We have audited the accompanying statements of net assets available for plan benefits of BancorpSouth, Inc. Amended and Restated Salary Deferral Profit Sharing Employee Stock Ownership Plan (the Plan) as of December 31, 2004 and 2003, and the related statements of changes in net assets available for plan benefits for each of the years in the three-year period ended December 31, 2004. These financial statements are the responsibility of the Plan s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of BancorpSouth, Inc. Amended and Restated Salary Deferral Profit Sharing Employee Stock Ownership Plan at December 31, 2004 and 2003, and the changes in net assets available for plan benefits for each of the years in the three-year period ended December 31, 2004, in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules, Schedule H, Line 4a Schedule of Delinquent Participant Contributions for the year ended December 31, 2004, Schedule H, Line 4i Schedule of Assets (Held at End of Year) as of December 31, 2004, and Schedule H, Line 4j- Schedule of Reportable Transactions for the year ended December 31, 2004, are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedules are the responsibility of the Plan s management and have been subjected to the auditing procedures applied in the audit of the basic financial statements, and in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

BANCORPSOUTH, INC. AMENDED AND RESTATED

SALARY DEFERRAL PROFIT SHARING EMPLOYEE STOCK OWNERSHIP PLAN

Notes to Financial Statements and Schedules

December 31, 2004 and 2003

(1) Description of Plan

The following description of BancorpSouth, Inc. Amended and Restated Salary Deferral Profit Sharing Employee Stock Ownership Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan s provisions.

(a) General

The Plan was adopted by BancorpSouth, Inc. (the Company) effective January 1, 1984. It is a defined contribution plan covering substantially all full-time employees who have one year of service and who have attained age eighteen. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

(b) Contributions

Employees may elect not to participate in the Plan. Plan participants contribute to the Plan by electing to defer 1% or more of their current compensation, in whole percentages, up to the maximum allowable by law. The Company matches 100% of amounts contributed by the participants to the Plan up to 5% of their annual compensation.

(c) Investment Programs

The investment programs and investment options of the Plan as of December 31, 2004 are as follows: ABN AMRO/Montag & Caldwell Growth Fund; Alger Mid Cap Growth Institutional Fund; American Century Income & Growth Fund; Baron Small Cap Fund; Federated Capital Preservation Fund; Federated Stock Trust Fund; Federated Kaufmann Fund; Federated Capital Appreciation Fund; Federated Max-Cap Index Fund; Federated International Equity Fund; Federated Growth Allocation Fund; Federated Conservative Allocation Fund; Federated Moderate Allocation Fund; Federated Total Return Bond Fund; Goldman Sachs Small Cap Value Fund; Janus Fund; and common stock of BancorpSouth, Inc.

Prior to August 1, 2002, the first 5% of compensation contributed by participants and all Company contributions were required to be invested in common stock of the Company, while participant contributions in excess of 5% of compensation contributed could have been invested in the common stock of the Company or in any of the other investment funds at the direction of the participant. Subsequent to August 1, 2002, only Company contributions were required to be invested in common stock of the Company (nonparticipant-directed), while any participant contributions could have been invested in either the common stock of the Company or in any of the other investment funds (participant-directed). After age 55 and with 10 years service, a participant can, with some limitations, redirect the non-participant directed investments in Company common stock to any of the other investment options.

(d) Administration

The Plan is administered by a committee appointed by the board of directors of the Company (the plan administrator). The plan administrator is responsible for general administration of the Plan and interpretation and execution of the Plan s provisions. BancorpSouth Bank is the Plan trustee.

(e) Participants Accounts

Two separate accounts are maintained for each participant. All amounts contributed by the participant, together with earnings or losses thereon, are maintained in an employee deferral account. Matching amounts contributed by the Company are maintained in a separate employer contribution account, together with earnings or losses thereon.

(f) Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant s account and bear interest at commercially reasonable rates as determined under the Plan. At December 31, 2004 interest rates on outstanding participant loans ranged from 4.5% to 10.5%.

(g) Vesting

Both employee and employer contributions and the earnings or losses thereon are 100% vested and nonforfeitable at all times.

(h) Payment of Benefits

Upon termination of service, death or permanent disability, a participant may elect to receive either a lump-sum amount equal to the value of his account, or monthly installments over a 5 to 15-year period. Participants who terminate their service may also elect to maintain their account with the Plan. The monthly benefits cannot be paid over a period longer than a participant s life expectancy or for more than 5 years following his death. For distributions from a participant s holdings of BancorpSouth, Inc. common stock, the participant may elect to receive common stock of the Company or an amount of cash equal to the fair value of the common stock that otherwise would have been distributed. In addition, a participant may elect to receive a distribution of cash dividends that are paid on the Company s common stock allocated to the participant s account in the Plan.

(i) Plan Termination

Edgar Filing: BANCORPSOUTH INC - Form 11-K

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(j) Expenses

Administrative expenses of the Plan were paid directly by the Company, which is the plan sponsor.

(k) Reclassification

Certain prior year amounts have been reclassified to conform with the presentation of 2004 information in this report.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) Investments

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Quoted market prices are used to value investments. Participant loans are recorded at their outstanding loan balance, which approximates fair value.

(c) Payment of Benefits

Benefits are recorded when paid.

(d) Income Taxes

The Plan is exempt from federal income taxes in accordance with the provisions of the Internal Revenue Code of 1986, as amended (IRC). A favorable determination letter, dated May 6, 2003, was received from the Internal Revenue Service. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Amounts contributed by the Company are not taxed to the employee until a distribution from the Plan is received.

(e) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the period. Actual results could differ from those estimates.
