Recent Developments:

On October 1, 2000, FleetBoston and Summit Bancorp. ("Summit") entered into an Agreement and Plan Merger pursuant to which Summit will merge with and into FleetBoston, with FleetBoston as the surviving corporation. The merger, which is subject to approval by Summit's shareholders and to the expiration of certain regulatory waiting periods, is expected to be completed in early March 2001 and is expected to be accounted for as a pooling of interests. As of September 30, 2000, Summit had approximately \$39.5 billion in assets and approximately \$3 billion in stockholders' equity.
