INDEPENDENT BANK CORP. PROXY STATEMENT

I. Date, Time, and Place of Annual Stockholders Meeting

The Board of Directors (the Board) of Independent Bank Corp. (the Company) is making this proxy solicitation and furnishes this Proxy Statement to the holders of the Company's common stock, \$.01 par value per share (Common Stock), in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders (Annual Meeting) to be held at the Plimoth Plantation, 137 Warren Avenue on Route 3A, Plymouth, Massachusetts on Thursday, April 22, 2004 at 3:30 p.m., local time, and also for use at any adjournments of the Annual Meeting. Rockland Trust Company, the Company's wholly-owned banking subsidiary, is referred to in this Proxy Statement as Rockland Trust.

II. Date of Proxy Statement

This Proxy Statement was filed with the United States Securities and Exchange Commission (the SEC) on March 10, 2004 and the Board anticipates that it will be mailed to stockholders on or about March 15, 2004.

III. Purposes of Annual Meeting

The Annual Meeting will be held for the following purposes:

- (1) To elect four Class II Directors; and
- (2) To transact any other business which may properly come before the Annual Meeting.

IV. Voting of Proxies, Revocability of Proxies, and Voting Procedures Generally

Each proxy solicited hereby, signed and returned to the Company and not revoked, in writing, prior to its use, will be voted in accordance with the instructions contained therein. The Board recommends that you vote as follows:

- (1) **FOR ALL NOMINEES** with respect to the reelection of W. Paul Clark, Benjamin A. Gilmore, II, Christopher Oddleifson, and John H. Spurr, Jr. as Class II Directors; and

(2) upon such other matters as may properly come before the Annual Meeting, in accordance with the best judgment of the persons appointed as proxies.

Any stockholder giving a proxy has the power to revoke it at any time before it is exercised by (i) filing a written notice of revocation with the Clerk at least one business day prior to the Annual Meeting, (ii) submitting a duly executed proxy bearing a later date which is received by the Clerk at least one business day prior to the Annual Meeting, or (iii) appearing at the Annual Meeting and giving the Clerk written notice of his or her intention to vote in person. Proxies solicited hereby may be exercised only at the Annual Meeting and any adjournments thereof and will not be used for any other meeting.

Only stockholders of record at the close of business on February 27, 2004 (Voting Record Date) will be entitled to vote at the Annual Meeting and any adjournments thereof. On the Voting Record Date, there were 14,659,376 shares of Common Stock issued and outstanding. Each share of Common Stock is entitled to one vote at the Annual Meeting.

The By-Laws of the Company require that the holders of a majority of all shares of Common Stock then outstanding and entitled to vote be present in person or be represented by proxy at the Annual Meeting in order to

constitute a quorum for the transaction of business. Abstentions and broker non-votes are counted for purposes of determining the presence of a quorum.

A plurality of votes cast by stockholders present, in person or by proxy, at the Annual Meeting is required for the election of directors. Abstentions are counted as a negative vote in the tabulations of the votes on proposals presented to stockholders, whereas broker non-votes are disregarded for purposes of determining whether a proposal has been approved.

Table of Contents

V. Matters to be Voted Upon at Annual Meeting

A. Election of Class II Directors (Notice Item 1)

The Company's Articles of Organization provide that the Board shall be divided into three classes as nearly equal in number as possible, and that the members of each class are to be elected for a term of three years. Currently, there are 12 members of the Board, divided into three classes of Directors.

Directors continue to serve until their three-year term expires and until their successors are elected and qualified, unless they earlier retire in accordance with the Company's mandatory retirement age for Directors (at age 72), die, resign, or are removed from office. One class of directors is to be elected annually. The Joint Nominating and Corporate Governance Committee of the Board (the Joint Nominating Committee) has nominated the following four Class II Directors (the Board Nominees) for reelection at the Annual Meeting:

Board Nominees: Class II Directors (Term Expires in 2004):

W. Paul Clark. Age 68. Mr. Clark is the President and General Manager of Paul Clark, Inc., a Ford and Volkswagen dealership in Brockton, Massachusetts. Mr. Clark has served as a Director of Rockland Trust since 1970 and as a Director of the Company since 1986.

Benjamin A. Gilmore, II. Age 56. Mr. Gilmore is President of Gilmore Cranberry Co., Inc., a cranberry grower in South Carver, Massachusetts. Mr. Gilmore became a Director of the Company and of Rockland Trust in 1992.

Christopher Oddleifson. Age 45. Mr. Oddleifson has served as President and Chief Executive Officer of the Company and of Rockland Trust since 2003. From 1998 to 2002 Mr. Oddleifson was President of First Union Home Equity Bank, a division of First Union Corporation (now Wachovia Corporation) in Charlotte, North Carolina. Prior to First Union Home Equity Bank, Mr. Oddleifson was a member of the Management Committee of Signet Bank in Richmond, Virginia, responsible for consumer banking.

John H. Spurr, Jr. Age 57. Mr. Spurr is President of A. W. Perry, Inc. and A.W. Perry Security Corporation, real estate investment companies in Boston, Massachusetts. Mr. Spurr became a Director of Rockland Trust in 1985 and a Director of the Company in 2000.

The Company, under the direction of the Board of Directors, continues to enhance its long-term value and provide long-term financial returns to stockholders. The Joint Nominating Committee therefore recommends reelection of all four of the Board Nominees.

Unless instructions to the contrary are received, it is intended that the shares represented by proxies will be voted for the reelection of the Board Nominees as Class II Directors. The Company has no reason to believe that any of the Board Nominees will be unable to serve. If, however, any of the Board Nominees should not be available for election at the time of the Annual Meeting, it is the intention of the persons named as proxies to vote the shares to which the proxy relates, unless authority to do so has been withheld or limited in the proxy, for the election of such other person or persons as may be designated by the Board or, in the absence of such designation, in such other manner as they may, in their discretion, determine.

The Joint Nominating Committee Therefore Recommends That You Vote

FOR ALL NOMINEES And Reelect The Board Nominees.

B. Other Matters (Notice Item 2)

The proxy also confers discretionary authority with respect to any other business which may come before the Annual Meeting, including rules for the conduct of the Annual Meeting. The Board knows of no other matter to be presented at the Annual Meeting. It is the intention of the persons named as proxies to vote the

Table of Contents

shares to which the proxies relate according to their best judgment if any matters not included in this Proxy Statement come before the Annual Meeting.

B. Information Regarding the Board and its Committees

B(1). Corporate Governance Information

While the Company has always had a strong corporate governance record, during 2003 the Company took additional steps to enhance its corporate governance practices. When the time came to choose a new Chairman of the Board in mid-2003, the Board unanimously selected Thomas J. Teuten, an independent outside Director, as Chairman of the Board of both the Company and of Rockland Trust, thereby formally separating the Chairman and Chief Executive Officer (CEO) roles.

Table of Contents

During 2003 the Board formed a special purpose Corporate Governance Committee, composed of Director Anderson as Chairman and Directors Clark, Donovan, Jones, Sgarzi and Teuten, to review current corporate governance best practices. On February 12, 2004 the efforts of the Board's best practices review culminated when, based upon the recommendations of the Corporate Governance Committee, the Board adopted a written statement of Governance Principles, a revised Audit Committee Charter, and written charters for all of the Board Committees which had not previously had them. The Boards of the Company and Rockland Trust also combined and consolidated existing board Committees on February 12, 2004, as described below. The Company's Governance Principles, as well as the Charter for each current Committee of the Board of the Company and/or of Rockland Trust may be viewed by accessing the *Shareholders* link on the Rockland Trust website (<http://rocklandtrust.com>). The Company's Common Stock ownership guidelines for Directors are set forth in the Company's Governance Principles.

Rockland Trust adopted a written Code Of Ethics long ago to assist its Directors, officers, and employees in adhering to their ethical and legal responsibilities. During 2003 the Company and Rockland Trust together adopted a Joint Code Of Ethics to comply fully with the Sarbanes-Oxley Act. The current version of the Joint Code Of Ethics may be viewed by accessing the *Shareholders* link on the Rockland Trust website (<http://rocklandtrust.com>).

NASDAQ Stock Market (NASDAQ) rules, and the Company's Governance Principles, require that at least a majority of the Company's Board be composed of independent Directors. All of the Company's Directors other than Mr. Oddleifson, who is the CEO and President of the Company and Rockland Trust, are independent within the meaning of both the NASDAQ rules and the Company's own Corporate Governance Principles. Eleven of the Company's 12 Directors, therefore, are currently independent Directors.

None of the Company's 12 Directors are members of board of directors of any other publicly-traded company. The Company's formal position on the time which Directors must be willing to devote to their duties is set forth in the Company's Governance Principles.

B(2). Annual Meeting Attendance and Meetings of the Board and its Committees

It is the policy of the Company that, to the extent possible, all Directors attend the Annual Meeting. All of the Company's current Directors attended last year's Annual Meeting.

During 2003, the Boards of the Company and Rockland Trust had 12 concurrent meetings. All Directors attended at least 75% of the meetings of the Company's Board during 2003.

During 2003 the Board of the Company had standing Executive, Audit, Stock Option Plan and Nominating Committees. During 2003 the Board of the Company also formed a special purpose Corporate Governance Committee, which met three times. During 2003 the Rockland Trust Board had standing Executive, Audit, Compensation, and Trust Committees.

During 2003 the Executive Committees of the Company and Rockland Trust were composed of the same permanent and rotating members, with Messrs. Clark (who acted as Chairman of the Executive Committee), Oddleifson, Sgarzi, and Teuten the permanent members of the Executive Committee. During 2003 all other members of the Board served on the Executive Committees of the Company and Rockland Trust in a rotating capacity for three months at least once during the year.

Until April 10, 2003, the Audit Committee of the Company was comprised of Messrs. Spurr, as Chairman, Clark, and former Director Robert L. Cushing, who resigned from the Board as of April 10, 2003. On May 8, 2003 the Board voted to combine the Audit Committees of the Company and of Rockland Trust into a Joint Audit Committee, with

membership comprised of Messrs. Spurr, as Chairman, Sullivan, as Vice Chairman, Clark, Donovan, and Hall.

The Rockland Trust Compensation Committee held 16 meetings in 2003. Its membership was comprised of permanent members Messrs. Clark, who served as Chairman, Sgarzi, and Teuten, plus those Directors serving as rotating members of the Executive Committee of Rockland Trust at the time of the Compensation Committee meeting.

All Directors attended at least 75% of the 2003 Committee meetings of the Company's Board of which they were members, with the exception of Director Tedeschi, who attended two meetings out of six of his rotating Executive Committee term.

No executive officer of the Company or of Rockland Trust served on the Stock Option Committee of the Company or on the Rockland Trust Compensation Committee. Aside from the Company's Stock Option Committee and the Rockland Trust Compensation Committee, no Director or executive officer of the Company or Rockland Trust served on the Stock Option Committee or Compensation Committee of any other entity which determined whether to award compensation to any Director or executive officer.

On February 12, 2004 the Committee structure for the Boards of the Company and Rockland Trust were combined and consolidated so that the Boards of the Company and Rockland Trust currently have: a Joint Audit Committee, a Joint Compensation Committee, a Joint Executive Committee, and the Joint Nominating Committee. The Rockland Trust Board continues to have a separate Trust Committee. The role, purpose, and function of each of the current Committees of the Boards of the Company and Rockland Trust are described in their Charters, which may be viewed by accessing the *Shareholders* link on the Rockland Trust website (<http://rocklandtrust.com>).

The current members of the Joint Nominating Committee are Director Anderson, as Chairman, and Directors Clark, Donovan, Jones, Sgarzi and Teuten. The Board has determined that each of the Joint Nominating Committee's current members are independent as defined under NASDAQ rules. The role, purpose, and function of the Joint Nominating Committee is described in its Charter, which may be viewed by accessing the *Shareholders* link on the Rockland Trust website (<http://rocklandtrust.com>). The role of the Joint Nominating Committee includes selecting Director nominees to be presented for shareholder approval at the Annual Meeting, including the nomination of sitting Directors for reelection and the consideration of any Director nominations submitted by shareholders. All Director candidates are evaluated in accordance with the

Table of Contents

criteria set forth in the Company's Governance Principles with respect to Director qualifications. The Joint Nominating Committee is authorized to retain advisors or consultants from time to time to assist in carrying out its functions. For information relating to nominations of directors by our stockholders, see Submission of Stockholder Director Nominations below.

Sarbanes-Oxley Act of 2002 (Sarbanes-Oxley Act). The Company s audit committee financial expert is its Chairman, John H. Spurr, Jr.

The Joint Audit Committee operates under a written charter adopted and approved by the Board. On February 12, 2004, the Board, acting upon the recommendation of the Joint Audit Committee, approved and adopted the revised written charter that is attached as Exhibit A to this Proxy Statement.

The Joint Audit Committee is responsible for providing independent, objective oversight of the Company s audit process and for monitoring the Company s accounting, financial reporting, data processing, regulatory, and internal control functions. One of the Joint Audit Committee s primary responsibilities is to enhance the independence of the audit function, thereby furthering the objectivity of financial reporting. Accordingly, the Joint Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the Company s independent auditors, who must report directly to the Joint Audit Committee. The Joint Audit Committee regularly meets privately with the Company s independent auditors, who have unrestricted access to the Joint Audit Committee.

The other duties and responsibilities of the Joint Audit Committee are to: (1) oversee and review the Company s financial reporting process and internal control systems; (2) evaluate the Company s financial performance, as well as its compliance with laws and regulations; (3) oversee management s establishment and enforcement of financial policies; and (4) provide an open avenue of communication among the independent auditors, financial and senior management, the Internal Audit Department and the Board, including the resolution of any disagreements that may arise regarding financial reporting.

The Joint Audit Committee has:

reviewed and discussed the audited financial statements of the Company for the fiscal year ended December 31, 2003 with the Company s management and KPMG LLP, the Company s independent auditor, including a discussion of the quality and effect of the Company s accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements;

discussed the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees) with KPMG LLP, including the process used by management in formulating particularly sensitive accounting estimates and the basis for the conclusions of KPMG LLP regarding the reasonableness of those estimates; and

met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company s internal controls and the overall quality of the Company s financial reporting.

The following table shows the fees paid or accrued by the Company for audit and other services provided by KPMG LLP during the fiscal years ended December 31, 2003 and December 31, 2002:

The Joint Audit Committee has also received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees), has discussed the independence of KPMG LLP and considered whether the provision of non-audit services by KPMG LLP is compatible with maintaining auditor independence, and has satisfied itself as to the auditor's independence.

Based on the review and discussions noted above, the Joint Audit Committee has recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for filing with the SEC. B. Report of Joint Compensation Committee on Executive Compensation²

B(1). Executive Compensation Administration and History

The executive compensation program of the Company and Rockland Trust has four primary components: base salary, annual cash incentive compensation, long-term compensation (equity-based opportunities), and benefits. Prior to February 12, 2004, the Company Board had formed a Stock Option Plan Committee to administer equity-based compensation and the Rockland Trust Board had formed a Compensation Committee to administer base salary, cash incentives, and benefits. On February 12, 2004 the Boards of the Company and Rockland Trust formed a Joint Compensation Committee and approved a Joint Compensation Charter to outline its role and duties. Base salary, cash incentives, benefits, and equity based opportunities are now all administered by the Joint Compensation Committee in accordance with its Charter.

The Joint Compensation Committee, subject to the provisions of the Company's 1987 Employee Stock Option Plan (the 1987 Plan) and the 1997 Employee Stock Option Plan (the 1997 Plan) and, collectively with the 1987 Plan, the Plans), has plenary authority in its discretion to determine the employees of the Company and Rockland Trust to whom stock options shall be granted, the number of shares to be granted to each employee, the time or times at which

options should be granted. The Joint Compensation Committee also has plenary authority to interpret the Plans and to prescribe, amend, and rescind rules and regulations relating to the Plans. The 1987 Plan expired in 1997, and no additional stock options may be granted under it.

² This Report shall not be deemed to be incorporated by reference into any of the Company's previous filings with the SEC and shall not be deemed incorporated by reference into any of the Company's future SEC filings irrespective of any general incorporation language therein.

Table of Contents

The current membership of the Joint Compensation Committee is comprised of the Directors identified below. The Joint Compensation Committee strives to balance short-term and long-term Company performance and shareholder returns in establishing performance criteria. The Joint Compensation Committee evaluates executive compensation against these performance criteria and competitive executive pay practices before determining changes in base salary, the amount of any incentive payments, stock option awards, and other benefits.

In 1994, the Company reviewed the objectives of Rockland Trust's qualified and non-qualified retirement plans in light of the Congressional Omnibus Budget Reconciliation Act of 1993 and its effects on qualified retirement plan benefits. Based upon that review, the Company established that the objective of its non-qualified retirement program would be to replace from all Bank-funded sources, inclusive of social security, approximately 60% of the average of the highest five year annual covered compensation for a full 25-year career, with proportionate reduction for less than a 25-year career.

In 1997, the Company engaged performance compensation consultants Sibson and Company (Sibson) to review Rockland Trust's performance based cash compensation program for executive officers and other officers of Rockland Trust. Sibson's review encompassed total compensation, peer compensation levels, and the linkage between cash incentive compensation, plan results, and bank performance. Sibson found that Rockland Trust's compensation program is competitive and has supported performance improvement. Sibson's recommendations are incorporated in the cash incentive compensation programs for executive officers and other officers of Rockland Trust, which determines whether cash bonuses are paid based principally upon comparison of the Company's performance on Return on Assets, Return on Equity, and measures of asset quality to peer financial institutions, as well as upon regulatory compliance and other performance factors.

In 1998, the Company amended the objective of its non-qualified retirement program to include cash incentive compensation in the calculation of retirement income objectives. This was done in response to current peer practices in this area of long-term compensation and was consistent with the results of Hay's published survey of executive retirement practices.

In 1999, to help accomplish the amended non-qualified retirement program objective, the Company created an additional supplemental executive retirement plan, which was later implemented through a funded Rabbi Trust (the Rockland SERP).

In 2003, the Company again engaged Hay Management Consultants (Hay) to review base salary ranges for its executive officers. Hay conducts market analyses of cash compensation and uses its proprietary job evaluation process to recommend salary ranges that reflect competitive factors and maintain internal equity. Salary ranges were adjusted based upon Hay's recommendations. Management has used the Hay process since 1993 to establish base salary ranges for most officer positions in Rockland Trust.

In addition to the recommendations of Sibson and Hay, Rockland Trust utilizes, for normative purposes, SNL Securities Executive Compensation Review for Commercial Banks. This review provides a summary of the compensation of the top five executive officers of all publicly traded U. S. commercial banks as reported in their Proxy Statements.

B(2). Base Salary and Cash Bonuses for Current Executive Officers

The Company determined the base salary for Mr. Oddleifson, the current CEO, which is disclosed in the Summary Compensation Table set forth below, when he was hired in 2003 based upon reported information on salaries paid to CEOs at peer institutions, the salary paid to his predecessor Douglas H. Philipsen, and other relevant considerations.

The Board evaluates, at least twice a year, Mr. Oddleifson's performance in light of established corporate achievement goals and objectives. A review of Mr. Oddleifson's performance for 2003 was conducted at executive sessions of the Board in September 2003 and again in February 2004. The Board will complete its review of Mr. Oddleifson in March 2004. The Board will consider an award to Mr. Oddleifson under the 2003 cash incentive program for executive officers (the 2003 Executive Incentive Plan), as disclosed in the Summary Compensation Table set forth below, in March of 2004.

Table of Contents

Messrs. Fuerschbach, Jankowski, Kelley, Seksay, and Sheahan were granted base salary increases and a cash performance incentive award by the Company, effective April 2003. Those salary increases and cash awards were based on the Company's results and their individual performance within the framework of the salary ranges established using the Hay process and the 2002 cash incentive compensation program for executive officers. Year 2003 performance evaluations for these officers will be completed in March 2004. The Board will consider an award to Messrs. Fuerschbach, Jankowski, Kelley, Seksay, and Sheahan under the 2003 Executive Incentive Plan in March of 2004.

The Company determined the base salary for Ms. Geogan when she was hired in early 2004 based upon prevailing market conditions. Ms. Geogan is not eligible for an award under the 2003 Executive Bonus Plan.

B(3). Stock Options Awarded to Current Executive Officers

Messrs. Oddleifson, Fuerschbach, Jankowski, Kelley, Seksay, and Sheahan received stock option awards under the 1997 Plan in December 2003. Ms. Geogan was awarded stock options under the 1997 Plan when she was hired in early 2004. Each option, as disclosed in the Summary Compensation Table, provides the right to purchase a fixed number of shares at the fair market value on the business day preceding the grant. The number of shares granted to each executive officer in 2003 reflects the Company's assessment of the individual's relative contribution to the Company, long-term compensation practices prevalent in the industry, and the impact of such options on shareholder dilution.

B(4). Supplemental Retirement Benefits for Current Executive Officers

Prior to 2003 the Company authorized, at different times, supplemental retirement programs for Messrs. Kelley, Fuerschbach, Seksay, and Sheahan utilizing split dollar life insurance agreements (the Executive Split Dollar Agreements). In 2003, in response to potential issues with respect to the Executive Split Dollar Agreements due to the Sarbanes-Oxley Act and Internal Revenue Service Notice 2002-8, the Company engaged Segal Consulting (Segal) to advise the Company and make recommendations on the best alternative for funding executive officer non-qualified retirement programs. As a result of Segal's recommendations, which were reviewed by KPMG LLP, Messrs. Fuerschbach, Kelley, Seksay, and Sheahan were given the option of assigning ownership of the life insurance policies subject to the Executive Split Dollar Agreements to Rockland Trust or purchasing them. Messrs. Fuerschbach, Seksay, and Sheahan elected to assign ownership of the life insurance policies subject to the Executive Split Dollar Agreements to Rockland Trust. Mr. Kelley elected to purchase one of his life insurance policies and to assign ownership of the others to Rockland Trust. The Executive Split Dollar Agreements were terminated when those actions were taken.

During 2003 the Company amended the Rockland SERP, in accordance with the amended non-qualified retirement program objective described above, to provide retirement benefits to Messrs. Fuerschbach, Kelley, Seksay, and Sheahan to compensate them for the retirement benefits they relinquished when the Executive Split Dollar Agreements were terminated. In 2003 the Company also included Mr. Oddleifson and Mr. Jankowski in the Rockland SERP to provide them with retirement benefits in accordance with the amended non-qualified retirement program objective described above.

B(5). Report Regarding Retired Executive Officers

In December 1994, to accomplish the Company's then current non-qualified retirement program objective, the Company authorized a supplemental retirement program utilizing a split dollar life insurance agreement for

Mr. Philipsen (the Philipsen Split Dollar Agreement). In 1999, the Company authorized a funded Rabbi Trust for Mr. Philipsen to help accomplish its amended non-qualified retirement program objective.

On June 30, 2003, Mr. Philipsen retired, stepping down at that time as a Director and as Chairman of the Board for both the Company and Rockland Trust. Prior to Mr. Philipsen's retirement the Company engaged Segal to assist it in evaluating an appropriate transition agreement for Mr. Philipsen and, in light of the Sarbanes-Oxley Act, an appropriate non-qualified retirement arrangement for him. As a result of the Sarbanes-Oxley Act, further insurance premiums due under the Philipsen Split Dollar Agreement were not

Table of Contents

paid. Based upon Segal's recommendations, the in-force life insurance subject to the Philipsen Split Dollar Agreement was reduced, but otherwise maintained in accordance with its existing terms and conditions. Also, based upon Segal's recommendations, the Rockland SERP was amended to provide Mr. Philipsen with additional retirement income of \$44,848.

During 2003 the Company and Rockland Trust entered into a revised employment agreement with Mr. Philipsen which provided for payment of a \$93,510 transition cash bonus to him. During 2003 Rockland Trust also entered into a one year Consulting Agreement with Mr. Philipsen that required a \$200,000 payment to him and granted him unlimited use of the same Rockland Trust owned car that he had been using prior to his retirement. Under the terms of the 2003 Executive Incentive Plan, Mr. Philipsen will be eligible for a prorated award which will be finalized in March 2004.

Mr. Driscoll, who retired on February 16, 2004, was granted a salary increase and a performance award by the Company, effective April 2003. Those actions were based on the Company's results and his individual performance, within the framework of the salary ranges established using the Hay process and Rockland Trust's 2002 cash incentive compensation performance program for executive officers. At the time of Mr. Driscoll's early retirement Rockland Trust entered into a severance agreement with Mr. Driscoll that: requires a \$20,000 payment to him; grants him ownership of the same Rockland Trust owned car that he had been using prior to his retirement; requires him to be paid his base salary for one year; grants him two years of additional vesting credit in the Rockland SERP; and, that defines Mr. Driscoll's eligibility for a cash incentive award under the 2003 Executive Incentive Plan.

Mr. Driscoll received stock option awards under the 1997 Plan in December 2003. Each option, as disclosed in the Summary Compensation Table, provides the right to purchase a fixed number of shares at the fair market value on the business day preceding the grant. The number of shares granted to Mr. Driscoll reflects the Company's assessment of his relative contribution to the Company, long-term compensation practices prevalent in the industry, and the impact of such options on shareholder dilution.

C. Employment Agreements

In December 1991, the Company and Rockland Trust entered into an employment agreement with Mr. Philipsen for him to serve as President of the Company and President and CEO of Rockland Trust. The agreement, as amended, provided Mr. Philipsen with a base annual salary, which may be, and has been, increased at the discretion of the Board, the use of a Rockland Trust owned automobile, and provides for participation in the various benefit programs provided by the Company, including group life insurance, sick leave and disability, retirement plans and insurance programs. The agreement provides for the establishment by the Company of a Rabbi Trust for the purpose of funding post-retirement taxes, pension payments, and other related expenses which may result from the Philipsen Split Dollar Agreement.

In January 2003, the Company and Rockland Trust entered into an Amendment of the Employment Agreement whereby Mr. Philipsen resigned as President of the Company and Rockland Trust effective January 9, 2003 and resigned as CEO of the Company and Rockland Trust as of February 24, 2003. Under this amended agreement, Mr. Philipsen remained as Chairman of the Company and Rockland Trust through June 30, 2003, when Mr. Philipsen

retired.

In January 2003, the Company and Rockland Trust entered into an employment agreement with Mr. Oddleifson for him to serve as President of the Company and President of Rockland Trust and to serve as CEO of the Company and Rockland Trust beginning February 24, 2003. The agreement provides Mr. Oddleifson with a base annual salary which may be increased at the discretion of the Board, the use of a Rockland Trust owned automobile, a fully vested stock-option grant of 50,000 shares under the 1997 Plan, and provides for participation in the various benefit programs provided by the Company, including group life

insurance, sick leave and disability, retirement plans and insurance programs. The Company paid to relocate Mr. Oddleifson and his family from Charlotte, North Carolina and for temporary living expenses on a grossed up for taxes basis. The employment agreement provides that in the event of an involuntary termination of Mr. Oddleifson by Rockland Trust or the Company for reasons other than cause, as defined, or resignation by Mr. Oddleifson for good reason, as defined, Mr. Oddleifson would (i) continue to receive, in a lump sum, his base salary for one year (increased to 18 months after the first anniversary of his Employment Agreement), plus a sum equal to the amount of any target incentive payment under the Company's Executive Incentive Plan and (ii) be entitled to continue to participate in and receive benefits under the Company's group health and life insurance programs for 12 months or, at his election, to receive a grossed up for taxes bonus payment in an amount equal to the cost to the Company of Mr. Oddleifson's participation in such plans and benefits for a one year period. Also, in the event of a termination without cause or a resignation for good reason, all the stock options granted to Mr. Oddleifson pursuant to the agreement would remain exercisable for a period of three months following the date of his termination and Mr. Oddleifson would continue to have the use of the Company-owned automobile. Resignation for good reason under the employment agreement, means, among other things, the resignation of Mr. Oddleifson after (i) the Company or Rockland Trust, without the express written consent of Mr. Oddleifson, materially breaches the agreement to his substantial detriment; (ii) the Board of the Company or of Rockland Trust, without cause, substantially changes Mr. Oddleifson's core duties or removes his responsibility for those core duties, so as to effectively cause him to no longer be performing the duties of CEO and President of Rockland Trust and of the Company; (iii) the Board of the Company or of Rockland Trust without cause, places another executive above Mr. Oddleifson in the Company or Rockland Trust or (iv) a change of control, as defined, occurs. In the event of a change of control, Mr. Oddleifson is entitled to the above compensation and benefits for a three year period, with a tax grossed up for any amounts in excess of IRS 280G limitations. Mr. Oddleifson is required to give the Company or Rockland 30 days notice and an opportunity to cure in the case of a resignation effective pursuant to clauses (i) through (iii) above.

Also, during a 30 day window period 12 months following the occurrence of a change of control of the Company (as defined), the Executives have the unqualified right to resign for any reason or for no reason and to receive the resignation for good reason benefit provided for following the occurrence of a change of control. Defined Benefit Pension Plan. In 1994, the Rockland Trust Retirement Plan (the Defined Benefit Plan) formula was amended for participants who retired in 1995 and subsequent years of service. The annual normal retirement benefit under the Defined Benefit Plan is equal to (a) 2.0% of final average compensation less (b) .65% of covered compensation as defined for Social Security purposes (Covered Compensation) times (c) years of service to 25. For participants who had completed 20 or more years of service at December 31, 1994 an additional benefit of .5% times final average compensation times service in excess of 25 years, but not exceeding ten additional years, is provided.

Examples of approximate annual benefits at normal retirement under the formula are shown above using the 2003 Covered Compensation amount of \$9,444 for the offset percentages of the Defined Benefit Plan.

Benefits for 2003 consider only the first \$200,000 of compensation earned by an executive. On December 31, 2003 the CEO and four other most highly compensated current executive officers and retired executive officers Mr. Philipsen and Mr. Driscoll have earned credit service under the plan as follows:

Current Executive Officers	Credited Service
Christopher Oddleifson	0 begins benefit service in 2004
Raymond G. Fuerschbach	
10	
Ferdinand T. Kelley	
10	
Edward H. Seksay	
2.5 but not vested	
Denis K. Sheahan	
6.5	
Retired Executive Officers	Credited Service
Douglas H. Philipsen	
10.6	
Richard F. Driscoll	

The Defined Benefit Plan benefit formula for service prior to 1994 is equal to (a) one and one-half percent (1.5%) of a participant's final average compensation times his credited service up to 10 years; plus (b) two percent (2%) of his final average compensation times his credited service in excess of 10 years (provided that not more than 20 years of service shall be considered); plus (c) one-half percent (0.5%) of his final average compensation times his credited service in excess of 30 years (provided that no more than 5 years of service over 30 years shall be considered), less the smaller of (i) or (ii) described as follows: (i) sixty-five hundredths of a percent (0.65%) times the participant's years of service up to 35, times the lesser of his average annual compensation or his Covered Compensation; or (ii) one-half (1/2) the sum of (a), (b) and (c) above, substituting the lesser of average annual compensation or Covered Compensation for final average compensation, if less. Defined Benefit Plan participants are eligible at normal retirement for the benefit derived from the current formula or, if greater, the benefit for service under the prior Defined Benefit Plan formula.

In January 1997, the Defined Benefit Plan was joined with The Financial Institutions Retirement Fund (FIRF). This merger has provided significant expense reductions which began impacting Rockland Trust in

1997 while continuing to provide the benefit structure discussed above. In 2003, the Company made a payment of \$841,000 to FIRF to maintain continued full funding of its Defined Benefit Pension Plan.

B. Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers and Directors to file reports on Forms 3, 4, and 5 to indicate ownership and changes in ownership of Common Stock with the SEC and to furnish the Company with copies of such reports.

Based solely upon a review of the copies of such forms and amendments thereto and upon written representations that no Forms 5's were required to be filed, the Company believes that during the year ending December 31, 2003, all Section 16(a) filing requirements applicable to the Company's executive officers and Directors were complied with, except as follows:

Rockland Trust provides investment management services to the Arthur P. Wilcox Trust. The settlor of the Wilcox Trust, who is an extended family member of Director Thomas J. Teuten, has directed Rockland Trust to consult Director Teuten on investment decisions. On April 24, 2003 Rockland Trust, acting pursuant to prior written direction, sold 500 shares of the Company's Common Stock on behalf of the Wilcox Trust. The Rockland Trust employee overseeing that sale, however, due to an inadvertent error, failed to notify the Clerk of the Company about that sale until July 2003. As a consequence, the Clerk of the Company did not file a Form 4 for the April 24, 2003 Wilcox Trust transaction until July 2003.
