NOTES TO FINANCIAL STATEMENTS

The Worthington Industries, Inc.
Retirement Savings Plan for Collectively Bargained Employees

1 Description of Plan

The following description of Worthington Industries, Inc. Retirement Savings Plan for Collectively Bargained Employees (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all union employees at the Gerstenslager facility of Worthington Industries, Inc. (Worthington or the Company) who meet the hour and age requirements. On September 17, 2004, Worthington acquired the Chilton and Gerett facilities and the related assets from Western Industries, Inc. On that same date, the Plan was amended and restated to include the union employees at these two facilities who previously participated in the Western Industries Savings and Retirement Plan. The account balances of these employees have been transferred into the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee of the Plan is Fidelity Management Trust Company (Trustee). Worthington is the Plan sponsor. The Plan was formally known as the Gerstenslager Union Retirement Savings Plan.

The Plan is one of six plans within the Worthington Deferred Profit Sharing Plan Master Trust (the Master Trust). The other plans are the Worthington Industries, Inc. Deferred Profit Sharing Plan, the Worthington Steel (Malvern) Union Retirement Savings Plan, the Gerstenslager Deferred Profit Sharing Plan, the Dietrich Industries, Inc. Salaried Employees Profit Sharing Plan and the Dietrich Industries, Inc. Hourly 401(k) Plan.

Prior to March 1, 2004, the Master Trust was comprised of four plans: Worthington Industries, Inc. Deferred Profit Sharing Plan, The Worthington Steel (Malvern) Union Retirement Savings Plan, the Gerstenslager Deferred Profit Sharing Plan and the Gerstenslager Union Retirement Savings Plan.

The accompanying financial statements reflect the Plan's share of the fair value of the assets of the Master Trust. Under the provisions of the Master Trust Agreement, investments are allocated monthly to the participating plans on the basis of unit ownership at the close of the previous month.

Eligibility:

Union employees at the Gerstenslager facility who are at least eighteen years of age and have been employed for ninety days are eligible to participate in the Plan.

Effective September 17, 2004, the union employees of Chilton and Gerett are eligible to participate in the Plan after satisfying the applicable probationary period for each employment location.

2 Summary of Significant Accounting Policies

Investment Valuation and Income Recognition:

The Master Trust's investments are stated at fair value. Fair value for mutual funds and the commingled trust is determined by the respective quoted market prices. Worthington stock is a unitized stock fund that holds just Worthington common stock and cash. The stock is valued at net asset value which is net assets divided by units outstanding. Loans are valued at cost which approximates fair value. The Master Trust accounts for the change in the difference between the fair value and the cost of investments as unrealized appreciation in the aggregate fair value of investments.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Administrative Fees:

Substantially all administrative fees are paid by the Company.

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

3 Tax Status

On November 8, 2002, the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has since been amended, but a new determination letter from the IRS has not been received. However, the Plan Administrator and the tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.
