of directors that is independent of the Company's current or former management. If the consent solicitation is successful, the Solicitor is hopeful that the reconstituted board will direct management to: (i) institute a significant cost cutting program, reduction of Company management and reduction in headcount from its current level of 22 full-time employees; (ii) preserve the Company's existing capital (\$4.7 million as of the most recent 10QSB filing); (iii) focus the Company's remaining existing financial and human resources on completing the ongoing pivotal phase III clinical trial of orBectM1 for Intestinal Graft-Vs-Host Disease (IGVHD) and Phase II trial for Crohn's disease; and (iv) as a consequence, hopefully avoid the need for any immediate dilutive financing until after completion of such trials.

RESULTS OF THE DOR 2002 ANNUAL MEETING OF SHAREHOLDERS

At DOR's Annual Meeting of Stockholders held on May 23, 2002 (the "2002 Annual Meeting"), Mr. Kanzer nominated three individuals to be considered for election to the board of directors of DOR, Mr. Goldstein, Dr. Kessel and a third individual, Mr. Nicholas Stergis. At the 2002 Annual Meeting, Mr. Kanzer voted his 380,258 shares of Common Stock and voting proxies from eight (8)

Edgar Filing: KANZER STEVE H - Form DEFC14A

additional stockholders of record

representing an additional approximately 7,948,850 shares of Common Stock and shares of Common Stock into which the Preferred Stock is convertible in favor of election of Mr. Goldstein, Dr. Kessel and Mr. Stergis. At the 2002 Annual Meeting, the approximately 8,099,621 total votes cast in favor of Mr. Goldstein, Dr. Kessel and Mr. Stergis were not sufficient to successfully elected these individuals to the board of directors due to the approximately 11,500,000 majority of votes cast in favor of the reelection of Mr. Colin Bier, the current Chairman and Chief Executive Officer of DOR, Mr. Michael Rosen, the current President and Chief Operating Officer of DOR and Kenneth Tempero, M.D., Ph.D., the former Chairman of DOR, whom this Consent seeks to remove from the board of directors. Of the 11,500,000 shares voting in favor of Messrs. Bier, Rosen and Dr. Tempero, approximately 8,400,000 shares were voted by transfer agents and various brokerage firms holding shares of Common Stock in "street name" on behalf of other beneficial owners. The Solicitor believes that most of these transfer agents and brokerage firms have standing instructions to vote such "street name" shares for which the beneficial owners fail to respond to a company proxy in a so-called "uncontested election" in favor of the slate of directors recommended by the company absent alternative instructions received from the beneficial owners. The true number of votes cast under standing instructions as described is not known by the Solicitor.

THE SOLICITOR PROPOSALS

The Solicitor is seeking written consents from the holders of shares of Stock to elect the Nominees and adopt the other Solicitor Proposals and to take the following actions without a stockholders meeting, as permitted by the DGCL. The effectiveness of each of the Solicitor Proposals is subject to, and conditioned upon, the adoption of each of the other Solicitor Proposals by the holders of record, as of the close of business on the Record Date, of a majority of the voting power of the shares of Stock then outstanding. If, however, the By-Laws Proposal is not so adopted, the Solicitor reserves the right to waive this condition, but only with respect to the By-Laws Proposal.

Board Removal Proposal

This proposal would remove each of the current members of the Board of directors other than the Remaining Directors (as defined below) and the persons elected pursuant to this consent. The text of the resolution is as follows:

RESOLVED, that (1) each current member of the Board of Directors of DOR, other than Steve H. Kanzer, Paul Rubin, M.D., Richard Dunning, Peter Kleim, Guy Rico, and Steven Thornton (those current members, the "Remaining Directors"), and (2) any other person or persons (other than the persons elected pursuant to this consent) elected or appointed to the Board of Directors of DOR prior to the effective time of this resolution, in addition to or in lieu of any of such current members (including any persons elected or appointed in lieu of the Remaining Directors) to fill any newly created directorship or vacancy on the Board of Directors of DOR, or otherwise, is hereby removed and the office of each such member of the Board of Directors of DOR is hereby declared vacant.

Delaware law provides that directors of DOR may be removed, with or without cause, by the holders of a majority of the shares of stock then entitled to vote at an election of the directors. This Solicitor Proposal would remove three (3) of the current nine (9) directors (other than the Remaining Directors) so that the three (3) Nominees would, if elected, constitute, along with the six (6) Remaining Directors all of the nine (9) members of the Board of Directors. Each member of the Board of Directors would then serve until a successor is elected

Edgar Filing: KANZER STEVE H - Form DEFC14A

and qualified or until he resigns or is removed.

Director Election Proposal

This proposal would elect Gilbert Goldstein and Drs. Larry J. Kessel and Peter Salomon as directors of DOR. The text of the resolution is as follows:

RESOLVED, that Gilbert Goldstein, Larry J. Kessel, M.D. and Peter Salomon, M.D. are hereby elected as directors of DOR, to serve until their respective successors are duly elected and qualified.

The Solicitor seeks to replace Messrs. Bier, Rosen and Dr. Tempero with the three (3) Nominees. Pursuant to this Solicitor Proposal, the three (3) Nominees would, if elected, constitute, along with the six (6) Remaining Directors all of the nine (9) members of the Board of Directors. The Solicitor proposes that the Nominees named above, once elected, serve until the next annual meeting of the stockholders and until their successors have been duly elected and qualified. Each of the Nominees has consented to serve as a director of DOR if elected. See "Certain Information Regarding the Solicitor and the Nominees" for more information about the Nominees.

By-Laws Proposal

This proposal would repeal each provision of any amendment to the By-Laws adopted subsequent to May 24, 2002 (the day Mr. Kanzer delivered his own Consent to DOR and initially filed his consent solicitation documents for review by the Securities and Exchange Commission ("SEC")), and prior to the effectiveness of the Solicitor Proposals, other than the amendment to the By-Laws contemplated by this Consent Statement. This proposal is designed to prevent the existing Board of Directors from taking actions to amend the By-Laws which might prevent the stockholders from accomplishing the objectives described in this Consent Statement. The Solicitor is not currently aware of any amendments to the by-Laws that would be repealed upon effectiveness of the Solicitor Proposals. If the current Board of Directors adopts any material amendments they would be repealed upon effectiveness of the Solicitor Proposals. The Solicitor will provide stockholders with additional materials regarding those amendments. The text of the resolution is set forth below.

RESOLVED, that all By-Laws adopted subsequent to May 24, 2002, and prior to the effectiveness of this resolution are null and void and of no force and effect.

Section 109 of the DGCL provides that "the power to adopt, amend or repeal bylaws shall be in the stockholders entitled to vote ...; provided, however, any corporation may, in its certificate of incorporation, confer the power to adopt, amend or repeal bylaws upon the directors The fact that such power has been so conferred upon the directors ... shall not divest the stockholders ... of the power, nor limit their power to adopt, amend or repeal bylaws." The Solicitor believes that such an unequivocal statement makes it clear that the stockholders of DOR have the power under Delaware law to repeal By-Laws as provided by the By-Laws Proposal, whether or not the By-Laws so amended or repealed are known to the stockholders. To the knowledge of the Solicitor, the Delaware courts have not addressed the validity of a proposal in the form of the By-Laws Proposal. Based upon a review of the By-Laws on file with the Commission as of May 24, 2002, the Solicitor does not believe that the invalidity of this proposal would have an adverse effect on the stockholders or this consent solicitation. Upon effectiveness of this proposal, all By-Laws adopted subsequent to May 24, 2002, whether they could be considered as beneficial or detrimental to the stockholders, will be repealed. If prior to the

Edgar Filing: KANZER STEVE H - Form DEFC14A

effectiveness of the Solicitor Proposals the Board of Directors adopts any material amendments to the By-Laws that are relevant to the Solicitor Proposals, the Solicitor will forward additional solicitation materials to DOR's stockholders regarding those actions.

Mr. Kanzer serves on the board of directors of DOR as a nominee of the Aries Master Fund II and the Aries Domestic Fund, who subsequently transferred their right to nominate a member to the board of directors of DOR to Aries Select, Ltd., or Aries, and Aries Select I LLC, or Aries I, each of which is a principal stockholder of DOR. Aries Select II LLC, or Aries II, is also a stockholder of DOR. From February 1992 until December 1998, Steve H. Kanzer was a Senior Managing Director of Paramount. Edgar Filing: KANZER STEVE H - Form DEFC14A

or an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded. In the case of this consent solicitation, written, unrevoked consents of the holders of a majority of the outstanding shares of Stock as of the Record Date must be delivered to DOR as described above to effect the actions as to which consents are being solicited hereunder. Section 228 of the DGCL further provides that no written consent shall be effective to take the corporate action referred to therein unless, within 60 days of the earliest dated consent delivered in the manner required by Section 228, written consents signed by a sufficient number of holders to take such action are delivered to the corporation in the manner required by Section 228.

The Solicitor currently intend to cease the solicitation of consents once they have determined that valid and unrevoked consents representing a majority of the voting power represented by issued and outstanding shares of Stock as of the Record Date have been obtained and to deliver those consents to DOR

in the manner required by Section 228 of the DGCL as soon as practicable thereafter. When the Solicitor Proposals for which consents are given become effective, a stockholder will be unable to revoke his or her consent.

If the Solicitor Proposals become effective, DOR will as required by the DGCL promptly notify by mail the stockholders who have not consented to the Solicitor Proposals.

Consents may only be executed by stockholders of record at the close of business on the Record Date. To the best knowledge of the Solicitor, as of the close of business on the Record Date there were outstanding approximately 20,825,710 shares of Common Stock and 1,469,404 shares of Preferred Stock. Given that the Solicitor owns in the aggregate shares accounting for less than 4% of the voting power of the Stock, consents of stockholders owning approximately 47% of the voting power of the outstanding shares of Stock other than those owned by the Solicitor on the Record Date are still required to adopt the Solicitor Proposals. Since the Solicitor must receive consents from the holders of a majority of the voting power represented by DOR's outstanding shares in order for the Solicitor Proposals to be adopted, a broker non-vote or direction to withhold authority to vote on the consent form will have the same effect as a "no" vote with respect to the Solicitor' solicitation.

Consent Form Special Instructions

If you were a record holder as of the close of business on the Record ate, you may elect to consent to, withhold consent or abstain with respect to each Solicitor Proposal by marking the "CONSENT," "WITHHOLD CONSENT," or "ABSTAIN" box, as applicable, underneath EACH Solicitor Proposal on the accompanying white consent form and signing, dating and returning it promptly in the enclosed postage-paid envelope. Each consent form will be voted in accordance with the stockholder's instruction on that consent form. As to the Solicitor Proposals set forth herein, stockholders may consent to an individual Solicitor Proposal or may withhold their consent by marking the proper box in the consent form. If the enclosed consent form is signed and returned and no direction is given, it will be voted in favor of all of the Solicitor Proposals and if the consent form is signed and returned and not dated, it will be dated on or about the date it is received.

If any stockholder who has executed and returned the white consent form has failed to check a box marked "CONSENT," "WITHHOLD CONSENT," or "ABSTAIN" for any or all of the Solicitor Proposals, that stockholder's consent form will be

voted in favor of that Solicitor Proposal or those Solicitor Proposals.

The Solicitor recommend that you consent to each of the Solicitor Proposals. Your consent is important. Please mark, sign and date the enclosed white consent form and return it promptly in the enclosed postage-paid envelope to the address set forth under "Summary of Consent Procedure." Failure to return your consent form will have the same effect as withholding consent to the Solicitor Proposals.

If your shares are held in the name of a brokerage firm, bank nominee or other institution, you should contact the person responsible for your account and give instructions for the consent form representing your shares to be marked, dated, signed and mailed. Only that institution can execute a consent form with respect to your shares held in the name of the institution and only upon receipt of specific instructions from you. The Solicitor urge you to confirm in writing your instructions to the person responsible for your account and to provide a copy of those instructions to Steve H. Kanzer at the address set forth under "Summary of Consent

Procedure" so that the Solicitor are aware of all instructions given and can attempt to ensure that such instructions are followed.

Broker non-votes, abstentions, or failure to return a signed consent will have the same effect as withholding consent to the Solicitor Proposals. The Solicitor urge each stockholder to ensure that the record holder of his or her shares marks, signs, dates and returns the enclosed white consent form as soon as possible.

REVOCATION; COSTS OF CONSENT SOLICITATION

A consent executed by a stockholder may be revoked at any time before its exercise by submitting (i) a written, dated revocation of that consent or (ii) a later dated consent covering the same shares. A revocation may be in any written form validly signed by the record holder as long as it clearly states that the consent previously given is no longer effective and must be executed and delivered prior to the time that the action authorized by the executed consent is taken. The revocation may be delivered to Steve H. Kanzer, 801 Brickell Avenue, Suite 900, Miami, FL 33131.

The purpose of the Solicitor Proposals being made by the Solicitor in this Consent Statement is to advance the interests of all of DOR's stockholders. Therefore, the Solicitor believe that their expenses in connection with the consent solicitation, which are being paid by Mr. Kanzer, should be reimbursed by DOR. The cost of the solicitation of consents to the Solicitor Proposals will be initially borne by the Solicitor. The Solicitor intend to seek reimbursement of their expenses from DOR if the Solicitor Proposals become effective. This request will not be submitted to a stockholder vote. Costs related to the solicitation of consents to the Solicitor Proposals include expenditures for attorneys and postage and are expected to aggregate approximately \$20,000. To date, the Solicitor have incurred costs of approximately \$5,000. The actual costs and expenses could be materially different than the estimate set for above, and, in particular, could be substantially higher if for any reason litigation is instituted in connection with the matters related to this Consent Statement.

Your consent is important. No matter how many or how few shares you own, please consent to the Solicitor Proposals by marking, sign, dating, and mailing the enclosed white consent form promptly.
