HEALTH FITNESS CORPORATION
ANNUAL MEETING OF SHAREHOLDERS
MAY 13, 2002

PROXY STATEMENT

INTRODUCTION

Your Proxy is solicited by the Board of Directors of Health Fitness Corporation ("the Company") for the Annual Meeting of Shareholders to be held on May 13, 2002, at the location and for the purposes set forth in the notice of meeting, and at any adjournment thereof.

The cost of soliciting proxies, including the preparation, assembly and mailing of the proxies and soliciting material, as well as the cost of forwarding such material to beneficial owners of the Company's Common Stock, will be borne by the Company. Directors, officers and regular employees of the Company may, without compensation other than their regular remuneration, solicit proxies personally or by telephone.

Any shareholder giving a proxy may revoke it at any time prior to its use at the meeting by giving written notice of such revocation to the Secretary of the Company. Proxies not revoked will be voted in accordance with the choice specified by shareholders by means of the ballot provided on the Proxy for that purpose. Proxies which are signed but which lack any such specification will, subject to the following, be voted in favor of the proposals set forth in the Notice of Meeting and in favor of the number and slate of directors proposed by the Board of Directors and listed herein. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. Abstentions, therefore, as to any proposal will have the same effect as votes against such proposal. If a broker returns a "non-vote" proxy, indicating a lack of voting instructions by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote proxy shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

for purposes of calculating the vote required for approval of such matter.

The mailing address of the principal executive office of the Company is 3500 West 80th Street, Suite 130, Bloomington, Minnesota 55431. The Company expects that this Proxy Statement, the related proxy and notice of meeting will first be mailed to shareholders on or about April 8, 2002.

ELECTION OF DIRECTORS (PROPOSAL #1)

GENERAL INFORMATION

The Board of Directors has fixed the number of directors for the ensuing year at seven and has nominated the seven current members of the Board to be elected at the Annual Meeting. Under applicable Minnesota law, the election of each nominee requires the affirmative vote of the holders of the greater of (1) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (2) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting.

In the absence of other instructions, each proxy will be voted for each of the nominees listed below. If elected, each nominee will serve until the next annual meeting of shareholders and until his or her successor shall be elected and qualified. If, prior to the meeting, it should become known that any of the nominees will be unable to serve as a director after the meeting by reason of death, incapacity or other unexpected occurrence, the proxies will be voted for such substitute nominee as is selected by the Board of Directors or, alternatively, not voted for any nominee. The Board of Directors has no reason to believe that any nominee will be unable to serve.

The names and ages of all of the director nominees and the positions held by each with the Company are as follows:

COMMITTEE AND BOARD MEETINGS

The Company's Board of Directors has three standing committees, the Audit Committee, Compensation Committee, and Finance Committee. The Audit Committee, which consists of John C. Penn (Chair), K. James Ehlen and Mark W. Sheffert, is charged with responsibility for reviewing the Company's external and internal auditing system, monitoring accounting and financial reporting practices, determining the adequacy of administrative and internal accounting controls, monitoring compliance with the Company's prescribed procedures and reviewing publicly disseminated financial information. The Audit Committee functions include supervision of the independent auditors, including recommendation of the engagement or discharge of such auditors, and review with the independent auditors of the audit plan and results of the auditing engagement. The Audit Committee met four times during fiscal 2001.

The Compensation Committee, which consists of Linda Hall Whitman (Chair), James A. Bernards and Rodney A. Young, is charged with oversight responsibility for management's performance and the adequacy and effectiveness of compensation and benefit plans. In addition, the Compensation Committee makes recommendations to the Board of Directors regarding remuneration arrangements for senior management, and adoption of employee compensation and benefit plans. The Compensation Committee met four times during fiscal 2001.

The Finance Committee, which consists of James Bernards and Mark Sheffert, was formed in January, 2002, and is charged with exploring opportunities for strategic acquisitions and the methods that might be available for financing such opportunities.

The directors often communicate informally to discuss the affairs of the Company and, when appropriate, take formal Board action by written consent of a majority of all directors, in accordance with the Company's Articles of Incorporation and Minnesota law, rather than hold formal meetings. During fiscal 2001, the Board of Directors held seven formal meetings. Each incumbent director

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

attended 75% or more of the total number of meetings held during the period(s) for which he or she has been a director or served on committee(s) of the Board and of committee(s) of which he or she was a member.

DIRECTORS FEES

During fiscal 2001 the Board implemented a compensation plan for outside directors pursuant to which directors who are not employees of the Company receive a fee of \$1,000 for each Board meeting attended and are reimbursed for out-of-town travel expenses incurred to attend Board meetings. Under the plan, each non-employee director also receives (i) a fully vested grant of 20,000 shares of Common Stock upon first election to the Board and (ii) a six-year option to purchase 12,000 shares of Common Stock upon first election to the Board and annually thereafter. Each such option is granted at the fair market value of the Company's Common Stock on the date of grant and is fully exercisable on the date of grant. In accordance with such plan, as of May 8, 2001, Directors Bernards, Ehlen, Penn, Sheffert, Whitman and Young each received an option to purchase 12,000 shares at an

-6-

exercise price of \$0.65 per share, and as of July 2, 2001, Directors Ehlen, Penn, Sheffert, Whitman and Young each received a stock grant of 20,000 shares.

AUDIT COMMITTEE REPORT

The Board of Directors maintains an Audit Committee currently comprised of three of the Company's outside directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies the rule of the National Association of Securities Dealers, Inc. ("NASD") that governs audit committee composition, Rule 4310(c)(26)(B)(i), including the requirement that audit committee members all be "independent directors" as that term is defined by NASD Rule 4200(a)(15).

In accordance with its written charter adopted by the Board of Directors (set forth in Appendix A to the proxy statement for the Company's 2001 annual meeting of shareholders), the Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management and auditors;
- (2) discussed with the independent auditors the material required to be discussed by Statement on Auditing Standards No. 61 regarding communication with audit committees;
- (3) reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board's Standard No. 1 (Independent Discussions with Audit Committees), and discussed with the Company's independent auditors their independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2001, as filed with the Securities and Exchange Commission.

CERTAIN TRANSACTIONS

On April 8, 1999, the Company retained Manchester Business Services, Inc., a Minneapolis-based multi-disciplinary professional services firm ("Manchester") which provides investment banking, finance, turnaround and management advisory services to small and middle market companies. Mark W. Sheffert, a director of the Company, is Chairman, Chief Executive Officer and a controlling shareholder of Manchester. Manchester's contract expired on December 31, 2000, and thereafter Manchester continued to provide consulting and strategic planning services on an as-needed basis through April 2001, for which it was paid \$50,000. In July 2000, in consideration of providing services to secure the Company's bank financing, the Company agreed to pay Manchester \$100,000

-7-

and issued Manchester a five-year Warrant to purchase 100,000 shares at an exercise price of \$0.2969 per share. During fiscal 2001, the Company paid Manchester fees in the total amount of \$62,500.

EXECUTIVE COMPENSATION

COMPENSATION COMMITTEE REPORT

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION. Commencing in June 2001, the Compensation Committee of the Board of Directors has been composed of outside directors Linda Hall Whitman, James A. Bernards and Rodney A. Young. None of such members of the Committee is or ever has been an employee or officer of the Company and none of such persons is affiliated with any entity other than the Company with which an executive officer of the Company is affiliated. Mr. Noyce, the Company's President and CEO, served on the Compensation Committee during the period from January 19 to June 15, 2001; however, during this period the Compensation Committee limited its activities to review and recommendation of a compensation package for the Company's directors and did not undertake to review or make recommendations regarding CEO compensation.

OVERVIEW AND PHILOSOPHY. In accordance with the Compensation Committee Charter (appended to this Proxy Report as Appendix A), the Compensation Committee (i) develops procedures and policies for compensating directors; (ii) reviews the Company's procedures, processes and policies used to compensate the Company's CEO and principal executives (Chief Financial Officer, Senior Vice President of Operations, Senior Vice President of Corporate Business Development, Vice President of Marketing, and Vice President of Human Resources); (iii) reviews the performance evaluation procedures for the CEO and principal executives; (iv) recommends compensation plans for the CEO to the Board and approves compensation plans for the principal executives. During fiscal 2000, the Company's CEO and CFO were compensated primarily through a Management Agreement between the Company and Manchester Business Services. However, the Company retained Jerry Noyce as its CEO in November, 2000, and Wes Winnekins as its CFO in February, 2001, and the Compensation Committee has now developed executive compensation programs designed to attract and retain qualified executives and to motivate them to maximize shareholder investment by

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

achieving Company goals. There are three basic components to the Company's executive compensation program: base pay, annual incentive bonus, and long-term, equity-based incentive compensation in the form of stock options. Each component is established in light of individual and Company performance, comparable compensation programs in the Minneapolis/Saint Paul metropolitan area, equity among employees and cost effectiveness.

BASE PAY. Base pay is designed to be competitive, although conservative, as compared to salary levels for equivalent positions at comparable companies in the Minneapolis/Saint Paul metropolitan area. The executive's actual salary within this competitive framework depends on the individual's performance, responsibilities, experience, leadership and potential future contribution. The base pay of the CEO and CFO are currently set by their employment agreements (See "Employment Agreements" below), with increases for the CEO determined by the Board upon recommendation of the Compensation Committee and increases for the CFO determined by the CEO and the Compensation Committee.

-8-

ANNUAL INCENTIVE BONUS. In addition to base pay, the CEO and other principal executives may be eligible to receive an annual cash bonus based on criteria determined by the Board of Directors for the CEO and for other principal executives by the CEO and Compensation Committee. Bonus eligibility may range from 10% to 60% of base pay.

LONG-TERM, EQUITY-BASED INCENTIVE COMPENSATION. The long-term, equity-based compensation program is tied directly to shareholder return. Under the current program, long-term incentive compensation consists of stock options that generally do not fully vest until after four years. Stock options are awarded with an exercise price equal to the fair market value of the Company's common shares on the date of grant. Accordingly, the executive is rewarded only if the shareholders receive the benefit of appreciation in the price of the Common Stock.

Because long-term options vest over time, the Company periodically (generally once each year) grants new options to provide continuing incentives for future performance. The size of the previous grants and the number of options held are considered by the Compensation Committee, but are not entirely determinative of future grants. Each executive's annual grants are based upon the individual's performance, responsibilities, experience, leadership and potential future contribution and any other factors deemed relevant by the Committee. Stock option grants for the CEO and CFO are made by the Board of Directors upon recommendation of the Compensation Committee. Stock option grants for other principal executives are made by the CEO and Compensation Committee, including grants from a stock option pool subject to the discretion of the CEO within certain parameters.

Stock options are designed to align the interests of the Company's executives with those of shareholders by encouraging executives to enhance the value of the Company and, hence, the price of the Common Stock and the shareholders' investment. In addition, through deferred vesting, this component of the compensation system is designed to create an incentive for the executive to remain with the Company.

GENERAL. The Company also provides medical and insurance benefits to its executive officers, which are generally available to all Company employees. The Company has a 401(k) plan in which all qualified employees, including the executive officers, are eligible to participate. During 2001, the Company made

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

aggregate matching contributions of \$122,000 to plans qualified under IRC Section 401(k).

ANNUAL REVIEWS. Each year the Compensation Committee reviews its executive compensation policies and programs and determines what changes, if any, are appropriate for the following year. In addition, the Committee and Board of Directors reviews the individual performance of the CEO.

COMPENSATION IN 2001. In November 2000, the Company entered into an Employment Agreement with Jerry Noyce, the Company's new Chief Executive Officer, and in February, 2001, the Company entered into an Employment Agreement with Wes Winnekins, the Company's new Chief Financial Officer. See "Employment Agreements" below. During 2001, the Company paid a \$30,000 cash bonus to James Narum, the Company's Senior Vice President of Corporate Business Development, in connection with an employment retention provision contained within Mr. Narum's employment agreement. No other cash bonuses were paid to the CEO or other principal executives in 2001. However, on August of 2001, the CEO and CFO were awarded stock option bonuses of 15,000 shares and 10,000 shares, respectively, based on the Company's year-to-date performance. At the same time, the CEO and CFO were given the opportunity to earn additional stock options based on the Company's performance through December 31, 2001, as a result of which the CEO and CFO earned

-9-

options for an additional 15,000 shares and 7,500 shares, respectively. All of such options were granted at fair market value as of August 1, 2001 and vested immediately or when earned.

CHIEF EXECUTIVE OFFICER COMPENSATION. Jerry Noyce was employed as the Company's Chief Executive Officer in November, 2000 pursuant to a written Employment Agreement. See "Employment Agreements." During 2001, the Board of Directors approved the recommendation of the Compensation Committee to grant Mr. Noyce immediately vested options to purchase 15,000 shares of the Company's common stock, with an exercise price equal to fair market value as of the date of grant. At the same time, the Board of Directors also implemented a stock option bonus program that gave Mr. Noyce the opportunity to receive additional immediately vested options based upon the Company's achievement of certain performance targets as of December 31, 2001. Mr. Noyce received 15,000 options as a result of the performance targets achieved by the Company pursuant to such plan.

At its meeting in December, 2001, the Board of Directors approved the recommendation of the Compensation Committee to adopt a bonus program for Mr. Noyce for FY 2002 pursuant to which Mr. Noyce has the opportunity to earn a bonus of between 5% and 40% of his base pay based upon achievement of certain revenue targets and a bonus of between 5% and 20% of base pay based upon achievement of certain EBITDA targets.

INCREASE IN SHARES RESERVED FOR 1995 EMPLOYEE STOCK PURCHASE PLAN (PROPOSAL #2)

GENERAL

The Company has in effect a 1995 Employee Stock Purchase Plan (the "Stock Purchase Plan"). The Board of Directors has recommended an increase in the number of shares of the Company's Common Stock reserved for issuance under the Stock Purchase Plan from 400,000 to 700,000 shares. A general description of the basic features of the Stock Purchase Plan is presented below, but such description is qualified in its entirety by reference to the full text of the Stock Purchase Plan, a copy of which may be obtained without charge upon written request to the Company's Chief Financial Officer.

DESCRIPTION OF THE 1995 EMPLOYEE STOCK PURCHASE PLAN

Purpose. The purpose of the Stock Purchase Plan is to encourage stock ownership by employees of the Company and its subsidiaries and in so doing to provide an incentive to remain in the Company's employ, to improve operations, to increase profits and to contribute more significantly to the Company's success.

Eligibility. The Stock Purchase Plan permits employees to purchase stock of the Company at a favorable price and possibly with favorable tax consequences to the employees. Generally speaking, all full-time and part-time employees (including officers) of the Company (or those subsidiaries authorized by the Board from time to time (a "designated subsidiary")) who (i) are regularly scheduled to work 20 or more hours per week, (ii) who have been employed by the Company or designated subsidiary for at least 30 days prior to the commencement date of a phase, and (iii) who are not classified as an on-call or temporary employee in the Company's payroll system are eligible to participate in any of the phases of the Stock Purchase Plan. However, any employee who would own (as determined under the Internal Revenue Code), immediately after the grant of an option, stock possessing 5% or more of the total combined voting power or value of all classes of the stock of the Company cannot purchase stock through the Stock Purchase Plan. As of March 29, 2002, the Company had approximately 590 full-time and part-time employees eligible to participate.

Administration; Term. The Stock Purchase Plan is administered by the Board of Directors or a Committee appointed by the Board. The Stock Purchase Plan gives broad powers to the Board or Committee to administer and interpret the Stock Purchase Plan. The Stock Purchase Plan will terminate on May 4, 2005.

Options. The Stock Purchase Plan is carried out in phases of six months each, commencing on January 1 and July 1 of each year. Before the commencement date of the phase, each participating employee must elect to have a certain percentage of his or her compensation deducted during each pay period in such phase; provided, however, that the payroll deductions during a phase may not exceed 10% of the participant's compensation or such other maximum percentage

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

established by the Board or Committee. An employee may not increase or decrease his or her payroll deduction percentage during a phase. An employee may request a withdrawal of all accumulated payroll deductions at any time during the phase. Based on the amount of accumulated payroll deductions made at the end of the phase, shares will be purchased for each employee at the termination date of such phase (generally six

-14-

months after the commencement date). The purchase price to be paid by the employees will be the lower of: (i) 90% of the fair market value on the commencement date of the phase; or (ii) 90% of the fair market value on the termination date of the phase. The closing price of one share of the Company's Common Stock on March 25, 2002, was \$0.46 per share. As required by tax law, an employee may not, during any calendar year, receive options under the Stock Purchase Plan for shares which have a total fair market value in excess of \$25,000 determined at the time such options are granted. Any amount not used to purchase shares will be returned to the participant at the end of the phase. No interest is paid by the Company on funds withheld and used to purchase shares, and such funds are used by the Company for general operating purposes. If the employee dies or terminates employment for any reason before the end of the phase, the employee's payroll deductions will be refunded, without interest, as soon as practicable after such termination.

Amendment. The Board of Directors may, from time to time, revise or amend the Stock Purchase Plan as the Board may deem proper and in the best interest of the Company or as may be necessary to comply with Section 423 of the Internal Revenue Code (the "Code"); provided, that no such revision or amendment may (i) increase the total number of shares available for issuance under the Stock Purchase Plan except as provided in the case of stock splits, consolidations, stock dividends or similar events, (ii) modify requirements as to eligibility for participation in the Stock Purchase Plan, or (iii) materially increase the benefits accruing to participants under the Stock Purchase Plan, without prior approval of the Company's shareholders if that approval is required for compliance with Code Section 423 or other applicable laws and regulations.

Federal Income Tax Consequences of the Stock Purchase Plan. Options granted under the Stock Purchase Plan are intended to qualify for favorable tax treatment to the employees under Code Sections 421 and 423. Employee contributions are made on an after-tax basis. Under current federal income tax provisions, no income is taxable to the optionee upon the grant or exercise of an option. For tax purposes, the date of grant of the option is the commencement date of the applicable phase. In addition, certain favorable tax consequences may be available to the employee if shares purchased pursuant to the Stock Purchase Plan are not disposed of by the employee within two years after the date the option was granted nor within one year after the date of transfer of purchased shares to the employee. The Company generally will not receive an income tax deduction upon either the grant or exercise of the option unless the employee disposes of the shares before the end of the two-year/one-year holding periods described above.

Plan Benefits. The table below shows the total number of shares that have been purchased by the following individuals and groups under the Stock Purchase Plan as of March 29, 2002:

Because participation in the Stock Purchase Plan is voluntary, the future benefits that may be received by participating individuals or groups under the Stock Purchase Plan cannot be determined at this time.

VOTE REQUIRED

Because of the employees' positive response to the 1995 Employee Stock Purchase Plan, the Board of Directors recommends that the shareholders approve the 300,000 share increase in the number of shares reserved for the Plan. Approval of the increase requires the affirmative vote of the greater of (i) a majority of the voting power of the shares represented in person or by proxy at the meeting with authority to vote on such matter or (ii) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting.

APPROVAL OF SELECTION OF AUDITORS
(PROPOSAL #3)

Grant Thornton LLP acted as the Company's independent auditors for the fiscal year ended December 31, 2001, and has been selected to act as the Company's auditors for fiscal 2002. Although it is not required to do so, the Board wishes to submit the selection of Grant Thornton LLP to the shareholders for approval. In the event the shareholders do not approve such selection, the Board will reconsider its selection. A representative of Grant Thornton LLP is expected to be present at the Annual Meeting of Shareholders. Such representative will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

AUDIT FEES. The aggregate fees billed by Grant Thornton LLP for professional services rendered in connection with the audit of the Company's annual financial statements, reviews of the quarterly financial statements included in the Company's Forms 10-Q for fiscal 2001, and other accounting issues were \$48,486.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES. Grant Thornton LLP did not bill any fees nor provide services to the Company during fiscal 2001 for financial information systems design and implementation.

ALL OTHER FEES. The aggregate fees billed by Grant Thornton LLP for all other non-audit services rendered to the Company during fiscal 2001, including fees for tax return preparation, tax-related consulting services, employee benefit plan audit, and other consulting fees were \$48,653.

The amounts shown above include out-of-pocket expenses incurred by Grant Thornton in connection with the provision of such services. The Company's Audit Committee has considered whether provision of the above non-audit services

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

is compatible with maintaining Grant Thornton LLP's independence and has determined that such services have not adversely affected Grant Thornton LLP's independence.

3

5.2 Payroll deductions for a participant shall commence with the first paycheck issued immediately after the Offering Date and shall terminate with the paycheck issued immediately prior to the Termination Date, unless terminated earlier as provided in Paragraph 10.

5.3 An eligible Employee who elects to participate in an Offering Period shall be deemed to have elected to participate in each subsequent Offering Period unless such participant elects to withdraw from the Plan as provided in Paragraph 10. In that event, such participant must complete a new subscription agreement and file such form with the Company's Human Resources Department not less than 15 days prior to the Offering Date for the Offering Period in which the participant wishes to participate, or such other date determined by the Administrator.

6. PAYROLL DEDUCTIONS.

Such percentage shall be at least one percent (1%) but not more than ten percent (10%) of the participant's Compensation to be paid during the Offering Period, or such other maximum percentage as the Administrator may establish from time to time; provided, that the participant's aggregate payroll deductions during the Offering Period shall not exceed ten percent (10%), or such other maximum percentage as may be determined by the Administrator, of the Compensation which the participant would otherwise have received during the Offering Period.

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

6.3 In the event that the participant's Compensation is, for any reason, increased or decreased during an Offering Period, so that the amount actually withheld on behalf of the participant as of the termination date of the Phase is different from the amount anticipated to be withheld as determined on the Offering Date, then the extent to which the participant may exercise his or her option shall be based on the amounts actually withheld on his or her behalf, subject to the limitations contained herein. In the event of a change in the pay period of any participant, such as from biweekly to monthly, an appropriate adjustment shall be made to the deduction in each new pay period so as to ensure the deduction of the proper amount authorized by the participant.

In the event that the Offering Date or Termination Date is a Saturday, Sunday or holiday, the amounts determined under the foregoing subsections shall be determined using the price at the close of the regular trading session on the last preceding trading day. If the Company's Common Stock is not listed on the Nasdaq National Market, Nasdaq SmallCap Market or on an established securities exchange, then the option price shall equal the lower of (i) ninety percent (90%) of the fair market value of a share of the Company's Common Stock as of the Offering Date, or (ii) ninety percent (90%) of the fair market value of such stock as of the Termination Date. Such "fair market value" shall be determined by the Board, in its sole discretion by applying principles of valuation and such other factors the Board determines relevant.

8. EXERCISE OF OPTION. Unless a participant withdraws from the Plan as provided in Paragraph 10, the participant's option shall be exercised automatically at the Termination Date, In no event shall the participant be

6

9. DELIVERY. As promptly as practicable after the Termination Date of the Offering Period, the Company shall arrange the delivery to each participant, as appropriate, of a certificate representing the shares purchased upon exercise of his or her option. Any accumulated payroll deductions remaining after the exercise of the participant's option shall be returned to the participant, without interest, as soon as administratively practicable after the Termination Date; provided, however, that the Company may, under rules of uniform application, retain such remaining amount in the participant's account and apply it toward the purchase of shares of Common Stock in the next succeeding Phase, unless the participant requests a withdrawal of such amount pursuant to Paragraph 10.

10. WITHDRAWAL: TERMINATION OF EMPLOYMENT.

10.1 A participant may withdraw all, but not less than all, the accumulated payroll deductions credited to his or her account under the Plan any time prior to the Termination Date by giving written notice to the Company on a form provided for such purpose. All of the accumulated payroll deductions credited to the participant's account will be paid to the participant as soon as practicable after receipt of his or her notice of withdrawal, the participant's option for the current Offering Period will be automatically canceled, and no further payroll deductions for the purchase of shares will be made during such Offering Period.

10.2 Upon termination of the participant's employment for any reason, including retirement or death, the accumulated payroll deductions credited to the participant's account will be returned to the participant as soon as practicable after such termination of employment or, in the case of the participant's death, to the person or persons entitled thereto under Paragraph 14, and the participant's option will be automatically canceled.

10.3 A participant's employment shall be deemed to have terminated on the date that the participant ceases to perform any services for the Company. Notwithstanding the

7

foregoing, the participant shall not be deemed to have ceased to be an employee for purposes of the Plan until the 91st day of any bona fide leave of absence approved by the Company or a Designated Subsidiary (including, but not limited to, a layoff), unless the participant's right to reemployment is guaranteed either by statute or contract.

10.4 A participant's withdrawal from an Offering Period will not have any effect upon the participant's eligibility to participate in a succeeding offering or in any similar plan which may hereafter be adopted by the Company.

11. INTEREST. No interest shall accrue on the payroll deductions

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

credited to the participant's account in the Plan.

12. STOCK.

12.1 The maximum number of shares of the Company's Common Stock which shall be reserved for sale under the Plan shall be 700,000 shares, subject to further adjustment upon changes in capitalization of the Company as provided in Paragraph 18. The shares to be sold to participants in the Plan may be, at the election of the Company, either treasury shares or shares authorized but unissued. If the total number of shares which would otherwise be subject to options granted pursuant to Paragraph 7.1 hereof at the Offering Date exceeds the number of shares then available under the Plan (after deduction of all shares for which options have been exercised or are then outstanding), the Company shall make a pro rata allocation of the shares remaining available for option grants in as uniform and equitable a manner as is practicable. In such event, the Company shall give written notice of such reduction of the number of shares subject to the option to each participant affected thereby and shall return any excess funds accumulated in each participant's account as soon as practicable after the termination date of such offering period.

8

12.2 The participant shall have no rights as a shareholder with respect to any shares of Common Stock subject to the participant's option until the date of the issuance of a stock certificate evidencing such shares as provided in Paragraph 9. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property), distributions or other rights for which the record date is prior to the date such stock certificate is actually issued, except as otherwise provided in Paragraph 18 hereof.

12.3 Shares to be delivered to a participant under the Plan will be registered in the name of the participant or, if the participant so directs by written notice to the Administrator prior to the Termination Date, in the names of the participant and his or her spouse as joint tenants with rights of survivorship, to the extent permitted by law.

13. ADMINISTRATION. Except for those matters expressly reserved to the Board pursuant to any provision of the Plan, the Administrator shall have full responsibility for administration of the Plan, which responsibility shall include, but shall not be limited to, the following:

13.1 The Administrator shall, subject to the provisions of the Plan, establish, adopt and revise such rules and procedures for administering the Plan, and shall make all other determinations as it may deem necessary or advisable for the administration of the Plan;

13.2 The Administrator shall, subject to the provisions of the Plan, determine all terms and conditions that shall apply to the grant and exercise of options under this Plan, including, but not limited to, the number of shares of Common Stock that may be granted, the date of grant, the exercise price and the manner of exercise of an option. The Administrator may, in its discretion, consider the recommendations of the management of the Company when determining such terms and conditions;

13.3 The Administrator shall have the exclusive authority to interpret the provisions of the Plan, and each such interpretation or determination shall be conclusive and binding for all purposes and on all persons, including, but not limited to, the Company and its Subsidiaries, the shareholders of the Corporation and its Subsidiaries, the Administrator, the directors, officers and employees of the Corporation and its Subsidiaries, and the participants and the respective successors-in-interest of all of the foregoing; and

13.4 The Administrator shall keep minutes of its meetings or other written records of its decisions regarding the Plan and shall, upon requests, provide copies to the Board.

13.5 Members of the Board or the Committee who are eligible employees are permitted to participate in the Plan, provided that:

13.5.1 Members of the Board who are eligible to participate in the Plan may not vote on any matter affecting the administration of the Plan or the grant of any option pursuant to the Plan; and

13.5.2 No member of the Board who is eligible to participate in the Plan may be counted in determining the existence of a quorum at any meeting of the Board during which action is taken with respect to the granting of options pursuant to the Plan.

14. DESIGNATION OF BENEFICIARY.

14.1 A participant may file a written designation of a beneficiary who is to receive shares and/or cash, if any, from the participant's account under the Plan in the event of such participant's death at a time when cash or shares are held for his account.

14.2 Such designation of beneficiary may be changed by the participant at any time by written notice. In the event of the death of a participant in the absence of a valid designation of a beneficiary who is living at the time of such participant's death, the Company shall deliver such shares and/or cash to the executor or administrator of the estate of the

10

participant; or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such shares and/or cash to the spouse or to any one or more dependents or relatives of the participant; or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

15. TRANSFERABILITY. Neither payroll deductions credited to a participant's account nor any rights with regard to the exercise of an option or to receive shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution, or as provided in Paragraph 14 hereof) by the participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds in accordance with Paragraph 10.

16. USE OF FUNDS. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions.

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

17. REPORTS. Individual accounts will be maintained for each participant in the Plan. Statements of account will be given to participating employees semi-annually as soon as practicable following the Termination Date, which statements will set forth the amounts of payroll deductions, the per share purchase price, the number of shares purchased and the remaining cash balance, if any. Each participant shall be provided, not less frequently than annually, with copies of the audited financial statements of the Company.

18. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION.

18.1 Subject to any required action by the shareholders of the Company, in the event of an increase or decrease in the number of outstanding shares of Common Stock or in the event the Common Stock is changed into or exchanged for a different number or kind of shares of stock or other securities of the Company or another corporation by reason of a reorganization,

11

merger, consolidation, divestiture (including a spin-off), liquidation, recapitalization, reclassification, stock dividend, stock split, combination of shares, rights offering or any other change in the corporate structure or shares of the Company, the Board (or, if the Company is not the surviving corporation in any such transaction, the board of directors of the surviving corporation), in its sole discretion, shall adjust the number and kind of securities subject to and reserved under the Plan and, to prevent the dilution or enlargement of rights of those participants to whom options have been granted, shall adjust the number and kind of securities subject to such outstanding options and, where applicable, the exercise price per share for such securities; provided, however, that conversion of any convertible security of the Company shall not require such adjustment. Except as expressly provided herein, no issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to option.

18.2 In the event of the sale by the Company of substantially all of its assets and the consequent discontinuance of its business, or in the event of a merger, exchange, consolidation, reorganization, divestiture (including a spin-off), liquidation, reclassification or extraordinary dividend (collectively referred to as a "transaction"), after which the Company is not the surviving corporation, the Board may, in its sole discretion, at the time of adoption of the plan for such transaction, provide for one or more of the following:

18.2.1 The acceleration of the exercisability of outstanding options granted at the Offering Date for the Offering Period then in effect, to the extent of the accumulated payroll deductions credited to each participant's account as of the date of such acceleration;

18.2.2 The complete termination of this Plan and a refund of amounts credited to the participants' accounts hereunder; or

12

18.2.3 The continuance of the Plan only with respect

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

to completion of the then current Offering Period and the exercise of options thereunder. In the event of such continuance, participants shall have the right to exercise their options as to an equivalent number of shares of stock of the corporation succeeding the Company by reason of such transaction.

In the event of a transaction where the Company survives, then the Plan shall continue in effect, unless the Board takes one or more of the actions set forth above. The grant of an option pursuant to the Plan shall not limit in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes in its capital or business structure or to merge, exchange or consolidate or to dissolve, liquidate, sell or transfer all or any part of its business or assets.

19. AMENDMENT OR TERMINATION. The Plan may be terminated at any time by the Board of Directors, provided that, except as permitted in Paragraph 18.2 hereof, no such termination shall take effect with respect to any options then outstanding. The Board may, from time to time, amend the Plan as it may deem proper and in the best interests of the Company or as may be necessary to comply with Code Section 423, as amended, and the regulations thereunder, or other applicable laws or regulations; provided, however, no such amendment shall, without the consent of a participant, materially adversely affect or impair the right of a participant with respect to any outstanding option; and provided, further, that no such amendment shall:

19.1 Increase the total number of shares for which options may be granted under the Plan (except as provided in Paragraph 18.1 herein);

19.2 Materially modify any requirements as to eligibility for participation in the Plan; or

19.3 Materially increase the benefits accruing to participants under the Plan;

13

without the approval of the Company's shareholders, if such approval is required for compliance with Code Section 423, as amended, and the regulations thereunder, or other applicable laws or regulations.

20. NOTICES. All notices or other communications by a participant to the Company in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

21. SHAREHOLDER APPROVAL. This Plan, as amended, was most recently approved by the shareholders of the Company at the annual shareholders' meeting held on May 16, 2001.

22. CONDITIONS UPON ISSUANCE OF SHARES. Shares shall not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such shares pursuant thereto shall comply with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, the rules and regulations promulgated thereunder, and the requirements of any stock exchange upon which the shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance. As a condition to the exercise of an option and if required by

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

applicable securities laws, the Company may require the participant for whose account the option is being exercised to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

23. TERM. Unless terminated earlier pursuant to Paragraph 19, this Plan shall terminate on May 4, 2005, ten years after the date the Plan was adopted by the Board.
